

BID PROPOSAL FORM BID NO. 2015-009

**BID TO: CITY COMMISSION
CITY OF MARGATE**

1. The undersigned bidder proposes and agrees, if this bid is accepted, to enter into an Agreement with the OWNER in the form included in the Contract Documents to perform the WORK as specified or indicated in said Contract Documents entitled:

N.W. 18TH STREET FORCE MAIN CONSTRUCTION, BID NO. 2015-009

2. Bidder accepts all of the terms and conditions of the Contract Documents, including without limitation those in the "Notice Inviting Bids", and "Instructions to Bidders", dealing with the disposition of the bid security.
3. The bid will remain open for the period stated in the "Notice Inviting Bids", unless otherwise required by law. Bidder will enter into an Agreement within the time and in the manner required in the "Notice Inviting Bids" and the "Instructions to Bidders", and will furnish the insurance certificates, Payment Bond and Performance Bond required by the Contract Documents.
4. It is the Contractor's responsibility to contact the City @ (954) 935-5346 prior to the bid opening to determine if any addenda have been issued on the project. Bidder has examined copies of all the Contract Documents including the following addenda (receipt of all of which is acknowledged):

Number	<u>1</u>	Date	<u>5/28/15</u>
	<u> </u>		<u> </u>
	<u> </u>		<u> </u>

5. Bidder has familiarized itself with the nature and extent of the Contract Documents, WORK, site, locality where the WORK is to be performed, the legal requirements (federal, state and local laws, ordinances, rules and regulations), and the conditions affecting cost, progress or performance of the WORK and has made such independent investigations as bidder deems necessary.
6. This bid is genuine and not made in the interest of or on behalf of any undisclosed person, firm or corporation and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation. Bidder has not directly or indirectly induced or solicited any other bidder to submit a false or sham bid. Bidder has not solicited or induced any person, firm or corporation to refrain from bidding and Bidder has not sought by collusion to obtain for itself any advantage over any other bidder or over Owner.

To all the foregoing, and including all Bid Schedule(s) and information required of bidder contained in this Bid Form, said Bidder further agrees to complete the Work required under the Contract Documents within the Contract Time stipulated in said Contract Documents, and to accept in full payment thereof the Contract Price based on the total bid price(s) named in the aforementioned bidding schedule(s).

BIDDER'S GENERAL INFORMATION:

The bidder shall furnish the following information. Additional sheets shall be attached as required. Failure to complete Item Nos. 1, 3, and 8 will cause the bid to be non-responsive and may cause its rejection. In any event, no award will be made until all of the Bidder's General Information (i.e., items 1 through 9 inclusive) is delivered to the OWNER.

- (1) Contractor's name and address:
Southern Underground Industries, Inc.
3453 NW 44 ST, Suite 205
- (2) Contractor's telephone number: 954-650-4699
- (3) Contractor's license: Primary classification Certified Underground & Excavation Contractor
State License Number CUC1224635
Supplemental classifications held, if any: Certified General Contractor CGC1522977
Name of Licensee, if different from (1) above: N/A
- (4) Name of person who inspected site of proposed WORK for your firm:
Name: Belseri Comerford Date of Inspection: 5/28/15
- (5) Name, address, and telephone number of surety company and agent who will provide the required bonds on this contract: Nielson, Hoover & Company
8000 Governors Square Blvd, Suite 101, Miami Lakes, FL 33016
Agent: Shawn Burton, 305-722-2663
- (6) Attach to this bid, the experience resume of the person who will be designated chief construction superintendent or on site construction manager. See Belseri Comerford Resume
- (7) Attach to this bid a financial statement, references, and other information, sufficiently comprehensive to permit an appraisal of Contractor's current financial condition.
Financial Statement is available for review if being considered for award.

