Subject: Request for Price Adjustment

Good Morning Sam,

Attached please find the original quote from Tri County Maintenance for refective pavement markers which were bid in error for our project in Margate last year. We would like to request a price increase for this item upon renewal of Bid 2014-010 Hot In Place Asphalt. In accordance with our markup from the original bid, we request a bid price for this item of $4.40. We appreciate your consideration of this matter.

Thank You,
Bob Veskerna
