**Re: West WWTP East Digester Rehabilitation
Recommendation for Award
Bid No. 2015-019**

Dear Ms. Athias:

We have summarized the bid proposal documents opened on January 13, 2016 for the West Wastewater Treatment Plant East Digester Rehabilitation project in the attached Bid Tabulation. The apparent low bidder, RJ Sullivan Corporation, was evaluated for their overall technical ability to perform the work. Our review did not include a determination of bidder responsiveness.

Based on our experience administering construction by this contractor on other projects, we consider this contractor qualified to perform the work described in the contract documents. As such, we recommend that the East Digester Rehabilitation project contract be awarded to RJ Sullivan Corporation.

We appreciate the opportunity to assist the City of Margate with this important project. Should you have any questions or require further information, please do not hesitate to call.

Very Truly Yours,

Hazen and Sawyer
Jennifer McMahon, PE
Senior Associate