BID NO. 2015-009

(8) List 3 projects completed as of recent date involving work of similar type and complexity:

PROJECT NAME	CONTRACT PRICE	NAME, ADDRESS AND TELEPHONE NUMBER OF OWNER
S. Andrews Avenue & 17th Street Large Water Main Replacement Project	\$351,622.00	City of Fort Lauderdale
		100 North Andrews Ave, Suite 500
		Fort Lauderdale, FL 33301
		561-577-5427, Jean Examond
Reclaimed Water Main - Area 11 A	\$800,000.00	City of Delray Beach
		434 S. Swinton Avenue
		Delray Beach, FL 33444
		561-504-0321, Steve Dellaquila
Pump Station 8 Force Main and Gravity Sewer Improvements	\$200,000.00	Town of Davie
		6591 Orange Drive,
		Davie, FL 33314
		954-224-4437, Jeanne Akerbloom

(9) Subcontractors: The bidder further proposes that as part of their submittal, attached is a list of subcontracting firms or businesses that will be awarded subcontracts for portions of the work in the event the bidder is awarded the Contract:

Directional Drill - Centerline Directional Drilling Service

BID BOND

KNOW ALL MEN BY THESE PRESENTS:

That we Southern Underground Industries, Inc. as
Principal, and Endurance Reinsurance Corporation of America as Surety, are held and
firmly bound unto CITY OF MARGATE, hereinafter called "CITY" in the sum of

(\$ 5%) Five Percent of Amount Bid dollars, (not
less than 5 percent of the total amount of the Bid) for the payment of which sum, well and truly
to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns,
jointly and severally, firmly by these presents.

WHEREAS, said Principal has submitted a Bid to said CITY to perform the WORK required
under the bidding schedule of the CITY'S Contract Documents entitled:

BID NO. 2015-009 N.W. 18th Street Force Main Construction

NOW THEREFORE, if said Principal is awarded a contract by said CITY and, within the time
and in the manner required in the "Notice Inviting Bids" and the "Instructions to Bidders" enters
into a written Agreement on the form of the agreement bound with said Contract Documents,
furnishes the required certificates of insurance, and furnishes the required Performance Bond,
then this obligation shall be null and void, otherwise it shall remain in full force and effect. In the
event suit is brought upon this bond by said CITY and CITY prevails, said Surety shall pay all
costs incurred by said CITY in such suit, including a reasonable attorney's fee to be fixed by the
court.

SIGNED and SEALED, this 28th day of May, 2015.

POWER OF ATTORNEY

Know all Men by these Present, that ENDURANCE REINSURANCE CORPORATION OF AMERICA, a Delaware corporation (the "Corporation"), with offices at 4 Manhattanville Road, 3rd Floor, Purchase, NY 10577, Purchase, New York 10604, has made, constituted and appointed and by these presents, does make, constitute and appoint IAN A. NIPPER, DAVID RUSSELL HOOVER, JOSEPH PENICHER NIELSON, CHARLES DAVID NIELSON, CHARLES JACKSON NIELSON, SHAWN ALAN BURTON its true and lawful Attorney(s)-in-fact, at MIAMI LAKES in the State of FL and each of them to have full power to act without the other or others, to make, execute and deliver on its behalf, as surety or co-surety; bonds and undertakings given for any and all purposes, also to execute and deliver on its behalf as aforesaid renewals, extensions, agreements, waivers, consents or stipulations relating to such bonds or undertakings provided, however, that no single bond or undertaking so made, executed and delivered shall obligate the Corporation for any portion of the penal sum thereof in excess of the sum of SEVEN MILLION FIVE HUNDRED THOUSAND Dollars (\$7,500,000).

Such bonds and undertakings for said purposes, when duly executed by said attorney(s)-in-fact, shall be binding upon the Corporation as fully and to the same extent as if signed by the President of the Corporation under its corporate seal attested by its Corporate Secretary.

This appointment is made under and by authority of certain resolutions adopted by the Board of Directors of the Corporation by unanimous written consent on the 9th of January, 2014, a copy of which appears below under the heading entitled "Certificate".

This Power of Attorney is signed and sealed by facsimile under and by authority of the following resolution adopted by the Board of Directors of the Corporation by unanimous written consent on January 9, 2014 and said resolution has not since been revoked, amended or repealed:

RESOLVED, that in granting powers of attorney pursuant to certain resolutions adopted by the Board of Directors of the Corporation by unanimous written consent on January 9, 2014, the signature of such directors and officers and the seal of the Corporation may be affixed to any such power of attorney or any certificate relating thereto by facsimile, and any such power of attorney or certificate bearing such facsimile signature or seal shall be valid and binding upon the Corporation in the future with respect to any bond or undertaking to which it is attached.

