B. GENERAL DESCRIPTION

1. General Statement

The Emergency Home Energy Assistance for the Elderly Program (EHEAP) serves the mission of the Department of Elder Affairs by providing home energy assistance aid to elders in the event of a home energy heating or cooling emergency. EHEAP is designed to assist low-income households with at least one member aged sixty (60) or older experiencing a heating or cooling emergency.

2. Authority

The relevant federal and state authorities governing EHEAP are:

- a. Low Income Home Energy Assistance Act of 1981 (Title XXVI of the Omnibus Budget Reconciliation Act of 1981, P.L. 97-35), as amended;
- b. 42 United States Code (U.S.C.) § 8621 et seq.;
- c. 45 Code of Federal Regulations (CFR) Part 96, Subpart H (§§ 96.80-96.89);
- d. Section 409.508, Florida Statutes (F.S.) and Rule 73C-26.021(3), Florida Administrative Code (F.A.C.);
- e. Rule Chapter 73C-26, F.A.C.;
- f. State of Florida LIHEAP Policies and Procedures Manual; and
- g. LIHEAP State Plan.

3. Scope of Service

The Contractor is responsible for the programmatic, fiscal, and operational management of EHEAP. Eligible households may be provided with more than one benefit (across multiple EHEAP funding contracts within a 12-month crisis benefit cycle), totaling no more than \$2,000.00. The minimum number of individuals to be served crisis energy assistance may reflect duplicated consumers if a consumer receives multiple benefits. The period for the benefit is the cumulative of services provided from October 1, 2024 to September 30, 2025 and then October 1, 2025 to September 30, 2026.

- a. The services provided under this Contract shall be in a manner consistent with and described in Attachment I, Section II. Manner of Service Provision. The Contractor shall ensure the following service tasks are completed:
 - (1) Consumer Outreach;
 - (2) Elder's Benefit Eligibility Determination; and
 - (3) Benefit Disbursement.

4. Major Program Goals

EHEAP is designed to provide crisis assistance to eligible low-income households with at least one individual aged sixty (60) or older experiencing a heating or cooling emergency.

a. Standard Crisis

A standard home cooling or heating crisis exists when an elder has no access to, or is in danger of losing access to, needed home energy because one or more of the following

conditions is present:

- (1) The elder has been notified that the energy source for cooling or heating is going to be disconnected;
- (2) The elder has received a notice indicating the energy source is delinquent or past due; and/or
- (3) The elder has an energy bill for which the due date has lapsed;

b. Life-Threatening Crisis

A life-threatening home cooling or heating crisis exists if one of the following conditions is present:

- (1) The elder's home cooling or heating energy source has been disconnected;
- (2) The elder is unable to get delivery of fuel for heating, is out of fuel for heating, or is in danger of being out of fuel for heating; or
- (3) The elder has other problems with lack of cooling or heating in the home, such as needing to pay a deposit, needing a repair of heating or cooling equipment, or needing an interim emergency measure to avoid further crisis.

c. Crisis Assistance

Allowable categories for crisis assistance are:

- (1) Utility payments for heating/cooling bill assistance for electric, gas, propane, wood, coal, or refillable fuels;
- (2) Temporary emergency shelter (if needed due to energy-related crisis);
- (3) Payment to landlords (when utility costs are included in rent);
- (4) Deposits to connect or restore energy;
- (5) Late fees, disconnect fees, and reconnect fees;
- (6) Charges from a previous account held by the applicant that is now closed;
- (7) Blankets and fans;
- (8) Taxes and fees associated with the client's utility bill towards the energy portion. In some cases, where the utility vendor combines all the other fees and taxes, which also includes non-home energy services, such taxes and fees can be paid with EHEAP funding.

Example: In a case where taxes for other services are commingled with taxes for home energy services, proceed with paying the taxes portion of the bill.

- (9) Other allowable payments are those related to the start-up of services, including reasonable connection or reconnection fees, delivery fees, deposits, and other fees related to the start-up of service.

C. CLIENTS TO BE SERVED

1. General Description

EHEAP provides for direct client services to elders in low-income households experiencing a home energy heating or cooling emergency. A household receiving EHEAP services may

not have an income above sixty percent (60%) of the current Florida State Median Income guideline for households of 1-to-8 members, nor exceed one hundred fifty percent (150%) of the Federal Poverty Level guideline for households of 9 members or more, as published by the United States Department of Health and Human Services, unless the household is determined categorically eligible.

