employee hired prior to the ratification of this Agreement shall accumulate a maximum of 660 vacation leave hours. A Short Shift employee hired after the ratification of this Agreement shall accumulate a maximum of 300 vacation leave hours. Employees who transition, pursuant to the Memorandum of Understanding between the City and Union, herein attached as Attachment A, back to the City from Coconut Creek prior to September 26, 2023 shall be considered hired prior to the ratification of this Agreement for purposes of maximum vacation leave accumulation calculation. The applicable vacation leave accumulation caps shall be adjusted by the number of vacation leave hours cashed in by the member employee upon entering the FRS retirement incentive program known as DROP. When appropriate throughout this section, all provisions shall be subject to applicable DROP-related adjustments.

A. A member who has reached or exceeded the vacation leave hour cap as of September 30 of each year shall forfeit all vacation leave hours in excess of the cap, subject to the following exceptions:

1. In the event that an employee submits a vacation leave request at least two (2) months prior to the starting date of the desired leave, and the City denies that request, and the employee's accumulated vacation leave subsequently exceeds the annual cap as a result of being denied that vacation leave request, the employee shall have until March 31 of the subsequent year unless extended with City Manager approval, in which to take that excess leave before all such excess leave shall be forfeited.

2. COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

B. The member shall have the discretion to use accrued vacation leave hours as provided for in this Article.

Section 4: A member who reaches the cap as of September 30 of a given fiscal year and who terminates employment with the City for any reason any time prior to the end of the next fiscal year shall either be compensated for earned but not used vacation leave or reimburse the City for used but not earned vacation leave as calculated below.

A. Step 1: Count the number of pay periods beginning on October 1 and ending on the effective date of the member's last day of employment; multiply that number by the vacation hours the member accumulates leave pursuant to Section 1 and Section 2 of this Article. Add that amount to the applicable maximum 792/660 or 480/300 hours to determine the total allowable vacation leave hours.

Step 2: Compare the number of vacation leave hours taken by the member during that fiscal year to the total allowable vacation leave hours from Step 1.

Step3a: If the number of vacation leave hours taken by the member during that fiscal year is less than the total allowable vacation leave hours from Step 1, then the City shall compensate the member for the dollar value of those hours up to the applicable maximum 792/660 or 480/300 hours.

Step 3b: If the number of vacation leave hours taken by the member during that fiscal year is greater than the total allowable vacation leave hours from Step 1, then the member shall reimburse the City for the dollar value of that difference.

B. If the member hired prior to the ratification of this Agreement has entered DROP and has sold back the maximum amount of vacation leave hours permitted pursuant to DROP:

Step 1: Count the number of pay periods beginning on October 1 and ending on the effective date of the member's last day of employment; multiply that number by the vacation hours

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

the member accumulates leave pursuant to Section 1 and Section 2 of this article. Add that amount to 192/160 hours to determine the total allowable vacation leave hours.

Step 2: Compare the number of vacation leave hours taken by the member during that fiscal year to the total allowable vacation leave hours from Step 1.

Step 3a: If the number of vacation leave hours taken by the member during that fiscal year is less than the total allowable vacation leave hours from Step 1, then the City shall compensate the member for the dollar value of those hours up to 192/160 hours.

Step 3b: If the number of vacation leave hours taken by the member during that fiscal year is greater than the total allowable vacation leave hours from Step 1, then the member shall reimburse the City for the dollar value of that difference.

C. If the member has entered DROP and either has sold back less than the maximum amount of vacation leave hours permitted pursuant to DROP or has not sold any hours to DROP:

Step 1: Subtract the number of vacation hours sold back to DROP from the applicable maximum 792/660 or 480/300 hours to determine the maximum payable vacation leave hours.

Step 2a: Count the number of pay periods beginning on October 1 and ending on the effective date of the member's last day of employment; multiply that number by the vacation hours the member accumulates leave pursuant to Section 1 and Section 2 of this article.

Step 2b: Add the amount from Step 2a to the maximum payable vacation leave hours from Step 1 to determine the total allowable vacation leave hours.

Step 3: Compare the number of vacation leave hours taken by the member during that fiscal year to the total number of allowable vacation leave hours from Step 2b.