This Power of Attorney shall expire and all authority hereunder shall terminate without notice at midnight (Standard Time where said attorney(s)-in-fact is authorized to act.) September 28, 2015

IN WITNESS WHEREOF, the Corporation has caused these presents to be duly signed and its corporate seal to be hereunto affixed and attested this 29th day of September, 2014 at Purchase, New York.

DRUG-FREE WORKPLACE PROGRAM FORM

In accordance with Section 287.087, State of Florida Statutes, preference shall be given to businesses with Drug-free Workplace Programs. Whenever two or more bids which are equal with respect to price, quality and service are received for the procurement of commodities or contractual service, a bid received from a business that certifies that it has implemented a Drug-free Workplace Program shall be given preference in the award process. In the event that none of the tied vendors have a Drug-free Workplace program in effect the City reserves the right to make final Decisions in the City's best interest. In order to have a Drug-free Workplace Program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States of any State, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community by any employee who is convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation.

If bidder's company has a Drug-free Workplace Program, so certify below:

AS THE PERSON AUTHORIZED TO SIGN THE STATEMENT, I CERTIFY THAT THIS FIRM COMPLIES FULLY WITH THE ABOVE REQUIREMENTS.

SIGNATURE OF BIDDER: _____

DATE: 6/2/15

BID NO: 2015-009

COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH ACT

Bidder certifies that all material, equipment, etc. contained in this bid meets all O.S.H.A. requirements. Bidder further certifies that if he/she is the successful bidder, and the material, equipment, etc., delivered is subsequently found to be deficient in any O.S.H.A. requirement in effect on date of delivery, all costs necessary to bring the material, equipment, etc. into compliance with the aforementioned requirements shall be borne by the bidder.

OCCUPATIONAL HEALTH AND SAFETY MATERIAL SAFETY DATA SHEET REQUIRED:

In compliance with Chapter 442, Florida Statutes, any item delivered from a contract resulting from this bid must be accompanied by a MATERIAL SAFETY DATA SHEET (MSDS). The MSDS must include the following information:

- A. The chemical name and the common name of the toxic substance.
- B. The hazards or other risks in the use of the toxic substances, including:
 - 1. The potential for fire, explosion, corrosivity and reactivity;
 - 2. the known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by exposure to the toxic substance; and
 - 3. the primary routes of entry and symptoms of overexposure.
- C. The proper precautions, handling practices, necessary personal protective equipment, and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of overexposure.
- D. The emergency procedure for spills, fire, disposal and first aid.
- E. A description in lay terms of the known specific potential health risks posed by the toxic substances intended to alert any person reading this information.
- F. The year and month, if available, that the information was compiled and the name, address and emergency telephone number of the manufacturer responsible for preparing the information.

Project also included the installation of 400 LF of 42" RCP Drainage Piping.

Project Name: W 43 Street Water Main (as sub to Envirowaste)
Owner Name: City of Miami Beach Public Works Department.
Owner Address: 1700 Convention Center Drive .
Miami Beach, FL 33139 .
Contact Name: Jose Rivas, P.E., Project Manager .
Contact Phone #: 305-673-7080 .
Contact Email: JoseRivas@miamibeachfl.gov
Project Value: \$100,000 .
Project Completion: July 2014 .
Project Description: Project Included Relocation of 200 LF of 8" DIP Water Main on W 43 Street. Project Included roadway restoration in an urban environment.

Project Name: Valve Replacement Project 2013 .
Owner Name: City of Lauderhill .
Owner Address: 5581 W. Oakland Park Blvd. .
Lauderhill, FL 33313 .
Contact Name: Osmando Silangil, Project Manager .
Contact Phone #: (954) 714-1521 .
Contact Email: osilangil@lauderhill-fl.gov
Project Value: \$300,000 .
Project Completion: 2014, ongoing .
Project Description: Installation of 19 isolation gate valves (6" to 24") on the City's water main and sewer force main.

PROJECT REFERENCES (CONT.)