2. Client Eligibility

To be eligible for services under this Contract, and to receive assistance, an elder must:

- a. Be aged sixty (60) or older;
- b. Reside in the EHEAP service area (Broward County) at the time the home energy costs were incurred;
- c. Complete and return an EHEAP application with all required information and verification to the Contractor, while funds remain available;
- d. Provide a fuel bill or other documentation evidencing an energy emergency and an obligation to pay for home energy costs for the home in which they live;
- e. Possess a total gross household income of not more than sixty percent (60%) of the current Florida State Median Income guideline for households of 1-to-8 members, nor exceed one hundred fifty percent (150%) of the Federal Poverty Level guideline for households of 9 members or more, in accordance with Section I.C.3.d. below, or be determined categorically eligible to receive EHEAP benefits;
- f. Be experiencing one or more verifiable home cooling or heating crises;
- g. Not be a resident of a group living facility or a home where the cost of residency is at least partially paid (or subsidized) through a foster care or residential program administered by the state;
- h. Not be a student living in a dormitory; and
- i. Legally reside in the State of Florida and must be a citizen of the United States, a permanent legal resident, or a qualified alien who is eligible for federal benefits.
- j. If anyone in the household is receiving Supplemental Security Income (SSI), SNAP, TANF, or a means-vested veterans' program, the household is considered to have met legal resident status and no further documentation is required.

3. Client Determination

The Contractor shall begin taking applications for EHEAP services upon execution of this Contract and continue taking applications until the contract expires or funds are exhausted. The Contractor shall not accept applications when funds are exhausted for a particular time period. The Contractor shall:

- a. Provide assistance to elders in completing DOEA-provided applications for assistance and determining eligibility;
- b. Ensure that no one is excluded from program participation on the grounds of race, color, national origin, sex, or age, and ensure that such persons shall not be subjected to discrimination under any activity funded in whole or in part with these funds;
- c. Treat homeowners and those who rent equitably under this Contract;
- d. Calculate the income eligibility of the elder by using the past thirty (30) days earnings for all occupants of the household annualized or the elder's current economic situation

and reference the current year Sources of Income (Attachment XV) to determine what is considered allowable income. The Contractor shall proceed as follows:

- (1) Total household income cannot exceed sixty percent (60%) of the current Florida State Median Income guideline for households 1-to-8 members, nor exceed one hundred fifty percent (150%) of the current Federal Poverty Income Guidelines for households of 9 members or more (Attachment XIII), unless the household is determined categorically eligible; and
 - (2) Obtain a written self-declaration from any household members aged eighteen (18) years or older claiming zero income. The self-declarations must be completed and signed by the household member who is claiming zero income.
- e. Determine if all or part of the elder's utility costs are paid directly (utility reimbursement) or indirectly (utility allowance) by the government if the elder lives in government-subsidized housing. The Contractor shall proceed as follows:
 - (1) If total home heating or cooling costs are included in the rent and the elder has no obligation to pay any portion of the costs, then the elder is not eligible for assistance; and
 - (2) If there is a Florida Section 8 (Housing Choice Voucher Program) or a Public Housing Authority (PHA) Program energy subsidy available to the elder during the period covered by the utility bill, then the elder is only eligible for partial assistance. The energy subsidy for the period covered by the utility bill must be subtracted from the allowable EHEAP benefit calculated for the household.
- f. Use program qualification approvals or notifications from TANF, SSI, or SNAP to document household size and income of elders, or to determine and document categorical eligibility to receive EHEAP benefits. The benefit level to be provided to elders receiving TANF, SSI, and SNAP shall be the same as that provided to other qualified elders;
- g. Obtain a signed statement of maintenance from the elder explaining how basic living expenses (i.e., food, shelter, and transportation) are being provided if the total household income is less than fifty percent (50%) of the current federal poverty guidelines and no one in the household is receiving SNAP;
- h. Ensure elders receive no more than one approved crisis assistance benefit during the cooling season, April 1 through September 30, and one approved crisis assistance benefit during the heating season, October 1 through March 31. The Contractor shall proceed as follows:
 - (1) Crisis assistance benefit may consist of payment of more than one energy obligation, for a household to resolve a single crisis, thus allowing for:
 - (i) The purchase or repair of fans, blankets, and/or portable heaters in addition to heating/cooling bill assistance, that combined does not exceed the maximum crisis; and
 - (ii) Crisis situations which may involve a heater or air conditioner that is powered by both gas and electricity, in which case both energy obligations are eligible for a crisis benefit payment that combined does not exceed the maximum crisis benefit.
 - (2) Water, sewer, garbage, and fire, etc. charges may not be paid;
 - (3) Deposits to connect or restore energy are allowable;