Step 4a: If the number of vacation leave hours taken by the member during that fiscal year is less than the total allowable vacation leave from Step 2b, then the City shall compensate the member for the dollar value of that difference up to the maximum payable vacation leave hours from Step 1.

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

Step 4b: If the number of vacation leave hours taken by the member during that fiscal year is greater than the total allowable vacation leave the result from Step 2b, then the member shall reimburse the City for the dollar value of that difference.

Section 5: An employee who is not in an initial hire probationary status may use vacation leave as it is accrued. An employee who is in an initial hire probationary status may not use accrued vacation leave until the employee successfully completes the initial hire probationary period.

A. Vacation requests shall be submitted in accordance with Fire Department operational guidelines.

B. Approved vacation leave shall not be affected by shift change when at all possible.

C. An employee who has submitted her/his resignation shall not be forced to take vacation leave. Notwithstanding any section of this article, management shall have the authority to schedule vacation leave off.

Section 6: At the option of the City, an employee may sell back accrued vacation leave as follows:

A. Each person desirous of selling accrued vacation to the City shall submit her/his request to her/his Department Head not later than September 1 of the current year. The department composite list will be submitted to the City Manager so as to arrive not later than October 1.

B. The total amount of monies available for repurchase of accrued leave shall be determined by the City Commission when the annual budget is adopted.

C. Payment shall then be made on the basis of a ratio of the total number of persons requesting "sell back" to the City to the total funds available for such repurchase. For example: if the total list numbers fifty (50) persons, and there is twenty-five thousand dollars (\$25,000.00)

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

available for repurchase of accrued vacation, then theoretically each person shall receive five hundred dollars (\$500.00), less that portion required to meet employer contributions for FICA taxes and Florida Retirement System Contribution.

D. In the event that equal division exceeds the needs of any one person's request, then the excess of the equal division shall be reapplied to the aggregate dollars available for the remaining persons.

E. Disbursements of such payments will be accomplished between the period December 1 and December 15 of the year in which the funds were budgeted.

Section 7: In the event of the death of an employee, that employee's heir(s) or estate shall be entitled to an immediate lump sum payment equal to the cash value of all unused vacation leave available at the time of the employee's death, subject to the provisions of this Agreement.

Section 8: In the event that an employee becomes disabled, and said disability prevents the employee from continuing employment with the City pursuant both to this Agreement and to Section 30-78 (history- Section 16 1/4-79; Section 30-79) of the City Code, upon the termination of that employee, the employee shall be entitled to the cash value of all unused vacation leave available on the date that the employee leaves the employ of the City, subject to the provisions of this Agreement.

Section 9: An employee who is not in an initial hire probationary status and who leaves the City's employ for any reason other than as the result of a disability, shall receive the cash value for vacation leave accumulated pursuant to either Section 1 or Section 2 of this article in the following manner:

number of accumulated hours, up to the applicable maximum of either 792 hours or 480 hours (for "Long Shift" employees) or the applicable maximum of either 660 hours or 300 hours (for "Short Shift" employees), multiplied by the employee's base hourly rate of pay as of the effective date that the employee left the City's employ, subject to the provisions of this Agreement.

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

The above-stated pay out limitation shall not apply to a situation covered under either Section 7 or Section 8 of this article, or in the situation when vacation hours accrued during a period of absence compensated for under workers' compensation exceed the limitations stated above, providing that such absence immediately precedes the employee's termination of employment with the City.

Section 10: In the event that the employee owes the City for used but not earned vacation leave, and/or sick leave, and/or all other monies which may be owed, the cash value of those monies shall be subtracted first from the cash value or the combined total number of accumulated vacation leave and sick leave hours prior to payout limitations in this Agreement, and then from available compensatory hours. The cash value for accumulated vacation leave or sick leave, and compensatory time, as well as for vacation leave, sick leave, and all other monies which may be owed by the employee to the City shall be calculated based on the employee's hourly base rate of pay on the effective date that the employee left the City's employ.

ARTICLE 14 - SICK LEAVE

Section 1: Each full-time employee on the Long Shift shall accumulate sick leave at the maximum rate of 0.08654 hours for each regular hour worked. Since the total number of regular hours of work for an employee on the Long Shift is 2,496 hours per year, the total maximum sick hours earned shall be 216 hours per year.

