SUBJECT: Donation to Broward Victim's Rights Coalition

We are requesting \$2,000.00 be donated to Broward Victim's Rights Coalition which is a non-profit organization and is a permissible entity to receive the donated funds. This is an organization that has a close working relationship with the Margate Police Department.

The organization directly assists the Margate Police Department by providing Margate victims financial assistance when no other funds are available. The coalition is the only type of urgent funding available to all victims of Broward County and is a fund that is often utilized for Margate victims. This funding is utilized to provide emergency shelter and victim service programs for domestic violence victims and their families.

Attached is the W-9 form and back up information regarding Broward Victim's Rights Coalition.

I request that the City Commission appropriate these funds for its intended purpose to the Broward Victim's Rights Coalition.

Chief Galaska,

Broward Victim's Rights Coalition, a 501c3 charitable organization, is requesting a donation from the City of Margate Law Enforcement Trust Fund (LETf). Broward Victim's Rights Coalition understands and acknowledges that these LETf monies are governed by Florida State Statute 932.7055 and can only be expended on very specific and identifiable items or services and include crime prevention, safe neighborhood initiatives, drug abuse education and drug prevention programs.

Broward Victim's Rights Coalition further recognizes the need to maintain proper accountability and transparency when expending LETf monies and therefore agrees to submit any requested documentation attesting to the expenditure of these funds on the item/services as outlined in Florida State Statute 932.7055 by the agency providing these funds.

Thank you for your consideration and Broward Victim's Rights Coalition looks forward to working closely with the Margate Police Department in the future.

Sincerely,