Project Name: **30-Inch Sanitary Sewer Repair on Harding Ave**
Owner Name: City of Hollywood
Owner Address: 1621 N. 14th Ave
Hollywood, FL 33022
Contact Name: Jitendra Patel, P.E., Assistant Director
Contact Phone #: 954-967-4455
Contact Email: JPATEL@hollywoodfl.org
Project Value: \$150,000
Project Completion: 2014, (sub to Envirowaste)
Project Description: Removal and Replacement of a 30-Inch Sanitary Sewer Main, approximate 14 foot cut, including roadway restoration.

Project Name: **Pump Station 8 Force Main and Gravity Sewer Improvements**
Owner Name: Town of Davie, FL
Owner Address: 6591 Orange Drive
Davie, FL 33314
Contact Name: Jeanne Akerblom
Contact Phone #: 954-224-4437
Contact Email: _____
Project Value: \$200,000 (Sub to Akerblom)
Project Completion: 2012-13
Project Description: Installation of 600 LF of 8" , 400 LF of 16" , and 2000 LF of 24" Force and a 24" Gravity Sewer approximately 12-14 ft deep to connect to Pump Station #8.

Project Name: **Reclaimed Water Main – Area 11 A**
Owner Name: City of Delray Beach, FL
Owner Address: 434 S Swinton Avenue
Delray Beach, FL 33444
Contact Name: Steve Dellaquila
Contact Phone #: 561-504-0321
Contact Email: Dellaquila@mydelraybeach.com
Project Value: \$800,000
Project Completion: 2009
Project Description: Installation of 18" Reclaimed Water main via open cut and directional drill in downtown Delray Beach. Project included roadway restoration in an urban environment.

PROJECT REFERENCES (CONT.)

Project Name: Reclaimed Water Main – Area 11B .

JUAN BARRENECHE, P.E.

Vice President/Project Manager/Estimator

Mr. Barreneche has over 11 years' experience in civil engineering, construction management and cost estimating in the field of underground utility construction. As Senior Project Manager and Estimator his experience developed around projects involving the installation of water mains, drainage improvements, and sanitary sewer construction. He has obtained further specialization in neighborhood improvement projects, design-build projects, directional drilling, PCCP, box culvert construction, pump stations, treatment plants and sewer force mains for various publicly bid projects for municipalities throughout South Florida. As a Civil Engineer, he has combined technical knowledge and design thought processes with underground construction experience, thereby ensuring the success of design-build partnerships and broadening the capabilities of his company.

KEY PROJECTS:

Southern Underground Industries- July 2014 – Present **City-Wide High Tide Mitigation Project** **City of Miami Beach, FL.**

Project Manager for this \$1.8 million project which consisted of the installation of approximately 100 inline check valves on the drainage outfall system throughout the City of Miami Beach. Some areas required design-build solutions to ensure protection from tidal flooding prior to the October King Tide. Project also included the installation of over 13 drainage structures, 400 LF of 30" RCP, and repairs to drainage force mains.

David Mancini & Sons- July 2011 – July 2014 **Biscayne Point Neighborhood Improvement Project, City of Miami Beach, FL.**

Project Manager for this \$17.7 million neighborhood improvement project. The project began as a standard straight bid unit price contract (\$10.9M) and was converted in to a design-build project by the City after a series of deficiencies with design were exposed and corrected by DMSI thereby adding value to the neighborhood. Project improvements consist of water and stormwater improvements, including pump stations, and above ground improvements to lighting, sidewalks, curb gutter, and roadway.

Sunset Islands 1 & 2 Neighborhood Imp. Project, City of Miami Beach, FL.

Project Manager for this \$5.2 million neighborhood improvement project. The project includes water and stormwater improvements, including the renovation of stormwater outfalls and the installation of valley gutters with full roadway reconstruction in a high-end exclusive community. Major challenges to this unit price contract were extensive conflicts with existing utilities and a high water table. Project is ongoing.

HIGHLIGHTS

Licensed Professional Civil Engineer in the State of Florida, PE#67662

Certified Underground Utility and Excavation Contractor, CUC1224698

11 years experience in underground construction, specializing in Design-Build and HDD.

9 years of Estimating experience on over 100 publicly bid underground and roadway construction projects.

