Greetings Jim,

Maybe You forgot back on March 20-2025, I spoke to you about the situation We are facing with our new location renovation << I told you due to delays with Tamarac City We are so backed up with works, We wouldn't be able to move out in the month of June
<< Then I told you We have predicted to be done by August or October, << You said you speak to CRA and let us know. Maybe you forgot to get back me I didn't hear from you

Unfortunately We are still working on the new location << City Tamara is so low in the process
