NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF MARGATE, FLORIDA:

SECTION 1: That Chapter 19. Garbage Disposal, is hereby repealed and a new Chapter 19 is adopted to read as follows:

Chapter 19 -SOLID WASTE AND RECYCLABLES COLLECTION, PROCESSING, AND DISPOSAL

Section 19-1. - Definitions

1 When not inconsistent with the context, words used in the present
2 tense include the future, words in the plural number include the
3 singular, and words in the singular number include the plural.
4 The word "shall" is always mandatory and not merely directory.

5 1. "Additional Waste" shall refer to any construction and
6 demolition debris, tropical storm or hurricane related
7 debris, Yard Waste, Recyclable Materials, any large
8 household appliances (commonly referred to as "white
9 goods") including, without limitation, refrigerators,
10 stoves, washing machines, drying machines, water heaters
11 and the like, or other items of bulky waste, but in each
12 case excluding any unacceptable waste.

13 2. "Bulky Waste" is defined as those non-vegetative,
14 unprocessed waste items that have not been containerized,
15 bagged, or bundled, and that may require special handling
16 and management including, but not limited to, furniture,
17 white goods, refrigerators, ranges, pool heaters, water
18 softeners, pianos, washers, dryers, water heaters, and
19 other similar appliances, bicycles, electronics,
20 mattresses, household goods, large boxes, barrels,
21 crates, , equipment, wire and cable, materials resulting
22 from home improvements, and any and all household goods
23 that are customary to ordinary housekeeping operations of

1 a residential unit. This waste stream shall not include
2 Unacceptable Waste or contractor-generated waste but may
3 include waste capable of being processed and should not
4 contain Garbage or Yard Waste.

5 3. "Certified Recovered Materials Dealer" shall mean a
6 dealer certified under Section 403.7046, Florida
7 Statutes.

8 4. "Collection" shall mean both the process of picking up
9 waste materials from Dwelling Units and Commercial
10 Establishments, and the process of transporting and
11 delivering the waste materials to the appropriate
12 designated facilities.

13 5. "Commercial Establishments" shall mean the owner,
14 occupant, tenant, or other Person having control of any
15 real property, or portions thereof, located in the City
16 that is used for purposes other than a Dwelling Unit.
17 Commercial Establishments includes, but is not limited
18 to, property primarily used for: (a) commercial purposes,
19 such as hotels, motels, stores, restaurants, business
20 offices, theaters, service stations, etc.; (b)
21 institutional purposes, such as governmental offices,
22 churches, hospitals, schools, etc.; and (c) not-for-

1 profit organizations. Motels, hotels, guest houses, and
2 Dwelling Units other than single family, Multifamily
3 Dwelling Units, and Owner Occupied Multifamily Dwelling
4 Units that are rented or leased for periods of time
5 shorter than a week shall be considered Commercial
6 Establishments.

7 6. "Commercial Waste" shall refer to waste, refuse,
8 Garbage, Trash and rubbish generated within the city,
9 excepting therefrom residential waste as defined herein
10 and that is accepted at the Designated Facility , but
11 shall not include Additional Waste, Recyclable Material
12 that is Source Separated and, pursuant to the definition
13 of recovered materials in F.S. 403.7046 such recyclable
14 materials are limited to paper, plastic, metal, glass,
15 textile, and rubber products, which are recycled, or
16 unacceptable waste.

17 7. "Construction and Demolition Debris" or "Construction
18 Waste" shall mean, as defined in F.A.C. 62-701.200 (25)
19 as amended from time to time, discarded materials
20 generally considered to be not water soluble and non-
21 hazardous in nature, including but not limited to steel,
22 glass, brick, concrete, asphalt material, pipe, gypsum
23 wallboard, and lumber, from the construction or

1 destruction of a structure as part of a construction or
2 demolition project or from the renovation of a structure,
3 including such debris from construction of structures at
4 a site remote from the construction or demolition project
5 site. The term includes rocks, soils, tree remains,
6 trees, and other vegetative matter which normally results
7 from land clearing or land development operations for a
8 construction project; clean cardboard, paper, plastic,
9 wood, and metal scraps from a construction project; and
10 de minimis amounts of other nonhazardous wastes that are
11 generated at construction or demolition projects,
12 provided such amounts are consistent with the best
13 management practices of the construction and demolition
14 industries. Mixing construction and demolition debris
15 with other types of solid waste will cause it to be
16 classified as other than construction and demolition
17 debris.

