**Dear Margate CRA Board Members,**

Relay for Life events are life-changing cancer fundraising events that help communities across the globe fight back against cancer. Relay for Life of Coconut Creek/Margate is organizing what we hope to be the 1<sup>st</sup> Annual Cars for a Cure Car & Craft Show on December 3, 2016.

Cars For A Cure Car & Craft Show event staff have been working hard for the past 3½ months to create a plan for making this event a success. **Ted Vernon, of Ted Vernon Specialty Autos, Inc. in Miami, FL (star of South Beach Classics on the Velocity Channel)** has agreed to participate with the event and will be a judge for the car show.

It is now time to reach out and ask for the support of the community to make this event a true success. As this event is being organized and run **100% by volunteers**, we are in need of sponsors to cover actual costs of the event (i.e. printing, signage, permits, land use fees, stage rental, etc.) with "In Kind" donations, as well as to raise money in our fight for a cure.

We are asking the Margate CRA to partner with us as a Category Sponsor with an "In Kind" donation by waiving the fees associated with the land use and stage fees for the event. The City of Margate CRA will receive all benefits outlined on the sponsor form.

We have a fun filled day for the entire family planned with a car show, craft vendors, food, businesses and misc. vendors supporting the fight for a cure, possible games, raffle/silent auction, entertainment and possibly even a guest appearance from Santa.

Thank you for your participation in Cars For A Cure and we look forward to partnering with you. Together we can help fund the cure for cancer.
