Subject: Single Machine Hot IN Place Asphalt Recycling

Good Morning Mr. May,

Cutler Repaving is requesting to renew Bid No. 2014-010 Hot In Place Asphalt for a one year term as outlined in Article 4.9. On January 28, 2015 Cutler requested a change in unit price on one item due to a bidding error made on the orginal bid. Please reference that email along with this request for renewal.

Thank You,
Bob Veskerna
President