18 8. "Container" shall mean any receptacle used by Dwelling
19 Units or Commercial Establishments for the collection of
20 Garbage, rubbish, Trash, Yard Waste, or Recyclable
21 Materials. Containers may include Garbage Cans, Garbage

17 Separated Recyclable Materials collected pursuant to the
18 City's exclusive franchise agreement (see Section 19-3)
19 and/or non-exclusive franchise agreements (see Section
20 19-4).

21 13. "Dwelling Unit" shall mean any type of structure or
22 building, or portion thereof, intended for or capable of

1 being utilized for residential occupancy. A Dwelling Unit
2 includes, at minimum, a room or rooms constituting a
3 separate, independent living area with a kitchen or
4 cooking facilities, a separate entrance, and bathroom
5 facilities, which are physically separated from other
6 Dwelling Units, whether located in the same structure or
7 in separate structures.

8 14. "Garbage" shall mean, as defined in F.A.C. 62-701.200
9 (34) as amended from time to time, all kitchen and table
10 food waste and animal or vegetative waste that is
11 attendant with or results from the storage, preparation,
12 cooking, or handling of food materials.

8 County, and the Participating Communities for Solid Waste
9 Disposal Support Services..

10 20. "Mechanical Container" shall mean a dumpster, roll-off
11 Container, compactor, or other large container that is
12 placed on and removed from a Person's property with
13 mechanical equipment, and used for the Collection of
14 Garbage, Trash, or Recyclable Materials or Construction
15 and Demolition Debris.

16 21. Multifamily Collection Service shall mean, depending on
17 context, the collection of Solid Waste, Bulk Waste,
18 and/or Recyclable Materials from Multifamily Recycling
19 Customers and Multifamily Solid Waste Customers pursuit
20 to the City's franchise agreement.

21 22. "Multifamily Community" shall mean all Persons
22 (including the owner, occupant, tenant, or other Person)

1 that receive or should receive Multifamily Collection
2 Service for the Collection of Garbage and Trash. This
3 shall include all buildings with five (5) or more
4 Dwelling Units; buildings in which any portion of a
5 Dwelling Unit is located on top of any portion of another
6 Dwelling Unit; rowhomes (where each rowhome does not have
7 its own private driveway); recreational vehicle parks;
8 and Dwelling Units in mixed-use buildings that are
9 located in the Service Area.

10 23. "Nonresidential Non-municipal Solid Waste" shall mean
11 Construction and Demolition Debris, class III commercial
12 waste (inert materials), and hazardous waste as defined
13 by Florida Statute.

14 24. "Owner Occupied Multifamily Community" shall mean a
15 Multifamily Community in which each Dwelling Unit is
16 individually owned having a separate folio number for
17 each Dwelling Unit, which has not opted to be included in
18 the Collection exclusive franchise agreement as described
19 in Section 19-3.

20 25. "Person" shall mean any and all persons, natural or
21 artificial, including any individual, firm or
22 association, partnership, joint venture or other entity

1 of any kind, type, or description engaging in the conduct
2 or activity with which this section is concerned.

3 26. Participating Communities shall mean the municipal
4 corporation or corporations existing under the laws of
5 the State of Florida, located within Broward County and
6 whose names appear in Exhibit A of the interlocal
7 agreement.

8 27. "Recovered Materials" shall mean, per F.S. 403.7046,
9 metal, paper, glass, plastic, textile, or rubber
10 materials, that have known recycling potential, can be
11 feasibly recycled and have been diverted and source
12 separated or have been removed from the solid waste
13 stream for sale, use or reuse as raw materials, whether
14 or not the materials require subsequent processing or
15 separation from each other, but does not include
16 materials destined for any use that constitutes disposal.
17 Recovered materials as described above are not Solid
18 Waste.

19 28. "Recycling Cart" shall mean the Contractor provided
20 container that has wheels and a lid that is intended to
21 be used as a container for Source Separated Recyclable

1 Materials from Single Family Dwelling Units and
2 Multifamily Communities.

3 29. "Recycling Container" shall mean any Contractor
4 provided receptacle that is intended to be used as a
5 Container for Source Separated Recyclable Materials,
6 which may include Recycling Carts or Mechanical
7 Containers.

8 30. "Recyclable Materials" shall mean those materials that
9 are capable of being recycled and which would otherwise
10 be processed or disposed of as Solid Waste and which are
11 limited to, per the definition of recovered materials in
12 F.S. 403.7046; paper, metal, plastic, glass, textile, and
13 rubber products that are Source Separated as provided by
14 F.S. 403.7046 et seq. For Residential Dwelling Units,
15 City facilities, and all other Recyclable Materials for
16 which the City has control, this definition shall mean
17 the materials identified in Section 19-10 and any
18 additional materials as agreed upon between the City and
19 Contractor. For Commercial Establishments and Owner
20 Occupied Multifamily Communities, Recyclable Materials
21 are referred to as "Recovered Materials" and subject to
22 Collection from Certified Recovered Material Haulers as
23 describe in Section 19-12. For Residential Dwelling

Units subject to the Collection exclusive franchise described in Section 19-3, the term "Recyclable Materials" shall apply.

