Landlord shall not be required to maintain, repair or rebuild, or to make any alterations, replacements or renewals of any nature to the Premises, or any part thereof, whether ordinary or extraordinary, structural or nonstructural, foreseen or not foreseen to maintain the Premises or any part thereof in any way, other than those that occur, through no fault of Tenant or due to Tenant's use of the Premises, on an emergency basis, and that affect Tenant's ability to use the Premises. Tenant hereby expressly waives the right to make repairs at the expense of Landlord which may be provided for in any law in effect at the time of the commencement of the Term or which may thereafter be enacted.

11. **Alterations.** Tenant may not make alterations to the Premises without Landlord's prior written consent, which consent may be withheld in Landlord's sole discretion. The commercial General Liability insurance shall be written on an “occurrence” basis and not on a “claims made” basis, and shall be endorsed to provide that it is primary to and not contributory to any policies carried by Landlord and Landlord’s Agents. Tenant is responsible for obtaining the applicable endorsements and providing copies of same to Landlord prior to Tenant, or any of its general contractors or subcontractors, undertaking any improvements or alterations to the Premises.

(d) All insurance policies required to be carried by Tenant as provided in this Section 12 shall be issued by fiscally responsible insurance companies (having a Best Rating of not less than A+VIII) authorized and licensed to do business in the State of Florida and shall be for periods of not less than one year. Tenant shall renew the same at least thirty (30) days prior to the expiration thereof. All such policies shall include the insurer’s unconditional agreement to provide not less than thirty (30) days’ written notice to Landlord prior to any cancellation thereof or any change reducing coverage thereunder.

(e) Insurance claims by reason of damage to or destruction of any portion of the Premises shall be adjusted by Landlord in its sole discretion. Tenant may, only with Landlord's prior written consent and approval, which Landlord may withhold in its sole discretion, and at Tenant's expense, prosecute any such claim or contest any such settlement in the name of Landlord, Tenant or either of them, and Landlord will join therein at Tenant's written request upon the receipt by Landlord of an indemnity from Tenant against all costs, liabilities and expenses in connection therewith.

(f) In the event Tenant does not purchase the insurance required by this Lease or keep the same in full force and effect, Landlord may, but shall not be obligated, purchase the necessary insurance and pay the premium. Tenant shall repay to Landlord, as Additional Rent, the amount so paid promptly upon demand. In addition, Landlord may recover from Tenant and Tenant agrees to pay, as Additional Rent, any and all expenses (including reasonable attorneys' fees) and damages which Landlord may sustain by reason of the failure to Tenant to obtain and maintain the required insurance.

13. **Casualty.** If a part of the Premises shall be damaged or destroyed by casualty, Tenant shall promptly notify Landlord thereof; and Tenant shall, with reasonable promptness and diligence, rebuild, replace and repair any damage or destruction to the Premises, to the extent such Casualty was caused by Tenant or Tenant's operation at the Premises, at its sole expense and with reimbursement from the proceeds of insurance, if earmarked for same, in conformity with the requirements of subparagraph 12 in such manner as to restore the same to the same condition, as nearly as possible, as existed prior to such casualty and there shall be no abatement of Basic Rent or Additional Rent.

14. **Condemnation.** If any portion of the Premises shall be taken for any public or quasi-public use under any statute, or by right of eminent domain, or by private purchase by any public authority in lieu of the exercise of the right of eminent domain, then this Lease and the Term shall cease and expire on the date when possession shall be taken thereunder of the Premises and all rents, taxes and other charges shall be prorated and paid to such date. All compensation awarded or paid upon such a taking of the Premises shall belong to and be the property of Landlord without any participation by Tenant.

15. **Assignment and Subletting.** Tenant shall not assign its interest in this Agreement or sublet all or any part of the Premises without the prior written consent of Landlord, which consent Landlord may withhold at its sole and absolute discretion. Neither this Lease nor the Term hereby demised shall be mortgaged, pledged or hypothecated by Tenant, nor shall Tenant mortgage or pledge the interest of Tenant in and to any sublease of the Premises or the rentals payable thereunder. Any mortgage, pledge, sublease or assignment made in violation of this paragraph 15 shall be void.

16. **Landlord's Right to Inspect.** The Landlord may, during the Term of this Lease at any time enter to inspect the Premises or to make any alterations or repairs to the Premises that Tenant may fail or refuse to perform.

17. **Events of Default.** The occurrence of any of the following shall constitute an event of default hereunder by Tenant ("**Event of Default**"): (a) Failure of Tenant to pay when due any installment of Rent or any other sum herein required to be paid by Tenant when due; (b) Tenant's failure to perform any covenants or conditions of this Lease within ten (10) days after written notice and demand; or (c) The filing of any Petition for Bankruptcy under the United States Bankruptcy Code or the filing of an Assignment for Benefits of Creditors under Chapter 727, Florida Statutes.

