ACCREDITED LAW ENFORCEMENT AGENCY

MEMORANDUM

TO: Ashley McCarthy, Lieutenant

FROM: Anthony Sclafani, Sergeant *AS*

DATE: 10/29/18

SUBJECT: Request additional key fobs

There are a total of four administrative vehicles being purchased through the forfeiture fund. Three are Dodge Chargers and one is a Dodge Durango. Two keyless entry control fobs are standard equipment on every new Dodge Charger and Durango. It's required to have at least three keys/fobs for each vehicle purchased. I am requesting four additional key fobs, one for each administrative vehicle being purchased. According to Steve Henry, the Dodge Fleet Director for AutoNation Auto Group, the cost is an additional \$285.00 per key fob for each vehicle with a total cost of \$1140.00 dollars.

10/29/18 - Reviewed. Customarily one key fob is retained at public works, one is retained by the person the vehicle is assigned to, and a third is maintained by the traffic unit supervisor. The funds were previously approved. This is for documentation purposes. A. McCarthy 3346

SPECIFICATION #18**

2019 Dodge Charger SXT RWD (LDDM48)

The Dodge Charger SXT RWD (LDDM48) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★ Western	Northern	Central	Southern
BASE PRICE:	\$21,216.00	\$21,160.00	\$21,211.00	\$21,211.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Hey Steve, I am trying to finish up my purchase requisitions for the 2019 Admin Dodge Charger SXT RWD (LDDM48). Once again, I don't see the code for the extra key fobs or the tire relocation bracket. I know on the charger pursuit the codes are GQX FOB and TBH Tire Bracket. Can you please advise. TY