Each full-time employee on the Long Shift who is compensated for less hours than the regularly assigned hours in a pay period, shall accumulate sick leave at the rate of 0.08654 hours multiplied by the actual number of regular hours worked.

Section 2: Each full-time employee on the Short Shift shall accumulate sick leave at the maximum rate of 3.6923 hours per regular pay period. A regular pay period shall be as defined in Article 18, Section 1 of this agreement.

Each full-time employee on the Short Shift who is compensated for less hours than the regular eighty (80) hours in a pay period, shall accumulate sick leave at the rate of 3.6923 hours pro-rated, based on the actual number of regular hours worked.

Each full-time employee on the Short Shift who is compensated for more hours than the regular eighty (80) hours in a pay period, shall accumulate sick leave at the maximum rate of 3.6923 hours for only the actual number of regular hours worked that pay period.

To equalize the hours the City added to the Long Shift sick leave bank upon implementation of the Catastrophic Leave Pool, each full-time employee assigned to Short Shift will receive an annual supplement of thirty (30) hours of sick time to their sick leave bank. This provision shall only apply to employees assigned to Short Shift at ratification of this Agreement and shall not be retroactive.

Section 3: There shall be no limit to the number of sick hours that an employee hired prior to ratification of this Agreement may accumulate. Employees hired after ratification of this Agreement

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

shall accumulate a maximum of 1,200 sick hours. Employees who transition, pursuant to the Memorandum of Understanding between the City and Union, herein attached as Attachment A, back to the City from Coconut Creek prior to September 26, 2023 shall be considered hired prior to the ratification of this Agreement for purposes of sick leave accumulation.

A. Sick leave is a negotiated benefit between the parties which shall be allowed only in case of an employee's, or the employee's immediate family member's, personal sickness, disability, off duty injury, or legal quarantine because of exposure to contagious disease, or otherwise in accordance with this article.

B. A member who is on sick leave or on approved leave without pay or on unapproved leave without pay or on any paid or unpaid leave granted pursuant to FMLA or out on any disability shall not perform any activity or demonstrate behavior that is inconsistent with either recuperating from or treating the illness or injury that is the basis for the absence.

C. Additionally, an employee who is receiving paid sick leave shall not engage in employment or activity of any kind for remuneration during the normal working hours for which paid sick leave is received, even if such activity or employment is otherwise consistent with either recuperating from or treating the illness or injury that is the basis for the absence.

D. An employee who demonstrates abuse of sick leave, as defined in Section 15, excluding leave permitted under the Family and Medical Leave Act (FMLA), shall be subject to progressive disciplinary action.

Section 4: Sick leave is to be utilized for illness and/or injury only; and shall not be taken for vacation, work, or other personal reasons unless specifically provided for in this Article.

Section 5: In the event that an employee requires time off as a result of an off-duty illness or injury, that employee shall first use accumulated sick leave and then accumulated vacation leave. At the mutual agreement of the City and member, the member, after first exhausting all accumulated

sick leave and accumulated annual leave, may use accumulated compensatory leave for leave permitted in this Section.

Section 6: All employees are required to call in each day they are out on sick leave unless it has been determined by a physician that the employee will be disabled for a specific amount of time, to be verified by a statement by the physician. The call may be made by the employee or her/his spouse or other person on her/his behalf only if the employee is physically unable to communicate. After three (3) consecutive shifts' absence for illness or injury (three days for non-shift personnel), an employee must produce a doctor's certificate to verify illness and/or injury if the City Manager or Fire Chief feels that the employee may be abusing sick leave, as defined in Section 15. At any time prior to three consecutive shifts' absence (three days for non-shift personnel), the Fire Chief may require a doctor's certificate for illness or injury. Understanding that the City is required by federal law to provide employees their rights under the FMLA, the employee must timely complete and submit FMLA paperwork when directed by the City, as well as a Fitness for Duty form, when applicable.

No employee shall be visited or called at home in an attempt to ascertain whether or not s/he is actually ill until the Administration of the Fire Department receives approval from the City Manager or designee to do same. Any individual who has been visited or called and has been found not to be at home by the Administration shall be notified by her/his next shift that such is the case and given an opportunity to explain to the Administration (for non-shift personnel, said notification must be within three (3) working days). The time, number and frequency of visits and calls shall be reasonable.

