BROWARD COUNTY PROPERTY APPRAISER (BCPA) MARTY KIAR thanked the City and staff for the great service they provided to the people of Margate. He explained the functions of their office which included determining the value of every piece of property in Broward County (BC) for tax purposes and advised on tax exemptions for those that qualified. He informed Margate residents to go onto BCPA.net to review the value of their property and if they had any concerns, to make contact. He also highlighted the property value increase in Margate and advised that South Florida was the title fraud property of the world and discussed cracking down on the same.

MAYOR ANTHONY N. CAGGIANO sought an explanation on why the people who did the record keeping were not there to justify the paperwork in reference to property fraud.
