- 1. DEFINED TERMS:** Terms used in these Instructions to Bidders and the Notice Inviting Bids which are defined in the General Conditions, have the meaning assigned to them in the General Conditions. The term “bidder” means one who submits a bid directly to City, as distinct from a sub-bidder, who submits a bid to a bidder.
- 2. COMPETENCY OF BIDDER:** In selecting the bid which best meets the interests of the City, consideration will be given not only to the financial standing, but also to the general competency of the bidder for the performance of the Work covered by the bid. To this end, each bid shall be supported by a statement of the bidder’s experience as of recent date on the form entitled “**Reference Sheet**” herein. A “NO BID” for the Work will be accepted from a contractor who does not hold a valid contractor’s license in the State and County where the Work is to be performed (if required by State or County) applicable to the type of Work bid upon at the time of opening bids.
- 3. DISQUALIFICATION OF BIDDER:** More than one bid from an individual firm, partnership, corporation, or association under the same or different names will not be considered. If the City believes that any bidder is interested in more than one bid for the Work contemplated, all bids in which such bidder is interested will be rejected. If the City believes that collusion exists among the bidders, all bids will be rejected.
- 4. BIDDER’S EXAMINATION OF BID DOCUMENTS AND SITE:**
 - 4.1** It is the responsibility of each bidder before submitting a bid, to:
 - (a) Examine the Bid Documents thoroughly,
 - (b) Visit the site to become familiar with local conditions that may affect cost, progress, or performance of Work,

 - (d) Study and carefully correlate the bidder’s observations with the Bid Documents, and,
 - (e) Notify the City or the City’s Representative of all conflicts, errors, or discrepancies in the Bid Documents.
 - 4.2** Information and data reflected in the Bid Documents with respect to underground utilities at or contiguous to the site is based upon information and data furnished to the City or the City’s Representative by the owners of such underground utilities or others, and the City does not assume responsibility for the accuracy or completeness thereof unless it is expressly provided otherwise in the Agreement or Bid Documents.
 - 4.3** Provisions concerning responsibilities for the adequacy of data furnished to prospective bidders on subsurface conditions, underground utilities and other physical conditions, and possible changes in the Bid Documents due to differing conditions appear in the Agreement.

4.4 Before submitting a bid, each bidder will, at bidder's own expense, make or obtain any additional examinations, investigations, explorations, tests, and studies and obtain any additional information and data which pertain to the physical conditions (surface, sub-surface, and underground utilities) at or contiguous to the site or otherwise which may affect cost, progress of performance on the Work and which the bidder deems necessary to determine the bid for performing the Work in accordance with the time, price, and other terms and conditions of the Bid Documents.

4.5 On request in advance, the City will provide each bidder access to the site to conduct such explorations and tests as each bidder deems necessary for submission of a bid. Bidder shall fill all holes and shall clean up and restore the site to its former condition upon completion of such explorations.

All additional land and access thereto required for temporary construction facilities or storage of materials and equipment are to be provided by the Contractor. Easements for permanent structures or permanent changes in existing structures are to be obtained and paid for by the City unless otherwise provided in the Bid Documents.

4.7 The submission of a bid will constitute an incontrovertible representation by the bidder that the bidder has complied with every requirement of "Bidders Examination of Bid Documents and Site" contained herein, that without exception the bid is premised upon performing the Work required by the Bid Documents and such means, methods, techniques, sequences or procedures as may be indicated in or required by the Bid Documents, and that the Bid Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance of the Work.

5. INTERPRETATIONS: All questions about the meaning or intent of the Bid Documents are to be directed to the City or the City's Representative in writing. Interpretations or clarifications considered necessary in response to such questions will be issued by written Addenda to all parties recorded by the City or the City's Representative as having received the Bid Documents. Questions received less than seven (7) days prior to the date for opening of bids may not be answered. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect. It is the Contractor's responsibility to contact the City prior to the bid opening to determine if any addenda have been issued on the project.

