2) PUBLIC DISCUSSION

None.

3) NEW BUSINESS

A) ID2023-251

PERMIT NO. 23-00400033

CONSIDERATION OF A SIGN WAIVER APPLICATION: THE APPLICANT IS

REQUESTING A SECOND MAIN IDENTIFICATION WALL SIGN.

ADDRESS: 3201 N. STATE ROAD 7, MARGATE, FL 33063

Andrew Pinney, Senior Planner, presented on behalf of staff. He stated the applicant, Broward Meat and Fish Company, was seeking permission to install a second main identification wall sign, which would be 93.4 square feet in area. He advised that the sign code allows only one (1) main identification wall sign for a ground level tenant and limits the size to one (1) square foot of area per linear foot of frontage. He explained the existing sign and proposed sign together would exceed the maximum area allowed.

Mr. Pinney reviewed the subject property, noting the land use is Activity Center and zoning is TOC-G Gateway. He stated the existing shopping center is 134,369 square feet in building area, situated on 12.84 acres at the northwest corner of State Road 7 and NW 31st Street. He described the subject property within the shopping center, explaining it was a 77,000 square foot store with 285 feet of frontage. Continuing, Mr. Pinney outlined the unique situations existing on the property, including a large setback of approximately 460 feet from the adjacent roadway of State Road 7. He stated that because of the elevation change at the intersection of State Road 7 and Sample Road, there is no driveway access from that street and limited visibility. He shared images of the existing site and pointed out that while the existing sign is above the exit, there is a dedicated entrance and exit with architectural features to emphasize both. He noted the entrance was not identifiable for a first-time visitor.

Mr. Pinney reviewed the waiver criteria for the Board's consideration, as follows:

- 1. There is something unique about the building or site configuration that would cause the signage permitted by this article to be ineffective in identifying a use or structure that would otherwise be entitled to a sign.
- 2. The granting of a waiver is not contrary to the intent of the sign code, the aesthetics of the area, or does not create a nuisance or adversely affect any neighboring properties.
- 3. Literal enforcement of this article would result in unreasonable and undue hardship upon the petitioner.

Mr. Pinney asserted that the additional signage could help to navigate customers to the store. He stated staff recommends approval as the proposed sign is compatible with the building architecture, does not detract from area aesthetics, and because this storefront suffers from limited visibility.

Chair Brandao opened a public hearing on the item.

Athalia Lujo, General Counsel, Broward Meat and Fish Company, thanked the City for the work done already. She stated in addition to the large setbacks, the store also has beautiful landscaping which blocks the view of the current sign from State Road 7.

Chair Brandao closed the public hearing.

Mr. Bourdin stated that considering the fact that the exit sign is much bigger than the marking of the entrance, he agreed with staff's conclusion. He noted the additional sign brightens up the store and makes it more aesthetically pleasing to the shopper.

Mr. Bourdin made the following motion, seconded by Ms. Farias:

MOTION: TO APPROVE THE SIGN WAIVER APPLICATION AS PRESENTED.

ROLL CALL: Mr. Brandao – Yes; Mr. Bourdin – Yes; Ms. Farias – Yes. The motion passed with a 3-0 vote.

GENERAL DISCUSSION

There being no further business to discuss, the meeting was adjourned at 6:41 p.m.

Respectfully submitted,

Joao D. Brandao, Chair