- (4) Late fees, disconnect fees, and reconnect fees are allowable;
 - (5) Charges from a previous account held by the elder that is now closed are allowable;
 - (6) Payment to landlord when utility costs are included in the elder's rent is allowable; and
 - (7) Payment for temporary emergency shelter is allowable if due to an energy-related crisis.
- i. In no case shall the Contractor be required to incur costs in excess of the full contract amount to provide services to the clients.

 8. Post appeal provisions in a prominent place and in plain view at all locations where EHEAP applications are received;
 9. Ensure all ineligible applicants and applicants denied crisis assistance, when EHEAP funds are not available or are insufficient to meet their emergency home energy needs, are referred to and assisted in securing help through other community resources;

If an employee asks for money, report this to the agency executive director or department head.";
 11. Compare LIHEAP records and EHEAP records for households with elderly members to avoid duplicate crisis assistance payment during the same eligibility period and maintain documentation sufficient to ensure compliance with this requirement;
 12. Maintain a written policy and implement procedures to protect and secure elder applicants' information and social security numbers in order to protect their identities from theft or fraud. - a. Communicating with DEO LIHEAP contractors in their respective service areas to prevent the duplication of benefits to elders. Additionally, the Contractor shall review LIHEAP and EHEAP records for households with elderly members to ensure that duplicate crisis assistance payments are not received during the same heating or cooling season;
 - b. Developing a new, or continuing an existing, Memorandum of Understanding (MOU) with the Weatherization Assistance Program (WAP) in Broward County. The MOU shall detail cooperative efforts and describe the actions that will be taken by either the Contractor or the Council and WAP agency to ensure coordination and referrals. Contractor, in coordination with the local WAP agency, shall develop a system by which elders who have received more than three EHEAP and LIHEAP benefits in the last eighteen (18) months and who are homeowners are referred to a WAP provider. The MOUs must be applicable to Contractor's current EHEAP program requirements and guidelines;

However, EHEAP does allow an exception with water that is used for air conditioning, i.e. an evaporated cooler;

ATTACHMENT V**INSTRUCTIONS FOR THE CIVIL RIGHTS COMPLIANCE CHECKLIST**

1. Describe the geographic service area such as a district, county, city, or other locality. If the program/facility serves a specific target population such as adolescents, describe the target population. Also, define the type of service provided.
2. Enter the percent of the population served by race, sex, disability, and over the age of 40. The population served includes persons in the geographical area for which services are provided such as a city, county or other regional area. Population statistics can be obtained from local chambers of commerce, libraries, or any publication from the 1980 Census containing Florida population statistics. Include the source of your population statistics. ("Other" races include Asian/Pacific Islanders and American Indian/Alaskan Natives.)
3. Enter the total number of full-time staff and their percent by race, sex, disability, and over the age of 40. Include the effective date of your summary.
4. Enter the total number of clients who are enrolled, registered or currently served by the program or facility, and list their percent by race, sex, disability, and over the age of 40. Include the date that enrollment was counted.
 - a. Where there is a significant variation between the race, sex, or ethnic composition of the clients and their availability in the population, the program/facility has the responsibility to determine the reasons for such variation and take whatever action may be necessary to correct any discrimination. Some legitimate disparities may exist when programs are sanctioned to serve target populations such as elderly or disabled persons.
5. Enter the total number of advisory board members and their percent by race, sex, disability, and over the age of 40. If there is no advisory or governing board, leave this section blank.
6. Each recipient of federal financial assistance must have on file an assurance that the program will be conducted in compliance with all nondiscriminatory provisions as required in 45 CFR Part 80. This is usually a standard part of the contract language for DOE A Recipients and their Sub-grantees. 45 CFR § 80.4(a).
7. Is the race, sex, and national origin of the staff reflective of the general population? For example, if 10% of the population is Hispanic, is there a comparable percentage of Hispanic staff?
8. Do eligibility requirements unlawfully exclude persons in protected groups from the provision of services or employment? Evidence of such may be indicated in staff and client representation (Questions 3 and 4) and also through on-site record analysis of persons who applied but were denied services or employment. 45 CFR § 80.3(a) and 45 CFR § 80.1.
9. Participants or clients must be provided services such as medical, nursing, and dental care, laboratory services, physical and recreational therapies, counseling, and social services without regard to race, sex, color, national origin, religion, age, or disability. Courtesy titles, appointment scheduling, and accuracy of record keeping must be applied uniformly and without regard to race, sex, color, national origin, religion, age, or disability. Entrances, waiting rooms, reception areas, restrooms, and other facilities must also be equally available to all clients. 45 CFR § 80.3(b).
10. For in-patient services, residents must be assigned to rooms, wards, etc., without regard to race, color, national origin, or disability. Also, residents must not be asked whether they are willing to share accommodations with persons of a different race, color, national origin, or disability. 45 CFR § 80.3(a).
11. The program/facility and all services must be accessible to participants and applicants, including those persons who may not speak English. In geographic areas where a significant population of non-English speaking people live, program accessibility may include the employment of bilingual staff. In other areas, it is sufficient to have a policy or plan for service, such as a current list of names and telephone numbers of bilingual individuals who will assist in the provision of services. 45 CFR § 80.3(a).
12. Programs/facilities must make information regarding the nondiscriminatory provisions of Title VI available to their participants, beneficiaries, or any other interested parties. 45 CFR § 80.6(d). This should include information on their right to file a complaint of discrimination with either the Department or the U.S. Department of Health and Human Services. The information may be supplied verbally or in writing to every individual or may be supplied through the use of an equal opportunity policy poster displayed in a public area of the facility.
13. Report number of discrimination complaints filed against the program/facility. Indicate the basis (e.g. race, color, creed, sex, age, national origin, disability, and/or retaliation) and the issues involved (e.g. services or employment, placement,