35. "Single Family Dwelling Unit" shall mean any Residential Dwelling Units receiving Curbside Service.

1 36. "Solid Waste" shall have the meaning set forth in F.S.
2 ch. 403, part IV, as amended from time to time.

3 37. "Solid Waste" shall mean shall mean Garbage, Trash, and
4 any other waste material that is accepted at the
5 Designated Facility for Solid Waste. Additional Waste and
6 Unacceptable Waste shall not be considered Solid Waste.

7 38. "Source Separated" shall mean Recyclable Materials that
8 are separated from Garbage and Trash at the location
9 where the recyclable materials are generated. Recyclable
10 Materials shall not be considered Source Separated if
11 they are placed in the same Container as Garbage and
12 Trash. Materials are not considered Source Separated when
13 such materials contain more than ten percent (10%) Solid
14 Waste by volume or weight.

15 39. "Trash" shall mean accumulations of paper, magazines,
16 packaging containers, sweepings, and all other
17 accumulations of a nature other than Garbage, Yard Waste,
18 Source Separated Recyclable Materials, and Household
19 Hazardous Waste, which is usual to the operation of a
20 residence. Additional Waste and Construction and
21 Demolition Debris shall not be considered Trash.

1 40. "Unacceptable Waste" shall refer to: (a) hazardous
2 waste, (b) lead acid batteries, (c) nuclear waste, (d)
3 radioactive waste, (e) sewage sludge, (f) explosives, (g)

8 chlorofluorocarbons (CFC's) or items of waste that a
9 company reasonably believes would be likely to pose a
10 threat to health or safety or the acceptance and disposal
11 of which may cause damage to the Designated Facility or
12 that are prohibited by state or federal law.

13 41. "Yard Waste" shall mean all vegetative matter resulting
14 from landscaping maintenance which is no larger than
15 eight (8) inches in diameter and no longer than six (6)
16 feet in length at its longest point. This includes, but
17 is not limited to, shrub and tree trimmings, grass
18 clippings, palm fronds, and tree branches. Yard Waste
19 must be generated by the Dwelling Unit wherein the Yard
20 Waste is collected.

21 **Sec. 19-2. - Flow control.**

22 19-2.1. Requirements for disposal.

1 A. All inhabitants, businesses, and establishments, and persons
2 within the city shall exclusively use, the Designated Facility
3 , as defined within this section, for the disposal of all
4 commercial and residential solid waste generated within the
5 city.

6 B. All haulers within the city are hereby required to transport
7 all commercial and residential solid waste generated within
8 the city to the Designated Facility as defined within this
9 section.

10 C. Excepted from subsections A. and B. above, shall be solid
11 waste generated within the city which is shown to be destined
12 for transportation to any destination outside the state based
13 upon a sworn affidavit of a hauler and completion of such
14 documents and reports as further provided by the
15 administration of the city.

16 D. Waste hauler(s) shall deliver solid waste to the Designated
17 Facility pursuant to the requirements contained in the
18 Interlocal Agreement and such other reasonable requirements
19 as adopted by the city in conformity with either the city's or
20 Designated Facility operator's requirements.

21 E. From and after the effective date of this section, each
22 franchise with a hauler for collection of residential solid

1 waste within the city shall be deemed to have included the
2 following:

3 (1) Waste hauler(s) obligation to be responsible for
4 unacceptable waste brought to the Designated Facility ;

5 (2) Waste hauler(s) obligation to indemnify the operators
6 and provide the operators as additional insured for all
7 loses for death, personal injury, and property damage
8 caused by the negligence or intentional misconduct of the
9 residential waste hauler delivering waste on behalf of the
10 city;

11 (3) The waste hauler(s) obligation to deliver residential
12 solid waste only during hours of operation for the
13 Designated Facility during which the residential waste
14 hauler shall be authorized to deliver city solid waste to
15 the north and south facilities by the operators of said
16 Designated Facility.

17 (4) The waste hauler(s) obligation to deliver residential
18 solid waste pursuant to such other reasonable requirements
19 as adopted by the city in conformity with either the city's
20 or the operator's requirements.

21 19-2.2. Right to inspect and access to vehicles.

