1. **DEFINED TERMS:** Terms used in these Instructions to Bidders and the Notice Inviting Bids, which are defined in the General Conditions, have the meaning assigned to them in the General Conditions. The term “bidder” means one who submits a bid directly to City, as distinguished from a sub-bidder, who submits a bid to a bidder.
2. **COMPETENCY OF BIDDER:** In selecting the bid which best meets the interests of the City, consideration will be given not only to the financial standing, but also to the general competency of the bidder for the performance of the Work covered by the bid. To this end, each bid shall be supported by a statement of the bidder’s experience as of recent date on the form entitled “**Reference Sheet**” herein. A “NO BID” for the Work will be accepted from a contractor who does not hold a valid contractor’s license in the State and County where the Work is to be performed (if required by State or County) applicable to the type of Work bid upon at the time of opening bids.
3. **DISQUALIFICATION OF BIDDER:** More than one bid from an individual firm, partnership, corporation, or association under the same or different names will not be considered. If the City believes that any bidder is interested in more than one bid for the Work contemplated, all bids in which such bidder is interested will be rejected. If the City has reason to believe that collusion exists among the bidders, all bids will be rejected.
4. **BIDDER’S EXAMINATION OF BID DOCUMENTS AND SITE:**
 - 4.1 It is the responsibility of each bidder before submitting a bid, to:
 - (a) Examine the Bid Documents thoroughly,
 - (b) Visit the site to become familiar with local conditions that may affect cost, progress, or performance of Work,

 - (d) Study and carefully correlate the bidder’s observations with the Bid Documents, and,
 - (e) Notify the City or the City’s Representative of all conflicts, errors, or discrepancies in the Bid Documents.
 - 4.2 Information and data reflected in the Bid Documents with respect to underground utilities at or contiguous to the site is based upon information and data furnished to the City or the City’s Representative by the owners of such underground utilities or others, and the City does not assume responsibility for the accuracy or completeness thereof unless it is expressly provided otherwise in the Agreement or Bid Documents.
 - 4.3 Provisions concerning responsibilities for the adequacy of data furnished to prospective bidders on subsurface conditions, underground utilities, and other physical conditions, and possible changes in the Bid Documents due to differing conditions appear in the Agreement.
 - 4.4 Before submitting a bid, each bidder will, at bidder’s own expense, make or obtain any additional examinations, investigations, explorations, tests, and studies and obtain any additional information and data which pertain to the physical conditions (surface, sub-surface, and underground utilities) at or contiguous to the site or otherwise which may affect cost, progress of performance on the Work and which the bidder deems necessary to determine the bid for performing the Work in accordance with the time, price, and other terms and conditions of the Bid Documents.
 - 4.5 On request in advance, the City will provide each bidder access to the site to conduct such explorations and tests as each bidder deems necessary for submission of a bid. Bidder shall fill

all holes and shall clean up and restore the site to its former condition upon completion of such explorations.

All additional land and access thereto required for temporary construction facilities or storage of materials and equipment are to be provided by the Contractor. Easements for permanent structures or permanent changes in existing structures are to be obtained and paid for by the City unless otherwise provided in the Bid Documents.

4.7 The submission of a bid will constitute an incontrovertible representation by the bidder that the bidder has complied with every requirement of "Bidders Examination of Bid Documents and Site" contained herein, that without exception the bid is premised upon performing the Work required by the Bid Documents and such means, methods, techniques, sequences or procedures as may be indicated in or required by the Bid Documents, and that the Bid Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance of the Work.

Note: The requirements 4.1 through 4.7 are general bid examination requirements included in all Bid Documents. Only requirements that can be specifically applied to this solicitation shall be in force, at the City's discretion.

5. INTERPRETATIONS: All questions about the meaning or intent of the Bid Documents are to be directed to the City or the City's Representative in writing. Interpretations or clarifications considered necessary in response to such questions will be issued by written Addenda to all parties recorded by the City or the City's Representative as having received the Bid Documents. Questions received less than seven (7) calendar days prior to the date for opening of bids may not be answered. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect. It is the Contractor's responsibility to contact the City prior to the bid opening to determine if any addenda have been issued on the project.

6. BID SECURITY, BONDS: Each bid (if required) shall be accompanied by a certified or cashier's check or approved Bid Bond in the amount stated in the Bid Documents. Said check or bond shall be made payable to the City and shall be given as guarantee that the bidder, if awarded the bid will enter into an Agreement with the City, and shall furnish the necessary insurance certificates, payment and performance Bonds (if required), each of said bonds to be in the amount stated in the Bid Documents or Agreement. The same shall apply to the use of the performance and payment bond forms.

Pursuant to the requirements of s. 255.05(1)(a), Florida Statutes, it shall be the duty of the Contractor to record the aforesaid payment and performance bonds in the public records of Broward County, with the Contractor to pay all recording costs.

