

## **MCRA Off Season Events –Preliminary Proposal**

**Purpose:** Create community-based monthly activities to enhance Margate's brand and promote local businesses within the CRA district through the off season months.

**Concept:** Tentatively planned for the first Saturday of each month from 5pm – 10pm, August through November. Each event will be themed and include food trucks, vendors and entertainment (music or performances). The events are still in the planning stages and are subject to change, but the following is a preliminary line up:

**August:** Caribbean/Topical theme music, food trucks and entertainment venues.

**September:** Back to School/Local Business Showcase. Includes local business vendors, kid's activities, music and food trucks.

**October:** Fall Craft Beer Festival. Craft beer selection, music and food trucks.

**November:** Arts & Crafts Festival. Arts & Craft vendors (local if possible), food trucks and music.

Additional details will be available at the June CRA Board meeting.
