The term “bidder” means one who submits a bid directly to City, as distinguished from a sub-bidder, who submits a bid to a bidder.
2. **COMPETENCY OF BIDDER:** In selecting the bid which best meets the interests of the City, consideration will be given not only to the financial standing, but also to the general competency of the bidder for the performance of the Work covered by the bid. To this end, each bid shall be supported by a statement of the bidder’s experience as of recent date on the form entitled “**Reference Sheet**” herein. A “NO BID” for the Work will be accepted from a contractor who does not hold a valid contractor’s license in the State and County where the Work is to be performed (if required by State or County) applicable to the type of Work bid upon at the time of opening bids.
3. **DISQUALIFICATION OF BIDDER:** More than one bid from an individual firm, partnership, corporation, or association under the same or different names will not be considered.  - 4.1 It is the responsibility of each bidder before submitting a bid, to:
 - (a) Examine the Bid Documents thoroughly,
 - (b) Visit the site to become familiar with local conditions that may affect cost, progress, or performance of Work,

 - 4.3 Provisions concerning responsibilities for the adequacy of data furnished to prospective bidders on subsurface conditions, underground utilities, and other physical conditions, and possible changes in the Bid Documents due to differing conditions appear in the Agreement.
 - 4.4 Before submitting a bid, each bidder will, at bidder’s own expense, make or obtain any additional examinations, investigations, explorations, tests, and studies and obtain any additional information and data which pertain to the physical conditions (surface, sub-surface, and underground utilities) at or contiguous to the site or otherwise which may affect cost, progress of performance on the Work and which the bidder deems necessary to determine the bid for performing the Work in accordance with the time, price, and other terms and conditions of the Bid Documents.

Questions received less than seven (7) calendar days prior to the date for opening of bids may not be answered. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect. - 10. DISCREPANCIES IN BIDS:** In the event there is more than one bid item in a bidding schedule, the bidder shall furnish a price for all bid items in the schedule, and failure to do so will render the bid non-responsive and may cause its rejection. In the event there are unit price bid items in a bidding schedule and the "amount" indicated for a unit price bid item does not equal the product of the unit price and quantity, the unit price shall govern and the amount will be corrected accordingly, and the Contractor shall be bound by said correction. 13. **MODIFICATIONS AND UNAUTHORIZED ALTERNATIVE BIDS:** Unauthorized conditions, limitations, or provisos attached to the bid will render it informal and may cause its rejection as being non-responsive. The completed bid forms shall be without interlineations, alterations, or erasure in the printed text. Alternative bids will not be considered unless called for. Oral, telegraphic, telephonic, faxed or electronically transmitted bid or modifications will not be considered.
14. **OR EQUAL: (Unless otherwise specified in the Bid Documents)** Manufacturer's name, brand name and model number are used in these specifications for the sole purpose of establishing minimum requirements of level of quality, standards of performance and design required and is in no way intended to prohibit the bidding of other manufacturer's items of equal material. Equal may be bid providing units bid are equal to or exceed the quality, standards of performance, design, etc. to the item specified.

Where equal is bid, proposals must be accompanied with factory information sheets (specifications, brochures, etc.) of unit bid as equal. The City shall be the sole judge of equality, and our decision will be final in the City's best interest.

Any equipment delivered under this proposal will be new, the manufacturer's latest model, and carry the standard factory warranty.

15. **AWARD OF BID/CONTRACT:** Award of a bid/contract, if it be awarded, will be made to the bid which is deemed to be in the best interest of the City of Margate as determined in the sole discretion of the City. Unless otherwise specified, any such award will be made within the period stated in the **NOTICE INVITING BIDS** that the bids are to remain open. Unless otherwise indicated, a single award will be made for all the bid items in an individual bidding schedule. In the event the Work is contained in more than one bidding schedule, the City may award schedules individually or in combination. In the case of two (2) bidding schedules which are alternative to each other, only one (1) of such alternative schedule will be awarded. The City reserves the right to accept or reject any or all bids/parts of bids, to waive informalities in any bid, or to take any other action that is deemed to be in the best interest of the City.

Failure or refusal to enter into an agreement or accept City's purchase order as herein provided or to conform to any stipulated requirements in connection therewith shall be just cause for annulment of the award and forfeiture of the Bid Security. The contract attached as part of this bid document is in substantially executable form. City does not intend to allow or accept modifications to the general format. If the bidder who has been awarded the bid pursuant to Paragraph 15 refuses or fails to execute the agreement, the City may award the Contract to whichever bidder it determines next best serves its interest.