7. RETURN OF BID SECURITY: Within 14 business days after award of the bid or Contract, the City will return the bid securities accompanying the bids not considered in making the award. 9. SUBMISSION OF BIDS: Refer to **NOTICE INVITING BIDS**.

10. DISCREPANCIES IN BIDS: In the event there is more than one bid item in a bidding schedule, the bidder shall furnish a price for all bid items in the schedule, and failure to do so will render the

bid non-responsive and may cause its rejection. In the event there are unit price bid items in a bidding schedule and the "amount" indicated for a unit price bid item does not equal the product of the unit price and quantity, the unit price shall govern and the amount will be corrected accordingly, and the Contractor shall be bound by said correction. In the event there is more than one bid item in the bidding schedule and the total indicated for the schedule does not agree with the sum of the prices bid on the individual items, the prices bid on the individual items shall govern and the total for the schedule will be corrected accordingly, and the Contractor shall be bound by said correction.

11. **QUANTITIES OF WORK:** The quantities of Work or materials stated in unit price items of the bid are supplied only to give an indication of the general scope of the Work; the City does not expressly or by implication agree that the actual amount of Work or material will correspond therewith, and reserves the right after award to increase or decrease the amount of any unit price item of the Work by an amount up to and including 25 percent of any bid item, without a change in the unit price, and shall include the right to delete any bid item in its entirety, or to add additional bid items up to and including an aggregate total amount not to exceed 25 percent of the Contract Price.
12. **WITHDRAWAL OF BID:** The bid may be withdrawn by the bidder by means of a written request, signed by the bidder or its properly authorized representative. Such written request must be delivered to the place stipulated in the **NOTICE INVITING BIDS** for receipt of bids prior to the scheduled closing time for receipt of bids.
13. **MODIFICATIONS AND UNAUTHORIZED ALTERNATIVE BIDS:** Unauthorized conditions, limitations, or provisos attached to the bid will render it informal and may cause its rejection as being non-responsive. The completed bid forms shall be without interlineations, alterations, or erasure in the printed text. Alternative bids will not be considered unless called for. Oral, telegraphic, telephonic, faxed or electronically transmitted bid or modifications will not be considered.
14. **OR EQUAL: (Unless otherwise specified in the Bid Documents)** Manufacturer's name, brand name and model number are used in these specifications for the sole purpose of establishing minimum requirements of level of quality, standards of performance and design required and is in no way intended to prohibit the bidding of other manufacturer's items of equal material. Equal may be bid providing units bid are equal to or exceed the quality, standards of performance, design, etc. to the item specified.

Where equal is bid, proposals must be accompanied with factory information sheets (specifications, brochures, etc.) of unit bid as equal. The City shall be the sole judge of equality and our decision will be final in the City's best interest.

Any equipment delivered under this proposal will be new, the manufacturer's latest model, and carry the standard factory warranty.

15. **AWARD OF BID/CONTRACT:** Award of a bid/contract, if it be awarded, will be made to the bid which is deemed to be in the best interest of the City of Margate as determined in the sole discretion of the City. Unless otherwise specified, any such award will be made within the period stated in the **NOTICE INVITING BIDS** that the bids are to remain open. Unless otherwise indicated, a single award will be made for all the bid items in an individual bidding schedule. In the event the Work is contained in more than one bidding schedule, the City may award schedules individually or in combination. In the case of two (2) bidding schedules which are alternative to each other, only one (1) of such alternative schedule will be awarded. The City reserves the right to accept or reject any or all bids/parts of bids, to waive informalities in any bid, or to take any other action that is deemed to be in the best interest of the City.
16. **EXECUTION OF AGREEMENT:** The bidder to whom award is made shall execute a written agreement on the form of agreement provided, or by accepting City's purchase order and shall secure all insurance, and furnish all certificates and bonds required by the Bid Documents within

ten (10) calendar days after receipt of the agreement forms or purchase order from the City. Failure or refusal to enter into an agreement or accept City's purchase order as herein provided or to conform to any stipulated requirements in connection therewith shall be just cause for annulment of the award and forfeiture of the Bid Security. The contract attached as part of this bid document is in substantially executable form. City does not intend to allow or accept modifications to the general format. If the bidder who has been awarded the bid pursuant to Paragraph 15 refuses or fails to execute the agreement, the City may award the Contract to whichever bidder it determines next best serves its interest. On the failure or refusal of such second or third bidder (who was awarded the contract) to execute the agreement, each such bidder's bid security shall be likewise forfeited to the City.

The contract will be awarded to the lowest responsive and responsible bidder that meets all requirements outlined in this BID, including demonstrated experience and full compliance with all applicable local, state, and federal regulations.

