

**City of Margate Public Outreach Meeting
Broward County MPO CSLIP CYCLE 9 GRANT Application
Proposed SW 6th Street Improvements Project
Between SR7 and SW 49th Terr.**

August 12, 2024

Location: City of Margate Commission Chambers
5790 Margate Blvd
Margate, Florida 33063

Time: 11:30AM – 12:30PM EST

Background

The Broward MPO’s Complete Streets and Localized Initiatives Program (CSLIP) provides funding for small local transportation projects through a competitive grant program which can fund complete streets projects, traffic calming and intersection improvements, ADA upgrades, and new sidewalks.

The City of Margate is conducting a public workshop with Consulting firm Chen Moore and Associates as part of the project grant application process. The proposed project seeks to provide for improvements along SW 6th Street (east of SR7).

Mission

The purpose of the meeting is to allow the public to provide community-specific input to be recorded and considered as part of the funding application submission process for the proposed project.

Execution

The meeting is intended to take place as a hybrid format as some can attend in-person and others can login though the link below.