6. BID SECURITY, BONDS: Each bid (if required) shall be accompanied by a certified or cashier's check or approved Bid Bond in the amount stated in the Bid Documents. Said check or bond shall be made payable to the City and shall be given as guarantee that the bidder, if awarded the bid will enter into an Agreement with the City, and shall furnish the necessary insurance certificates, payment and performance Bonds (if required), each of said bonds to be in the amount stated in the Bid Documents or Agreement. In the event there are unit price bid items in a bidding schedule and the "amount" indicated for a unit price bid item does not equal the product of the unit price and quantity, the unit price shall govern and the amount will be corrected accordingly, and the Contractor shall be bound by said correction. In the event there is more than one bid item in the bidding schedule and the total indicated for the schedule does not agree with the sum of the prices bid on the individual items, the prices bid on the individual items shall govern and the total for the schedule will be corrected accordingly, and the Contractor shall be bound by said correction.

- 13. MODIFICATIONS AND UNAUTHORIZED ALTERNATIVE BIDS:** Unauthorized conditions, limitations, or provisos attached to the bid will render it informal and may cause its rejection as being non-responsive. The completed bid forms shall be without interlineations, alterations or erasure in the printed text. Alternative bids will not be

considered unless called for. Oral, telegraphic, telephonic, faxed or electronically transmitted bid or modifications will not be considered.

- 14. Where equal is bid, proposals must be accompanied with factory information sheets (specifications, brochures, etc.) of unit bid as equal. The City shall be the sole judge of equality and our decision will be final in the City's best interest.

Any equipment delivered under this proposal will be new, the manufacturer's latest model, and carry the standard factory warranty.

Unless otherwise indicated, a single award will be made for all the bid items in an individual bidding schedule. In the event the Work is contained in more than one bidding schedule, the City may award schedules individually or in combination. In the case of two (2) bidding schedules which are alternative to each other, only one (1) of such alternative schedule will be awarded. Failure or refusal to enter into an agreement or accept City's purchase order as herein provided or to conform to any stipulated requirements in connection therewith shall be just cause for annulment of the award and forfeiture of the Bid Security. If the bidder who has been awarded the bid pursuant to Paragraph 15 refuses or fails to execute the agreement, the City may award the Contract to whichever bidder it determines next best serves its interest. On the failure or refusal of such second or third bidder (who was awarded the contract) to execute the agreement, each such bidder's bid security shall be likewise forfeited to the City.

PART II: SAMPLE CONTRACT

CONTRACT

THIS CONTRACT, made and entered into this ____ day of _____, 2018, by and between:

CITY OF MARGATE, FLORIDA, a municipal corporation organized and existing under the laws of the State of Florida, 5790 Margate Blvd., Margate, Florida, 33063, (hereinafter referred to as "CITY"); and _____ (hereinafter referred to as "CONTRACTOR").

W I T N E S S E T H:

ARTICLE 2

SCOPE OF THE WORK

CONTRACTOR shall furnish all of the labor, materials, equipment, transportation, supplies and services necessary to perform all of the work required by the Contract Documents for:

**BID NO. 2018-015 GENERATOR ENCLOSURE REPLACEMENT
(CORAL GATE)
BID # 2018-015**

ARTICLE 3

CONTRACT TIME

TIME IS OF THE ESSENCE OF THIS CONTRACT. The work to be performed under this Contract shall be commenced upon the date of Contract Commencement specified in the Notice to Proceed and subject to authorized adjustments shall be totally complete and ready for final payment within 30 days from the date of Contract Commencement. Failure to achieve timely final completion shall be regarded as a breach of this Contract and subject to appropriate remedies including but not limited to liability for liquidated damages in accordance with this Article.