SCOPE OF WORK

This RFP covers services for lime-stabilized sludge generated at the City’s Water Treatment Plant (lime softening facility). The City will load lime sludge directly into trailers provided by the contractor and parked on-site.

The contractor shall provide all labor, equipment (trailers and transportation trucks), supervision, transportation, environmental fees, and permits necessary to:

- Haul and dispose of lime sludge at an approved disposal or beneficial reuse site.
- Supply a minimum of two (2) trailers to remain on-site at all times. City personnel will reposition and load the trailers using City-owned equipment.
- Provide an alternative disposal site to avoid disrupting normal disposal activities.
- Accept and haul non-hazardous lime sludge provided by the City.
- If an alternative disposal site is required, the City will pay the contractor a mutually agreed price to haul to the contractor’s permitted land application site, facility, or landfill.

Operating Hours and Frequency:

- The plant operates 24 hours a day, 7 days a week.
- The contractor must be available to service the site (5) five days a week, Monday thru Friday between 7:30 a.m. and 4:00 p.m. at the regular rates.
- The anticipated pickup schedule is Monday through Thursday, between 7:30 a.m. and 4:00 p.m.
- Any schedule changes may be communicated by phone or in writing with at least 48 hours notice.
- The contractor shall haul a minimum of 10 loads per week, Monday through Thursday, excluding City-observed holidays.
- Typical demand ranges from two (2) to three (3) trailer loads per day, based on production.

INSURANCE REQUIREMENTS

The contractor shall maintain the following insurance coverage:

- Commercial General Liability: \$2,000,000 per occurrence.
- Automobile Liability: \$1,000,000 combined single limit.
- Environmental/Pollution Liability: \$1,000,000 per occurrence.
- Workers' Compensation: Statutory limits.

The City of Margate must be named as Additional Insured on all applicable policies. Proof of insurance shall be provided prior to commencing work.

BID SUBMISSION REQUIREMENTS

Each proposal must include:

- A completed Schedule of Bid Prices, with pricing for hauling and disposal only (per cubic yard and per load).
- Emergency rate pricing for service requests made for a weekend (Saturday or Sunday) or requests made with less than 48 hours' notice and requiring a response within 24 hours.
- Proof of qualifications and relevant experience, including at least two (2) references from municipal or industrial clients.
- Certificates of insurance or a letter of intent from your insurer.
- Copies of any applicable state or federal licenses/certifications for lime sludge hauling and disposal.
- Bid Bond will be based on an annual average of 10,400 cubic yards

PRICE ADJUSTMENTS

All pricing submitted in response to this BID shall remain firm and fixed for the initial term of the contract. For renewal periods or during the contract term, the contractor may request one (1) price adjustment per year, subject to the following conditions:

- Requests must be submitted in writing at least 60 days prior to the requested effective date.
- Adjustments must be supported by verifiable documentation, such as disposal fee increases, fuel cost changes (e.g., fuel index data), or new regulatory requirements.
- Increases shall not exceed the annual change in the Consumer Price Index (CPI) for All Urban Consumers, U.S. City Average – Water, Sewer, and Trash Collection Services, or another mutually agreed index.

If fuel prices or operating costs decrease significantly, the contractor must provide documentation, and the City reserves the right to require a corresponding reduction in price.

All price adjustments are subject to review and approval by the City. The City reserves the right to reject any price increase it deems unreasonable and, if necessary, terminate the contract.

VOLUME-TO-WEIGHT CONVERSION

The City of Margate's lime-stabilized sludge is typically loaded at approximately 20 cubic yards per one trailer. Contractors are encouraged to provide certified weight tickets from the disposal facility or an approved certified scale with each invoice. If weight documentation is not available, the City reserves the right to calculate payment based on the estimated conversion rate (1 load $\approx$ 20 cubic yards). This approach ensures consistency in billing while maintaining flexibility when certified weight data is not feasible.

EVALUATION AND AWARD

The City will award the contract to the lowest responsive and responsible bidder whose proposal best meets the requirements outlined herein.

The City reserves the right to:

- Reject any or all proposals.
- Waive minor informalities.
- Award the contract in the best interest of the City.

LEGAL AND COMPLIANCE

The contractor must comply with all applicable local, state, and federal regulations regarding the handling, hauling, and disposal of lime sludge.

The selected contractor must be enrolled in E-Verify and shall submit a Contractor Affidavit of Compliance prior to contract execution.

QUESTIONS & OPTIONAL SITE VISIT

Questions regarding this BID must be submitted in writing, questions received less than 7 days prior to Bid opening may not be answered.

Following the pre-Bid meeting there will be an optional site visit at the City of Margate Water Treatment Plant, 901 NW 66 Avenue, Margate, FL 33063, on Tuesday, August 5, 2025. Attendance is encouraged but not mandatory.
