Reference: Sole Source Authorized Dealer

This letter serves as a verification of Door Systems of South Florida (DSSF) being the only authorized sales and servicing dealer for Senneca/Door Engineering in Palm Beach, Broward, Dade and Monroe Counties. As such, DSSF receives all necessary training & materials, has full access to both sales, service and installation support, and access to direct onsite or factory training when requested.

They are also the sole authorized technicians for sales, service, and repairs on the Seneca/Door Engineering Four Fold Door Systems.

Sincerely,

A handwritten signature in black ink that reads "Eric" followed by a stylized, cursive signature.
