Our process

Cooperative purchasing connects buyers and sellers for efficiency and savings.

Our user-friendly process—the consistency of our documents, forms, and evaluation criteria—is among our greatest assets.

We continuously refine our efforts to meet the changing needs of our members. They value our North American competitive procurement process which satisfies local procurements. requirements.

Our members add value to these steps by understanding their local procurement requirements and assessing their ability to legally access and utilize Sourcewell contracts.

Competitive procurement process

1. Scope of solicitation

We determine the scope of each competitive solicitation by identifying the needs of our members. This is accomplished through daily interactions and guidance from our members.

2. Authorization from Sourcewell Board of Directors

Before initiating a solicitation, we seek permission from the publicly elected Sourcewell Board of Directors.

3. Public notice and advertising

Upon approval from the Board, we issue a public notice and advertisement. Refer to www.sourcewell-mn.gov/process for specific advertising locations.

4. Proposal receipt and opening

We time and date stamp each proposal upon receipt at our office in Staples, MN. We conduct a public-proposal opening at a time, date, and place specified in the RFP. For Sourcewell solicitations published after March 31, 2019, we accept web-based, digital submissions through the Sourcewell Procurement Portal. Responses through the portal are secure and inaccessible until after the published due date and time.

5. Objective evaluation

At the proposal opening, we evaluate the responsiveness of each proposal received. The evaluation committee then presents its recommendations to the chief procurement officer (CPO) for final review and approval.

6. Official award

Upon approval by the CPO and ratification by the Sourcewell Board of Directors, we award the recommended vendor(s) a four-year contract with the potential for a one-year extension. The Procurement Department sends a Notice of Award or Non-Award to all respondents via email.

7. Posting and review of approved contract documents

Sourcewell maintains a complete procurement file, and contract documentation is posted on our website. We periodically review all awarded contracts for compliance and effectiveness. In addition, Sourcewell may review and approve price and product changes at the vendor's request.