Upon failure of the CONTRACTOR to complete the WORK within the time specified for completion, (plus approved extensions if any) CONTRACTOR shall pay to CITY the sum of five hundred and xx/100 dollars (\$500.00) for each calendar day that the substantial or final completion of the WORK is delayed beyond the time specified in the Contract for completion, as fixed and agreed liquidated damages and not as a penalty. Liquidated damages are hereby fixed and agreed upon between the parties, recognizing the impossibility of precisely ascertaining the amount of damages that will be sustained by CITY as a consequence of such delay and both parties desiring to obviate any question of dispute concerning the amount of said damages and the cost and effect of the failure of CONTRACTOR to complete the Contract on time. Regardless of whether or not a single Contract is involved, the above-stated liquidated damages shall apply separately to each portion of the WORK for which a time of completion is given. CITY shall have the right to deduct from and retain out of moneys which may be then due or which may become due and payable to CONTRACTOR, the amount of such liquidated damages and if the amount retained by CITY is insufficient to pay in full such liquidated damages, the CONTRACTOR shall pay in full such liquidated damages. CONTRACTOR shall be responsible for reimbursing CITY, in addition to liquidated damages or other per day damages for delay, for all costs of engineering, and inspection and other costs incurred in administering the

construction of the Project beyond the completion date specified or beyond an approved extension of time granted to CONTRACTOR whichever is later.

ARTICLE 4

CONTRACT SUM

1. THIS IS A LUMP SUM CONTRACT. CITY shall pay to CONTRACTOR the amount of \$ _____ upon its determination that the project has been completed.
2. Payment shall be made at the Contract lump sum price. This price shall be full compensation for all costs associated with completion of all the work in full conformity with the requirements as stated or shown, or both in the Contract Documents.

ARTICLE 5

PAYMENT

1. The CONTRACTOR shall requisition payment for work completed. Payment shall be made as above provided upon full completion of the job as determined by CITY together with properly executed releases of liens by all subcontractors, suppliers and materialmen as may be required by CITY. CITY shall make payment to CONTRACTOR within 30 calendar days after its approval.
2. CITY may withhold in whole or in part, payment to such extent as may be necessary to protect itself from loss on account of:
 - a. Defective work not remedied.
 - b. Claims filed or unreasonable evidence indicating the probable filing of claims by other parties against the CONTRACTOR.
 - c. Failure of the CONTRACTOR to make payment to subcontractors or suppliers for materials or labor.
 - d. Damage to the CITY or to another contractor not remedied.
 - e. Reasonable evidence that the work cannot be completed for the unpaid balance of the Contract time

- f. Reasonable evidence that the work will not be completed within the Contract Time.
- g. Persistent failure to carry out the work in accordance with the Contract documents.

When the above grounds are removed or resolved or the CONTRACTOR provides a surety bond or a consent of surety satisfactory to the CITY which will protect the CITY in the amount withheld, payment may be made in whole or in part.

ARTICLE 6

FINAL PAYMENT

Final payment, constituting the entire unpaid balance of the Contract Sum, shall be paid by the CITY to the CONTRACTOR when all outstanding work has been completed and all controversy regarding the preceding has been settled to the CITY'S satisfaction.

ARTICLE 7

4. CONTRACTOR shall not assign or transfer the Contract or its rights, title or interests therein without CITY'S prior written approval. The obligations undertaken by CONTRACTOR pursuant to the Contract shall not be delegated or assigned to any other person or firm unless CITY shall first consent in writing to the assignment. Violation of the terms of this Paragraph shall constitute a breach of Contract by CONTRACTOR and the CITY may, at its discretion, cancel the Contract and all rights, title and interest of

CONTRACTOR shall thereupon cease and terminate.

5. This agreement, and attachments, represents the entire understanding of the parties as to the matters contained herein. No prior oral or written understanding shall be of any force and effect with respect to those matters covered hereunder. This agreement may only be modified by amendment in writing signed by each party.

6. CITY AND CONTRACTOR HEREBY KNOWINGLY, IRREVOCABLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT EITHER MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY ACTION, PROCEEDING, LAWSUIT OR COUNTERCLAIM BASED UPON THE CONTRACT, ARISING OUT OF, UNDER, OR IN CONNECTION WITH THE CONSTRUCTION OF THE WORK, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR THE ACTIONS OR INACTIONS OF ANY PARTY.
