Notes

Basis of Proposal

Our proposal is based upon our discussion during my site visit

Estimated project completion schedule-

4 - Weeks: Engineering

8 - Weeks Longest manufacturing lead time.

1 Week Shipping

4 - Weeks Installation of equipment ...and safety surfacing.

17 - Weeks TOTAL WEEKS

Plus/minus 4 weeks- Permitting, dependent on Building Department

Note that RSI is committed to do all it can to meet the needs of your project.

To be provided by the customer, as applicable:

- Site Plan or Survey
- Soils testing
- Tree Survey

- Removal of existing play equipment
- Removal of existing sand
- Providing 57 Stone

Scope of Proposal - Includes Performance Bond

Please note the vendor requirements itemized below.

Landscape Structures:

When placing an order, please select colors from those shown on pages 236-238 of the catalog.

Vitriturf Poured in Place Surfacing: (SF pricing includes .50 cent upcharge for NO Tire System)

This quotation is for material, freight and installation.

Owner or contractor is responsible for:

- Accuracy of project dimensions and product quantities prior to ordering. Please specify product depth and color when ordering.
- Security of the site during cure time (typically 48 hours).

Dumpster at the site for trash and waste material.

Installation:

Unless otherwise noted, the following items are to be **PROVIDED BY CUSTOMER** prior to installation:

- ALL Site work completed - excavation, removal and grading to proper level prior to installer arrival.
- Site security to prevent theft or vandalism of equipment.
- Water and 110 Electric.
- Underground Utilities Located and Marked prior to installation.

THIS PROPOSAL DOES NOT INCLUDE PERMIT FEES ASSESSED BY THE BUILDING DEPT. Those fees will result in additional charges.

Installation Charges on this proposal are based on NO UNFORESEEN conditions in the area, above or below the surface. If unforeseen conditions arise, the installation charges will change to reflect additional costs associated with dealing with those circumstances. Examples of this include, but are not limited to: site not ready upon installer's arrival, underground utilities, or difficulties with footers due to coral rock or ground water in the holes.

The undersigned warrants that he/she is an authorized representative of the company noted and has the requisite authority to bind said company and/or principal. If any particular billing is not paid when due, all outstanding balances, regardless of prior terms, will become immediately due and owing upon demand. Interest on past due amounts will be assessed at 1 1/2 % per month or the maximum interest rate permitted by applicable law, whichever is less. Should it become necessary for either party to this contract to institute legal action for enforcement of any provisions of this contract, the prevailing party shall be entitled to reimbursement for all court costs and reasonable attorney's fees incident to such legal action. The parties hereto agree that proper venue for any legal action in any way related to this contract shall be in Seminole County, FL.

Talking is Teaching: Talk, Read, Sing | 2 to 5 years | Minimum area required 23' x 29'

Sized just right for little walkers, this tiny village lets toddlers explore a variety of developmentally appropriate activities, plus offers engaging panels for additional learning. Developed in partnership with Too Small to Fail's "Talking is Teaching: Talk, Read, Sing" Campaign.

Includes enhanced graphics package for no additional charge

OUR PALETTE IS AT YOUR FINGERTIPS.

VITRITURF
CUSHIONED SEAMLESS FLOORING SYSTEM

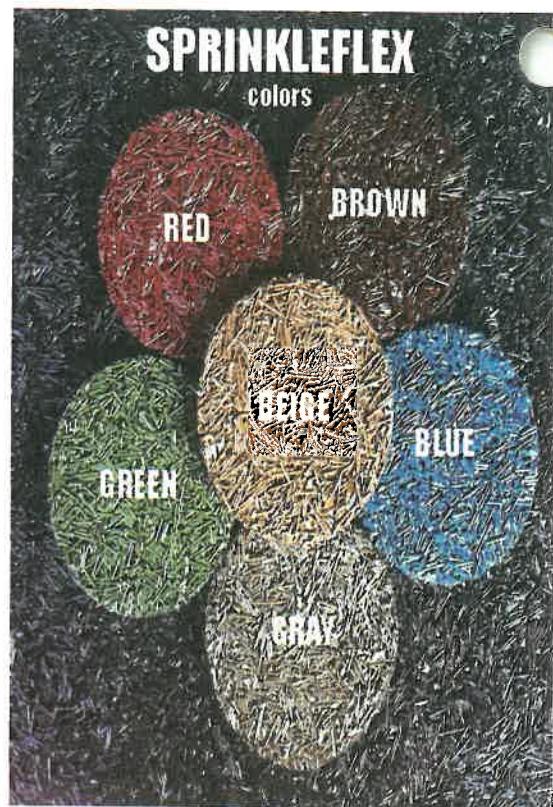

Pick A Color
....Any Color!!!

Playground Surfacing is no longer limited in colors choices! The Vitriturf System, offers unlimited color selections.* Choose a color from a RAL or Pantone color chart and Vitriturf can provide the color you need for your unique playground.

Vitriturf, the innovator and leader in poured in place surfacing.

*Please check with Vitriturf or your local Vitriturf sales representative for limitations.

The color representations printed in this brochure may vary from the actual colors. Please consider the type of binder when choosing colors. The Vitriturf Binder will amber and cast a yellow hue to the color. This ambering will dissipate over time, but you still may see resilient color differences for a longer period. The Vitriturf Aliphatic Binder will allow the chosen color to remain stable.
