MR. RYDELL confirmed that the City would not have to do that again.

ROB REINER, 110 EAST PALM DRIVE, questioned whether the owner would be willing to offer Margate resident generous discounts.

COMMISSIONER RUZZANO hoped that the applicant would continue to do something for the homeless, as well as continuing to grant passes for the City's Athletes of the Month and Students of the Month and questioned if there was anything the applicant could do

for Margate residents. He also requested if they could give some passes to School Resource Officer (SRO) Careccia.

MR. RYDELL confirmed that his applicant was always committed to the Students and that they could pick a 'Margate Day' with a buy one get one free (BOGO). He explained that the applicant had moved away from issuing paper tickets which were now digitalized.

MS. SANCHEZ indicated that most of her concerns had been addressed. She questioned why they allowed one person to break all the codes and referenced times, more dates or less money.

MS. BREZINA thanked Mr. Bass and Mr. Rydell for providing tickets for homeless children at the last Fair. She expressed that the applicant should be shown some grace as he did a lot for the community.

COMMISSIONER CAGGIANO highlighted that the applicant provided over \$8,000 worth of tickets to the homeless which did not include the Students or other complimentary tickets and thought what he did was tremendous for the community. He also did not have a problem with the extra hour and questioned the Chief of Police Palma and Fire Chief Lorenzo of how many incidents occurred in the last two Carnivals where the Police or Fire Departments were involved.

CHIEF OF POLICE, MICHAEL PALMA, was unable to provide a definitive number but did not believe there were many serious incidents.

FIRE CHIEF, ROBERTO LORENZO, did not have the data to hand and said that he would have been notified of any serious incidents but there was no major increase in call volume.

She also thanked Commissioner Simone, who she said, genuinely cared about the welfare of animals. She thanked Mr. Rydell for always having a spirited conversation.

COMMISSIONER RUZZANO addressed Commissioner Lazarow's comments on animals.

COMMISSIONER CAGGIANO concurred with Commissioner Ruzzano's response pertaining to Commissioner Lazarow's comments.

MAYOR SCHWARTZ questioned if Mr. Rydell could elaborate on a "Margate Day."

MR. RYDELL had spoken to his client to do BOGO for the first Monday as a "Margate Day" for all City residents regardless of age but they would need to provide proof of address.

COMMISSIONER SIMONE questioned if the Noise Ordinance would be in effect with no loud speakers after 10:00pm.

CITY ATTORNEY TOLCES informed that their Ordinance was always in effect and he was not aware of any specific waivers being granted.

Discussion ensued.

MR. RYDELL said traditionally by the property and the hours, his understanding was that the Noise Ordinance would not apply but Mr. Bast was being a 'good neighbor' who had always shut down the music and amplifying devices or things of that nature whilst the Fair was still operating.

Discussion ensued on the Noise Ordinance and the days when the Fair operated late hours.

CITY ATTORNEY TOLCES repeated that he was not aware of a waiver of any Noise Ordinance provisions as a result of Mr. Rydell's approval of a temporary use permit and explained that nor could the CRA board waive any provision of the same. He believed that the City would still be within its rights to enforce provisions of the Noise Ordinance and he would work with the applicant to ensure that they were in compliance. He asked for an amendment to be made for the "Margate Monday."

Discussion ensued on whether a bond should be posted.

A motion to amend was made by Commissioner Simone, seconded by Mayor Schwartz, to add Margate Monday "Buy One Get One Free (BOGO)" and to provide for a \$200,000 bond.