Section 7: Accrued sick leave and sick bank [hereinafter called the Medical Leave Assistance Plan (MLAP)] may be extended to cover the absence of an employee who requires time off to personally care for a family member who is covered under the Family and Medical Leave Act and who suffers from a serious health condition. Said sick leave shall be recommended by the Fire Chief,

with the approval of the City Manager. The City Manager may require a doctor's certificate or other documentation regarding such leave.

Any sick leave, vacation leave, compensatory leave, or approved MLAP leave, used by the employee to personally care for a family member who is covered under the guidelines of the Family and Medical Leave Act shall be counted towards the total leave permitted under that Act. Any such leave in excess of twelve (12) weeks in any 12-month period required by the employee to personally care for a family member who is covered under the guidelines of the Family and Medical Leave Act shall be subject to the sole approval of the City Manager. Understanding that the City is required by federal law to provide employees their rights under the FMLA, the employee shall be responsible for completing and returning FMLA paperwork when requested to do so by the City, as well as a Fitness for Duty form, when applicable. However, the employee shall not be required to exercise their rights under the FMLA unless otherwise required by the FMLA.

An employee shall first use all accrued sick leave, then all accrued vacation leave, then all accrued compensatory leave, then any approved MLAP leave, to personally care for a family member who is not covered under the guidelines of the Family and Medical Leave Act, subject to the advanced sole approval of the City Manager or designee.

It is further agreed and understood that if any misrepresentation is subsequently determined in relation to granting of such leave, the employee who has been granted that leave shall be dismissed immediately, as determined by the City Manager.

Section 8: Effective February 7, 2023, the MLAP shall terminate and any credits/dollars remaining will be forfeited. As of the date of execution of this Agreement, the MLAP shall be capped at a total of 1,000,000 units/dollars.

MLAP Report" shall be provided to the Bargaining Unit quarterly.

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

A. Only existing members, effective February 7, 2018 are permitted to use the previously established MLAP, and unless the member:

1. has abused sick leave as defined in Section 15 within the previous rolling twelve (12) month period. Time used for an FMLA qualifying event shall not be applicable for this subsection.; or
2. has used the MLAP within six (6) months of the date that the member again needs to use the MLAP.

a. The City Manager shall have the sole discretion to waive the time provisions of Section 8A-2 above.

3. Has not submitted completed FMLA paperwork and a Fitness for Duty form when requested to do so by the City.

Use of the MLAP is limited to those members who have first used all available sick leave, then all available vacation, and all available compensatory time.

B. During the period a member is in "MLAP Sick Leave" status, s/he shall not accrue vacation, or sick leave; however, s/he shall maintain and continue to accrue seniority as outlined in Article 3 of this Agreement.

C. During the period a member is in "MLAP Sick Leave" status, the City shall continue to maintain her/his status in the Florida Retirement System as outlined in Article 23 of this Agreement.

D. When a member uses the MLAP, the value withdrawn from the MLAP shall be equal to her/his rate of pay at the time s/he uses the MLAP. Subject to the limitations set forth above, and to Section 30-78 (history- Section 16-1/4-79; Section 30-79) of the Code of the City of Margate a member may continue use of the MLAP until such time as a physician, approved by

the Union, shall determine s/he is able to return to full duty; or that s/he shall not be able to return to full duty in the Fire Department.

Any sick leave, vacation leave, compensatory leave, or approved MLAP leave, used by the employee as a result of a serious health condition that renders the employee unable to perform her/his job shall be counted towards the total leave permitted under the FMLA; however, the cap of twelve (12) weeks in any 12-month period permitted under the FMLA shall not apply to any member who is absent as a result of a serious health condition that renders the employee unable to perform her/his job and who uses that previously stated leave(s) to cover that absence.

Section 9: Catastrophic Leave Pool (CLP)

A. Effective February 7, 2018, the CLP will be established by all participating members who are eligible to donate. The CLP will be set up from which, and into which, participating members are eligible to draw in the case of catastrophic injury or illness once they have exhausted all accumulated sick leave, compensatory leave, and 50% of the vacation leave accumulated at the time of exhaustion of all other leave.

