On behalf of our St. Vincent's Holiday Festival committee, as well as speaking for myself, I extend to you our long time partner our heartfelt gratitude for your contributions in making our festival a success financially for Saint Vincent's Catholic Church year after year.

This event is our primary fund raiser, and with the City of Margate's participation we have been able to carry forward a number of programs that benefit our community. St. Vincent's is requesting the use of 1000 SR 7 for our Holiday Festival from November 16 through December 6, 2015.

Thank you again, ever so much.

Sincerely,

Rev. Matthew Didone, c.s.  
Pastor