18. **Rights of Landlord Upon Default by Tenant.**

(a) In the event Tenant is in default under this Lease as provided in Section 17 above, Landlord may elect, in addition to any and all remedies provided by Florida Law, any or all of the following remedies, which are cumulative:

(i) **Termination of Lease.** By written notice to Tenant, designate a date upon which the Lease shall terminate ("**Termination Date**"), and thereupon, on the Termination Date, this Lease and all rights of Tenant hereunder shall terminate. Such termination by Landlord shall not affect the obligations of Tenant arising under the Lease prior to the Termination Date or the other

remedies of Landlord provided in this Lease.

(ii) Termination of Tenant's Possession. Landlord may elect to terminate Tenant's possessory rights, without terminating the Lease, and upon such election, Tenant and any sub-tenants, licensees or assignees of Tenant shall surrender the Premises to Landlord, and Landlord, at any time after such termination, may, without further notice, re-enter and repossess the Premises without being liable for any prosecution or damages therefore, and no person claiming through or under Tenant or by virtue of any statute or of any order of any court shall be entitled to possession of the Premises. At any time or from time to time after any such termination of Tenant's possession, Landlord may, but shall have no duty to, attempt to relet the Premises or any part thereof, in the name of Landlord or otherwise, for such term or terms and on such conditions as Landlord, in its sole discretion, may determine, and may collect and receive the rents therefore.

The termination of Tenant's possession of the Premises shall not relieve Tenant of its liability and obligations under this Lease, including the obligation to pay Rent, and such liability and obligations shall survive any such termination. Any Rent or other monetary obligation of Tenant that has been abated, deferred or forgiven by Landlord in this Lease or any amendment thereto shall immediately become due and payable upon the occurrence of an Event of Default by Tenant under this Lease. If Landlord, at its option shall relet the Premises during said period, Landlord shall credit Tenant with the net rents received by Landlord from such reletting, such net rents to be determined by first deducting from the gross rents, as and when received by Landlord, the expenses incurred or paid by Landlord in terminating this Lease and in securing possession thereof, as well as the expenses of reletting, including, without limitation, the alteration and preparation of the Premises for replacement tenants, brokers' commissions, any tenant concession or improvement allowance provided for any replacement tenants, attorneys' fees and all other expenses properly chargeable against the Premises and the rental therefrom. Tenant shall have no entitlement to any rents received by Landlord from a third party which is in excess of Tenant's remaining Rent obligation to Landlord.

(iii) Landlord may, whether this Lease or Tenant's possession of the Premises is terminated or not, recover damages from the Tenant in accordance with either of the following provisions: (A) The present value of the entire amount of the Rent, inclusive of Basic Rent and Additional Rent, which would become due and payable during the remainder of the Term of this Lease. Such present value shall be determined utilizing a discount rate of four percent (4%), or (B) Sums equal to the Rent which would have been payable by Tenant in accordance with the Lease, payable upon the due dates as set forth in the Lease, through the Expiration Date of this Lease.

(iv) Intentionally Deleted.

(v) If Tenant defaults in the performance of any of the terms, provisions, covenants and conditions of this Lease and by reason thereof the Landlord employs the services of an attorney to enforce performance of the covenants, or to perform any service based upon the Event of Default, then in any of said events the Landlord shall be entitled to reasonable attorneys' fees and all expenses and costs incurred by the Landlord pertaining thereto and in enforcement of any remedy. Such fees and costs shall include, but not be limited to, fees and costs related to pretrial, trial, appellate, judicial and administrative proceedings and bankruptcy and insolvency proceedings.

19. **Additional Rights of Landlord.** No right or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute. The failure of Landlord to insist at any time upon the strict performance of any covenant or agreement or to exercise any option, right, power or remedy contained in this Lease shall not be construed as a waiver or a relinquishment thereof for the future. A receipt by Landlord of any Basic Rent, any Additional Rent or any other sum payable hereunder with knowledge of the breach of any covenant or agreement contained in this Lease shall not be deemed a waiver of such breach, and no waiver by Landlord of any provision of this Lease shall be deemed to have been made unless expressed in writing and signed by Landlord. In addition to other remedies provided in this Lease, Landlord shall be entitled, to the extent permitted by applicable law, to injunctive relief in case of the violation, or attempted or threatened violation, of any of the covenants, agreements, conditions or provision of this Lease, or to decree compelling performance of any of the covenants, agreement, conditions or provisions of this Lease, or to any other remedy allowed to Landlord at law or in equity. Landlord may assign as collateral or otherwise assign or transfer any interest in or to this Lease or any portion hereof.

20. **Notices, Demands and Other Instruments.** All notices, demands, requests, consents, approvals and other instruments required or permitted to be given pursuant to the terms of this Lease shall be in writing and shall be deemed to have been properly given if (a) with respect to Tenant, sent by certified mail, postage prepaid, or sent by overnight courier, facsimile followed by overnight delivery or delivered by hand, in each case addressed to Tenant at its address first above set forth, and (b) with respect to Landlord, sent by certified mail, postage prepaid, or sent by overnight courier, facsimile followed by overnight delivery or delivered by hand in each case, addressed to Landlord at its address first above set forth. Landlord and Tenant shall each have the right from time to time to specify as its address for purposes of this Lease any other address in the United States of America upon fifteen (15) days' written notice thereof, similarly given, to the other party.

