He came in and got our school calendar. We have no objection to his selling alcohol when school is not in session. Thanks for asking
Best regards

Hi Carol,

There is a restaurant known as Mario the Baker located at 1490 N State Road 7, which is right across the street from Hebrew Academy. The owner, Shalom Einhorn, recently applied for a variance so that he may sell and serve alcohol (beer and wine only) at his restaurant. The Board of Adjustment approved the request under the condition that he cannot sell before 4pm. The owner is appealing the decision to the City Commission in order to lift the 4pm restriction on days when Hebrew Academy is closed. Can you let me know if your school has any objections or concerns in this matter? Thank you.