EXPERIENCE

*Vice President
July 2014 to Present
Southern Underground Industries, Inc.*

*Senior Project Manager
July 2011 to July 2014
David Mancini & Sons, Inc.*

*Project Manager
June 2010 to July 2011
GlobeTec Construction.*

*Project Manager/Estimator
Feb. 2005 to June 2010
Ric-Man International.*

*Associate Engineer
May 2003 to Feb. 2005 –
Chen & Associates*

EDUCATION

*University of Florida
Bachelor in Science in
Civil Engineering,
May 2003*

*Belen Jesuit Preparatory
High School, 1997*

TRAINING

*Proficient in Use of:
PROGEN-JOC,
Primavera, MS Excel,
AutoCAD, ArcGIS*

GlobeTec Construction- June 2010 – July 2011

McKinley Street Interceptor Project

City of Hollywood, FL.

Project Manager for this \$11.5 million gravity sewer project. Preliminary investigations and utility relocations were critical to ensuring that the 7,460 LF of 66" PCCP gravity sewer could be installed without delay. The project includes two 96" steel casings installations under FDOT and FEC Railroad via sand-shield tunnel. Varying soil and groundwater conditions proved to be the major challenges of this project.

Belcher Road 48" Water Main Replacement

Pinellas County, FL.

Project Manager for this \$7.5 million water main replacement project. The project included installation of 15,000 LF of 42" DIP and 12"/16" DIP parallel high line in the same trench. The project includes a jack and bore installation of a 60" steel casings under FDOT roadway. Dividing work and MOT into 5 phases and working within 10 ft of existing deteriorating 48" PCCP water main proved to be the greatest challenges of this project.

Ric-Man International- February 2005 – June 2010

**Nautilus Right-Of-Way Infrastructure Improvement Design-Build Project,
City of Miami Beach, FL.**

Project Manager for this \$35 million design/build project. Proposed improvements included storm water gravity and injection well systems, water distribution mains, sidewalks, street lighting, landscaping, milling and resurfacing. Close coordination with the Civil Engineering team member ensured that construction coincided with design production and permit acquisition. A major component of the Project consisted of the installation of 6 drainage pump stations in this residential neighborhood.

Furnish & Install 20" HDPE Along Rickenbacker Intracoastal Waterway Bridge, Miami-Dade Water and Sewer Dept., FL.

Estimator and Project Manager for this \$1.7 million design/build project. Oversaw and reviewed directional drill design and was present to witness all aspects of this 4000 LF directional drill across Biscayne Bay. Worked closely with permitting agencies to accommodate drilling path and methods. Several challenges during this difficult bore proved to be excellent learning opportunities and made the success of this bore most rewarding. Project also included the pipe removal from beneath the Old Bay Bridge.

**Replacement of 48" Force Main Design-Build Project,
Broward County, FL.**

Estimator and Project Manager for this \$4.4 million design/build project. Included over 5,000' of replacement of existing 48" PCCP in DOT ROW relocated and replaced with 48" Ductile Iron Pipe in Broward County ROW. Met aggressive 8 month schedule including design, permits and construction by working closely with Civil Engineering Subcontractor (Chen and Associates). Performed constructability reviews and assisted with permit acquisition. Project included a 48" subaqueous crossing.

**NE 6th Avenue Drainage Improvements,
City of Oakland Park, FL.**

Estimator and Project Manager for this \$3.4 million project which included the installation of over 2,630 feet of 4x6 box culvert. Original design called for the box culvert to be installed vertically which would have resulted in major utility support and massive de-watering. Worked with the Engineer to modify to a horizontal alignment and added an 8" water main as a design-build change order.

***Miami River Crossing, 30" Water Main via Directional Drill,
Miami-Dade Water and Sewer Department, FL.***

Managed this converted design-build project which included installation of 1,000 linear feet of 30" water main which was redesigned from a proposed open cut across the River to be installed via horizontal directional drill, thus eliminating impact to the waterway and park. Personally drafted the proposed directional drill design path and assisted with field operations. Project included associated connections to existing water main and removal of existing 20" water main from the Miami River.

***University of Florida TREC Water and Sewer Improvements,
Homestead, FL.***

Estimator and Project Manager for this gravity sewer system project which included the installation and connection of a package sewer treatment plant. Approximately 1500 linear feet of gravity sewer, lift station, treatment plant, drain field, and water main were installed with minimal impact to research operations. Completion of the project included abandonment of existing septic tanks to satisfy DERM requirements.

