United States: +1 (571) 317-3122

Access Code: 581-672-373

This notice features project information brought to you by the Penny for Transportation Mobility Advancement Program, known as MAP Broward. The Broward County Highway Construction and Engineering Division will conduct a **PUBLIC INFORMATION MEETING** for the proposed improvements to Royal Palm Boulevard and Rock Island Road Intersection, located in the City of Margate.

The meeting will be held online.

The project includes among other improvements, the addition of a second left turn lane at all approaches, the addition of a right turn lane on both the East and West approaches, ADA upgrades, signalization improvements, structural mast arms

and foundations, milling and resurfacing, signing and pavement markings, and drainage. The primary project purpose is to relieve traffic congestion and improve safety at the intersection.

This **PUBLIC INFORMATION MEETING** is being held to present the project status and provide opportunities for public input. County representatives will be available to present the project and answer questions during the meeting. The public is encouraged to attend this meeting to review the proposed transportation improvements.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact the Broward County Highway Construction and Engineering Division at 954-577-4555 or hcedinfo@broward.org at least seven days prior to this meeting.

* One or more members of the City Commission, Boards or Committees of the City of Margate may be in attendance and may participate at the meeting *