21. **Estoppel Certificate.** Tenant shall at any time and from time to time, upon not less than ten (10) days prior written request by Landlord or by its lender, execute, acknowledge and deliver to Landlord or its lender an executed Tenant's Certificate on the form required by Landlord. Any such certificate may be relied upon by any mortgagee or prospective purchaser or prospective mortgagee of the Premises.

22. **Subordination.** This Lease shall be subject and subordinate to the lien of any and all Mortgages now or hereafter encumbering the Premises and placed thereon by Landlord and to all renewals, modifications, replacements and extensions of such Mortgages.

23. **No Merger.** There shall be no merger of this Lease or the leasehold estate hereby created with the fee estate in the Premises or any part thereof by reason of the same person acquiring or holding, directly or indirectly, this Lease or the leasehold estate hereby created or any interest in this Lease or in such leaseholder estate as well as the fee estate in the Premises or any portion thereof.

24. **Surrender/Holding Over.** Tenant, upon expiration or termination of this Lease, either by lapse of time or otherwise, agrees peaceably to surrender to Landlord the Premises in "broom clean" condition and in good repair. Should Tenant hold over and remain in possession of the Premises at

the expiration of any Term hereby created, Tenant shall, by virtue of this Section, become a tenant-at-sufferance and shall pay Landlord twice the Rent per month of the last monthly installment of Rent above provided to be paid. Nothing herein shall be deemed to permit Tenant to retain possession of the Premises after the expiration of or earlier termination of this Lease. Tenant will pay to Landlord, upon request, all damages that Landlord may suffer on account of Tenant's failure to surrender possession of the Premises as required under this Lease upon the expiration or termination of this Lease and will indemnify Landlord against all liabilities, costs and expenses (including all reasonable attorneys' fees and costs) arising out of Tenant's delay in so delivering possession, including claims of any succeeding tenant.

25. **Separability.** Each and every covenant and agreement contained in this Lease is separate and independent, and the breach of any thereof by Landlord shall not discharge or relieve Tenant from any obligation hereunder. If any term or provision of this Lease or the application thereof to any person or circumstances shall at any time be invalid and unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances or at any time other than those to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and shall be enforced to the extent permitted by law.

26. **Savings Clause.** No provision contained in this Lease which purports to obligate the Tenant to pay any amount of interest or any fees, costs or expenses which are in excess of the maximum permitted by applicable law, shall be effective to the extent that it calls for payment of any interest or other sums in excess of such maximum.

27. **Binding Effect.** All of the covenants, conditions and obligations contained in this Lease shall be binding upon and inure to the benefit of the respective successors and assigns of Landlord and Tenant.

28. **Headings.** The headings used in this Lease are for convenient reference only and shall not to any extent have the effect of modifying, amending or changing the provisions of this Lease.

29. **Governing Law.** This Lease shall be governed by and interpreted under the laws of the State of Florida. Venue for any action shall lie in Broward County, Florida.

30. **Binding Effect.** All of the covenants, conditions and obligations contained in this Lease shall be binding upon and inure to the benefit of the respective successors and assigns of Landlord and Tenant.

31. **Brokers.** Landlord and Tenant covenant, warrant and represent that neither Landlord nor Tenant has had any conversations or negotiations with any broker concerning the leasing of the Premises. Both parties agree to indemnify the other against and from any claims for any brokerage commissions and all costs, expenses and liabilities in connection therewith, including, without limitation, reasonable attorneys' fees and expenses, for any breach of the foregoing representation.

32. **Exculpation.** Tenant agrees that it shall look solely to the estate and property of the Landlord in the land and building comprising the Premises for the collection of any judgment (or any

other judicial process) requiring the payment of money by Landlord in the event of any default or breach by Landlord with respect to any of the terms, covenants and conditions of this Lease to be observed and performed by Landlord and no other property or estates of Landlord shall be subject to levy, execution or other enforcement procedures for the satisfaction of Tenant's remedies.

33. **Time is of the Essence.** Time is of the essence in the performance of each provision of this Lease.

34. **Radon Gas.** Tenant is hereby advised that radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit. The foregoing disclosure is provided to comply with state law and is for informational purposes only. Landlord has not conducted radon testing with respect to the Premises and specifically disclaims any and all representations and warranties as to the absence of radon gas or radon producing conditions in connection with the Premises.

35. **Entire Agreement.** This Lease constitutes the entire understanding between the parties and shall bind the parties, their successors and assigns. No representations, except as herein expressly set forth, have been made by either party to the other. All negotiations and oral agreements acceptable to both parties are included herein; and unless reduced to writing in this Lease, no oral representations will be held to be true or accurate, and may not be relied upon by Tenant for any reason. This Lease cannot be amended or modified except in writing, signed by Landlord and Tenant.