***12" Force Main Replacement Design-Build,
City of North Bay Village, FL***

Project Manager for this time-sensitive force main replacement. Damaged section of force main was replaced with new HDPE forcemain installed via Horizontal Directional Drill and connected underwater to existing force main in Biscayne Bay. Personally drafted the proposed directional drill design path and was involved with field operations including underwater inspections.

***Turnpike and Sunrise Boulevard Crossings,
City of Plantation, FL***

Estimator and Project Manager for this Design-Build Utility Relocation Project. Three horizontal directional bores were designed in-house to relocate a sewer force main and a water main across the Florida Turnpike to accommodate impeding widening project. Project also included the design and construction of a 20-inch diameter aerial canal crossing for the force main relocation. As a result of our timely design, permitting, and construction, the City was able to complete the relocations without delaying the Turnpike project.

***24" Water Main Installation Project,
City of Wellington, FL***

Project Manager for the Installation of approximately 6,000 linear feet of 24-inch diameter PVC water main. The project included two major utility crossings and a connection to the City's water treatment plant. Additional duties included preparing and implementing extensive Maintenance of Traffic plans, and assisting with daily field operations.

RESUME OF BELSERI COMERFORD

- 2008 - PRESENT **SOUTHERN UNDERGROUND INDUSTRIES, INC.**
PRESIDENT
With over 30 years experience in Underground Construction, Mr. Comerford has worked in all aspects of the Utility Industry. As a licensed Contractor he specializes in Sanitary Sewers, Water Main, Force Mains, Storm Drainage, Road Construction, Pump Stations, Directional Drilling and Infrastructure Lining.
- 2006 -2008 **INTERCOUNTY ENGINEERING, INC.**
SUPERINTENDANT/ESTIMATOR
Prepared estimates for various types of municipal work. Supervised installation of pump stations and all facets of underground utility work.
- 2004 -2006 **RIC-MAN INTERNATIONAL, INC.**
MAIN LINE FOREMAN
Supervise main line crew during construction of water Mains, sanitary sewers, and drainage installation, Furthermore, responsible for overseeing well-point Installation as well as cleaning structures and pipe lines.
- 2004 - 2003 **ASTALDI CONSTRUCTION**
FOREMAN
Supervise crew during construction of sanitary Sewers and drainage installation.
- 2002 -2003 **TELCON, INC**
FOREMAN
Supervised crew during construction of sanitary sewers, & water main installation, for FPL Transmission Mainline.
- 2002 – 1994 **MINORITY CONTRACTOR**
Minority contractor for Broward County, Broward County School Board, Lennar Homes & Puite Homes. Installing Water Drainage & Sewer Mains with Projects of \$25,000 to \$700,000.
- 1993 – 1991 **TELCON & LANZO CONSTRUCTION**
FOREMAN/ OPERATOR
Supervise crew during construction of sanitary Sewers and drainage installation
- 1991-1986 **ROCCO FERRERA & Co.**
OPERATOR

RESUME OF JOSE G. CACIQUE

2014 - PRESENT

SOUTHERN UNDERGROUND INDUSTRIES

PIPELINE FOREMAN

Supervises crews on the installation of water mains, sewer mains, and drainage structures. Specializes in large diameter installations in high water conditions. Enhanced his shoring and dewatering experience for deep excavations

2004 -2014

GLOBETEC CONSTRUCTION

PIPELINE FOREMAN

Planned and supervised installation of large diameter pipelines, precast structures, wellpoints, and all facets of underground utility work. Worked on projects throughout Florida

2000 - 2004

UNITED ENGINEERING CONTRACTORS

PIPELAYER/FOREMAN

Transitioned from a pipelayer position in the trenches to a leadership role as a Pipe Foreman on water, sewer, and drainage installations. Enhanced his skills in reading plans, layout, and sequencing of work.

1997 – 1998

MORA ENGINEERING

LABORER/PIPELAYER

Began working as a laborer, assisting in the trenches with the installation of water, sewer, and drainage facilities and transitioned into a pipelayer position.