B. A committee of three members of the bargaining unit who are participants in the CLP, shall be appointed by the elected officials of District 14 of Local 3080, for a term not to exceed three years. The City shall administer the CLP process. No elected official of District 14 of Local 3080 may be a member of the committee. The committee shall review each individual request for withdrawal from the CLP, and shall make the decision of whether to approve the request by a majority vote of the committee. All withdrawals and disputes arising from the CLP shall be resolved by a committee recommendation to the City Manager, with a final decision and authority by the City Manager. The City Manager shall not deny committee approval unless the committee's findings fail to comply with the criteria in paragraph F. subsections 1-7. Any employee denied withdrawal from the CLP shall receive a written explanation outlining the reason for denial from the committee.

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

C. All members shall have a one-time opportunity to “opt in” to the CLP, which shall be made upon ratification of this contract. If a member decides to “opt out” of the CLP, that member shall forfeit rights to participate in the CLP for the remainder of employment with the City. Members who “opt in” shall authorize the City to withdraw the appropriate amount of sick leave needed to fund the CLP when needed. Probationary employees are eligible for these benefits if they agree, in writing, to opt in, as soon as they are eligible to do so.

D. For short-shift employees, 10 hours of accrued sick leave shall be withdrawn from each participant’s sick leave accruals upon establishment of the CLP. For all other employees, an initial 24 hours of accrued sick leave shall be withdrawn from each participant’s sick leave accruals upon establishment of the CLP. Participants must have a minimum of 72 hours of accumulated sick leave, a minimum of one year of employment, and have passed new hire probation in order to participate. Those members interested in participating in the CLP, but who do not have a minimum of 72 hours of accumulated sick leave may still be considered “opted in” without the donation, but must donate the required 24 hours of accrued sick leave the next time donations are required. Approval for transfer of the donated sick leave for the CLP shall be made by the City Manager. All donations of sick leave to the CLP are nonrefundable.

E. Members participating in the CLP who are also eligible for the MLAP must first use the MLAP until it has been exhausted. Once the MLAP has been exhausted, all participating members shall utilize the CLP. Members eligible for the MLAP must contribute to the CLP when requested.

F. Participants may withdraw from the CLP using the following process:

1. The participant must have exhausted all accumulated sick leave, compensatory leave, and 50% of the vacation leave accumulated at the time of exhaustion of all other leave

COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CITY OF MARGATE, FLORIDA AND LOCAL 3080, METRO BROWARD PROFESSIONAL FIRE FIGHTERS, INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS. OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2025.

2. The participant, or participant's family member for which that the participant would otherwise be eligible to use FMLA, must certify through FMLA or Fitness For Duty paperwork provided by the City, that they are suffering from an illness or injury that would otherwise be covered as a qualifying condition under the FMLA. FMLA and Fitness For Duty paperwork must be provided to the Human Resources Department by the participant, and the Human Resources Department shall inform the committee of the participant's eligibility.

3. If the participant is able to return to work in a light-duty or partial-duty capacity, the participant shall do so if light-duty or partial-duty work is available in a City department

4. Withdrawals from the CLP shall be provided at the participant's regular rate of pay

5. Participants drawing from the CLP shall have all leave accruals suspended until withdrawals from the CLP have ended

6. The maximum amount of time a participant shall be eligible to draw from the CLP shall be one year from the date of first withdrawal

7. Participants who have abused sick leave in accordance with the provisions of this article shall be ineligible to apply for use of the CLP

G. The dollar value of the sick leave provided to fund the CLP shall not exceed the equivalent dollar amount of 24 hours of sick leave times the number of members. New members may opt in to the program without regard to any cap. When the dollar value of the sick leave provided to fund the CLP drops below \$15,000.00, another withdrawal of 24 hours of sick leave shall be provided by each participant. The CLP balance shall be calculated by the number of hours donated times the hourly rate of pay of each member at the time of donation.

Section 10: In the event of the death of an employee, that employee's heir(s) or, if none, the employee's estate shall be entitled to an immediate lump sum payment equal to the cash value of all unused sick leave available at the time of the employee's death, subject to the provisions of Section 14 below. The cash value of said unused sick leave stated in this section shall be calculated based on the employee's hourly base rate of pay on the date of the employee's death.