termination, etc.). Indicate the civil rights law or policy alleged to have been violated along with the name and address of the local, state, or federal agency with whom the complaint has been filed. Indicate the current status of the complaint (e.g. settled, no reasonable cause found, failure to conciliate, failure to cooperate, under review, etc.).

1. The program/facility must be physically accessible to mobility, hearing, and sight-impaired individuals. Physical accessibility includes designated parking areas, curb cuts or level approaches, ramps, and adequate widths to entrances. The lobby, public telephone, restroom facilities, water fountains, and information and admissions offices should be accessible. Door widths and traffic areas of administrative offices, cafeterias, restrooms, recreation areas, counters, and serving lines should be observed for accessibility. Elevators should be observed for door width and Braille or raised numbers. Switches and controls for light, heat, ventilation, fire alarms, and other essentials should be installed at an appropriate height for mobility impaired individuals.
2. Section 504 of the Rehabilitation Act of 1973 requires that a recipient of federal financial assistance conduct a self-evaluation to identify any accessibility barriers. Self-evaluation is a four-step process:
 - a. Evaluate, with the assistance of disabled individual(s)/organization(s), current policies and practices that do not or may not comply with Section 504;
 - b. Modify policies and practices that do not meet Section 504 requirements.
 - c. Take remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices; and
 - d. Maintain self-evaluation on file, including a list of the interested persons consulted, a description of areas examined, and any problems identified, and a description of any modifications made and of any remedial steps taken 45 CFR § 84.6. (This checklist may be used to satisfy this requirement if these four steps have been followed).
3. Programs or facilities that employ 15 or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by Part 84 of Title 45, CFR 45 CFR § 84.7(b).
4. Programs or facilities that employ 15 or more persons shall designate at least one person to coordinate its efforts to comply with Part 84 of Title 45, CFR. 45 CFR § 84.7(a).
5. Programs or facilities that employ 15 or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees that the program/facility does not discriminate on the basis of handicap in violation of Section 504 and Part 84 of Title 45, CFR. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in publications of the programs or facilities, and distribution of memoranda or other written communications. 45 CFR § 84.8(a).
6. Programs or facilities that employ 15 or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills where necessary to afford such persons an equal opportunity to benefit from the service in question. Auxiliary aids may include, but are not limited to, brailled and taped materials, interpreters, and other aids for persons with impaired hearing or vision. 45 CFR § 84.52(d).
7. Programs or facilities with 50 or more employees and \$50,000.00 in federal contracts must develop, implement, and maintain a written affirmative action compliance program in accordance with Executive Order 11246, 41 CFR Part 60 and Title VI of the Civil Rights Act of 1964, as amended.