Jose G. Cacique - Pipe Foreman

Personal Work Experience

Project Name	Owner	Scope	Contract Amount	Time Period
S. Andrews Avenue & 17th Street Large Water Main Replacement (SUI)	Miami Beach, FL	Installation of approx. 300 LF of 20" DIP Water Main on NE 17th Ave, including installation of two 18" Linestops and abandonment of 18" Water Main through hospital grounds. Project included roadway restoration.	\$ 400,000	2015-2015
High-Tide Mitigation Project (SUI)	Miami Beach, FL	Installation of approx. 100 Inline Tidal Control Valves throughout the City ranging in size from 8" to 48", including installation of 12 large precast structures at outfalls, a 42" Storm Water Collection System, 24" Force Main, and 16" Butterfly Valves.	\$ 1,748,315	2014-2015
South Service Area/East Service Area 36" Water Main and 20" Reclaimed Water Main	Orange County, FL	Installation of 24,500 LF of 36" WM, 14,500 LF of 20" RWM, 6" thru 16" water connection to existing distribution systems, construction of a 12 ft. wide stabilized access roadway, 410 LF of 54" jack and bore, 2,130 FT of 36" HDD and one bridge crossing.	\$ 11,030,756	2012-2014
Dixie Wellfield Raw Water Pipeline Replacement	City of Fort Lauderdale, FL	Installation of 4,700 LF of 30" DI Raw Water Main, including isolation valves, ARV, fittings, concrete encasement, all flushing and testing, and pavement restoration.	\$ 1,906,016	2012-2012
Belcher Road 48-Inch Water Main Replacement	Pinellas County, FL	Replacement of existing 48" PCCP Water main with new 42" DIP water main (Approx. 15,000 LF)	\$ 7,759,299	2010-2012
Rolling Green Stormwater and Water Main Project	City of Boynton Beach, FL	Installation of 30,000 LF of 6" and 8" Water Main, 3,000 LF of 24" HDPE Exfiltration Trench, 35,300 LF Swale Construction, including Tyoe C and E Inlet Strutcures, Pavement Milling and Resurfacing.	\$ 2,732,400	2009-2010
South Mainland Transmission Main	City of Cocoa, FL	Instalaltion of 36,000 LF of 42: DIP Water Main, incl. 4 Mircotunnels (66" Steel - 1,000 LF) and a 42" Aerial Crossing (Steel, 700 LF)	\$ 17,399,700	2008-2009
Service Areas 4 & 6 Wastewater and Stormwater Project	City of Marathon, FL	Installation of 106,000 LF of Vacuum Sewer, 18,000 LF Force Main, 43,000 LF Storm Sewer, 1000+ sewer lateral connections, and 43 Drainage Wells	\$ 30,945,661	2007-2011
Lake Region Transmission Main	Palm Beach County, FL	80,000 LF various sized (16" to 30") Water Mains with bridge crossings, 10,000 LF of 30" & 24" Raw Water Main, and 24" WM aerial crossing	\$ 14,765,815	2007-2008
Royal Palm Ranches & Lake Marantha Estates	City of Cooper City, FL	Installation of 6,668 LF of 8-inch WM, 70 LF of 6-inch WM, and approximately 2,993 LF of various sized HDPE, including all associated restoration.	\$ 2,000,698	2006-2006
Terra Mar Island Sanitary Sewers	City of Pompano Beach, FL	Construction of approx. 2,100 LF of 8-inch sanitary sewer line, 23 manholes, 39 sewer service laterals, 280 LF of 12-inch storm drainage pipe, two basins and all required pavement restoration.	\$ 811,124	2006-2006
Sanitary Sewer System and Water Main Replacement (Westgate Lake Manor)	City of Plantation, FL	Installation of 7,750 LF of 8-inch graity sewer with 42 precast sanitary manholes, 7,500 LF of water main, 4,000 LF force main, and a new duplex submersible lift station, including 4 package grinder lift stations.	\$ 3,543,781	2005-2007
Citywide Drainage Imp Phase IIB Storm Sewer Collection System	City of West Miami, FL	Construction of stromwater collection and treatment system including gravity collection, 12,278 LF of 15" to 60" drainage pipe, 2,400 LF of french drain, 10,047 LF of 48" DIP FM and 175+ drainage structures	\$ 5,832,493	2005-2006
Sanitary Sewer System Improvements Davis Road at Waterview Estates	Village of Palm Springs, FL	Installation of 2,000 LF of 8-inch SDR 35 PVC sanitary sewer gravity main complete with precast manholes and service laterals, 320 LF of 6-inch dia. water main, and all necessary asphalt, concrete and sod restoration work.	\$ 378,190	2005-2006
Vaccum Sewer System Improvements, 10th Ave North & Kirk Road	Village of Palm Springs, FL	Installation of 13,000 LF vacuum sewer collection main, 170 vacuum valves/pits, 1,200 LF water main, and CMU vacuum pump station complete with bio-odor control and 200 kW emergnecy generator	\$ 1,955,253	2004-2005
24" Reclaimed WM at PGA WWTP and 16" & 20" Reclaimed WM at ALT, A-1-A	Seacoast Utilities Authority, FL	Installation of 3,470 LF of 24", 3,750 LF of 16" and 860 LF of 20" reclaimed main, including piping of 5,560 LF of 24" main and 5,500 LF of 16" main	\$ 792,662	2004-2004

