RE: 2026-05, Supply and Delivery Aftermarket Vehicle Parts and Accessories – Automotive, Light – Heavy Duty Trucks, and Off Road Vehicles to the City of Margate Public Works Department  
Bid Opening: March 25, 2026 11:00 AM

Dear Kelly,

O'Reilly Auto Parts thanks you for inviting us to respond to bid 2026-05 for the Supply and Delivery Aftermarket Vehicle Parts and Accessories – Automotive, Light – Heavy Duty Trucks, and Off Road Vehicles to the City of Margate Public Works Department. O'Reilly proposes to offer the City of Margate a minimum guaranteed discount of 41% or more off of List price for all automotive, light and heavy-duty parts, tools, paints, diagnostic and repair equipment, accessories and shop supplies standard to our catalog.

The List price appears for each item on every invoice and in the online customer catalog for easy verification of the discount. Since **Section 64** of the bid specifications opens the door for use of this award by other governmental agencies, we would like to make it one of the contracts available for use in our Florida Purchasing Group. We would apply the same discount structure to the City's ordering accounts as the other contracts already in this group. Many items will have discounts greater than 41% off of List price.

Standard delivery and emergency "hot-shot" delivery services are included at no additional cost. We have included a brief document regarding the pricing, online catalog, and Line Card, along with the Q1 2026 Everyday Commodity Pricing list to show items with available volume price breaks. Whenever a sale or promotional price point is lower than the City's calculated discount price, the City will receive the benefit of the lower price.

In the event the Work is contained in more than one bidding schedule, the City may award schedules individually or in combination. In the case of two (2) bidding schedules which are alternative to each other, only one (1) of such alternative schedule will be awarded. Failure or refusal to enter into an agreement or accept City's purchase order as herein provided or to conform to any stipulated requirements in connection therewith shall be just cause for annulment of the award and forfeiture of the Bid Security. The sample contract as attached to this bid document is in substantially executable form. City does not intend to allow or accept modifications to the general format. If the bidder who has been awarded the bid pursuant to Paragraph 15 refuses or fails to execute the agreement, the City may award the Contract to whichever bidder it determines next best serves its interest. - 1) Please navigate your browser to [www.oreillypro.com](http://www.oreillypro.com)
- 2) Log into the customer portal
- 3) From this point you can look up parts by application, interchange, etc.
- 4) For any technical assistance please call: 1-800-934-2451.

The cost column will reflect the purchasing entity's price with all discounts except the prompt payment discount for eligible monthly-pay accounts.

The image displays two screenshots of the O'ReillyPro website interface. The top screenshot shows the 'Catalog Lookup' process for a 2018 Ford F-150. It highlights various navigation options like 'Get a Quote or Place an Order' and 'Cross Reference by Part Number'. The main content area shows search results for brake rotors, with callouts for 'Product Line/Description', 'Availability', 'List Price & Your Cost', and 'Add Items to your quote'. The bottom screenshot shows the 'Quote' page for a 2022 Ford Bronco Sport, highlighting the 'Add Purchase Order Number' field, 'Communicate Specific Directions to the Store' field, 'Submit Orders for pick up or delivery' button, and 'Select your closest servicing store' field. A 'Quote Summary' sidebar on the right shows fields for 'Part #', 'Quantity', 'Delivery Type', 'Payment Type', 'Return Type', and 'Total' (\$0.00).