RESUME OF DAVID G. CACIQUE

- 2014 - PRESENT **SOUTHERN UNDERGROUND INDUSTRIES**
PIPELINE/SPECIALTY FOREMAN
Supervises specialty work on backflow preventors, pump stations, insertion valves, as well as all facets of pipeline construction from small to large diameter. Also brings expertise in dewatering and installation of wellpoint systems.
- 2008 -2014 **GLOBETEC CONSTRUCTION**
PIPELINE FOREMAN
Planned and supervised installation of large diameter pipelines, precast structures, wellpoints, and all facets of underground utility work. Worked on projects throughout Florida
- 2006 -2008 **DOWNRITE ENGINEERING**
PIPELINE FOREMAN
Supervise main line crew during construction of water Mains, sanitary sewers, and drainage installation, Furthermore, responsible for overseeing well-point Installation as well as cleaning structures and pipe lines.
- 2004 - 2006 **UNITED ENGINEERING CONTRACTORS**
PIPELINE SUPERINTENDANT
Managed crews installing water, sewer, and drainage improvements. Responsible to sequencing and scheduling of work to ensure maximum productivity.
- 2003 -2004 **FELIX ASSOCIATES**
PIPELINE FOREMAN
Supervise main line crew during construction of water Mains, sanitary sewers, and drainage installation,
- 2000 – 2003 **NORTHERN DIRT WORK UNDERGROUND**
TRACKHOE OPERATOR/FOREMAN
Began working as trackhoe operator installing water, sewer, and drainage pipeline and structures and transitioned into a leadership position as Foreman.
- 1997 – 2000 **MORA ENGINEERING**
LABORER/OPERATOR
Began working as a laborer, assisting in the trenches with the installation of water, sewer, and drainage facilities and transitioned into a trackhoe operator position.

David G. Cacique - Pipe Foreman

Personal Work Experience

Project Name	Owner	Scope	Contract Amount	Time Period
Backflow & Bypass Domestic Water Project (SUI)	Jackson Memorial Hospital, FL	Installation of 4 dual backflow assemblies (8" size) around highly congested areas within hospital grounds. Included a 4" backflow protection system within a building.	\$ 354,000	2015-2015
High-Tide Mitigation Project (SUI)	Miami Beach, FL	Installation of approx. 100 Inline Tidal Control Valves throughout the City ranging in size from 8" to 48", including installation of 12 large precast structures at outfalls, a 42" Storm Water Collection System, 24" Force Main, and 16" Butterfly Valves.	\$ 1,748,315	2014-2015

FORT LAUDERDALE FL 33309-4267 995

Taxpayer Identification Number: 26-2521235

Form(s):

Dear Taxpayer:

This letter is in response to your telephone inquiry of September 3rd, 2014.

Your Employer Identification Number (EIN) is 26-2521235. Please keep this number in your permanent records. You should enter your name and your EIN, exactly as shown above, on all business federal tax forms that require its use, and on any related correspondence documents.

If you have any questions regarding this letter, please call our Customer Service Department at 1-800-829-0115 between the hours of 7:00 AM and 7:00 PM. If you prefer, you may write to us at the address shown at the top of the first page of this letter. When you write, please include a telephone number where you may be reached and the best time to call.

Sincerely,

/S/Linda Cline