1 (a) The city commission finds that the regulation of solid waste
2 facilities and solid waste haulers are the regulation of a
3 closely regulated industry as evidenced by other sections of
4 this chapter, state and federal regulations, and franchises
5 and permits issued by the city in conformity with F.S. Chs.
6 166, 180 and 403.

7 (b) When a hauler consents, any authorized representative of the
8 city or Broward County, may, at any reasonable time enter and
9 inspect any vehicle collecting or transporting solid waste,
10 for the purpose of ascertaining the following:

11 (1) Any collection or transportation of solid waste which
12 may be in violation of this chapter or franchise of the
13 city.

14 (2) That access may be necessary to conduct a complete
15 investigation of a possible violation of subsection (1)
16 above.

17 (c) Any hauler shall allow immediate entry or access to any
18 authorized agent of the city or Broward County who requests
19 entry for the purpose of inspection or investigation as above
20 provided, and who presents appropriate credentials, and such
21 person shall not obstruct, hamper or interfere with any such
22 investigations. Such investigations shall only be conducted

1 during hours of operation of the hauler when there is
2 reasonable cause to believe that a violation of this section
3 may exist.

4 (d) Activities authorized during inspections provided herein,
5 shall include, but are not limited to: obtaining copies of
6 pertinent documents, taking samples and recording any illegal
7 violations of this section.

8 (e) Refusal to grant immediate entry or access as provided in
9 subsection (b) shall be a violation of this section.

10 (f) All franchises granted within the city, for the hauling of
11 solid waste within the city, shall be deemed amended to
12 provide that each franchisee agrees to the inspections as
13 provided in this section.

14
15 **Sec. 19-3. - Exclusive Franchise agreement to provide collection**
16 **service for Residential Dwelling Units and Commercial**
17 **Establishments.**

18 (a) The City shall award an exclusive franchise agreement for
19 the Collection of Residential Waste, Source Separated
20 Recyclable Materials from Residential Dwelling Units,
21 Commercial Waste, and City-facility generated Garbage, Trash

1 and Recyclable Materials, within the City to one Hauler
2 throughout the city, referred to as the Contractor.

3 (b) All services for Residential Dwelling Unit and Commercial
4 Establishment Collection shall be rendered, billed and charged
5 pursuant to the exclusive franchise agreement between the City
6 of Margate and its designated Contractor. A copy of said
7 franchise is available in the City Clerk's Office.

8 (c) Owner Occupied Multifamily Communities are not presently
9 included in the exclusive franchise agreement, and may
10 subscribe to Collection services with Haulers that have been
11 awarded non-exclusive franchises in the City, as described in
12 Section 19-4. Owner Occupied Multifamily Communities have the
13 option to elect to be included in the exclusive franchise.
14 Owner Occupied Multifamily Communities that elect to be
15 included in the exclusive franchise agreement shall remain
16 part of any future exclusive franchise agreements.

17 **Sec. 19-4. - Non-exclusive franchise agreement to provide**
18 **Collection service for Owner Occupied Multifamily Communities**
19 **and Nonresidential Non-municipal Solid Waste**

20 (a) Agreement required; application fee. Any Person, company,
21 firm, partnership, etc., desiring to engage in the business of
22 collecting Solid Waste within the City for Owner Occupied

1 Multifamily Communities or Nonresidential Non-municipal Solid
2 Waste, which are not provided for in section 19-3 of this Code
3 shall, before commencing in or soliciting such business, enter
4 into a non-exclusive franchise agreement with the City. A
5 standard form non-exclusive agreement is on file at the City
6 Clerk Office.

7 (b) Each applicant for a non-exclusive franchise shall submit
8 with its application a nonrefundable fee of one hundred fifty
9 dollars (\$150.00), which shall cover necessary costs. Such
10 agreements shall be renewed annually. Each applicant for
11 renewal of a non-exclusive franchise shall be in good
12 standing, provide all required documentation, and submit with
13 its renewal application a nonrefundable fee of fifty dollars
14 (\$50), which shall cover necessary costs.

15 (c) Payments for use of public ways. Each Person, company, firm,
16 partnership, etc., wishing to collect Garbage and Trash in the
17 City, as allowable via non-exclusive franchise described
18 herein, shall agree to pay unto the City, in return for the
19 use of the streets, alleys, bridges, easements and other
20 public places thereof pursuant to the agreement, a sum of
21 money equal to five (5) per cent of the monthly gross receipts
22 from all accounts served within the limits of the City. The

1 aforesaid payments shall be made on or before the tenth of
2 each month, and provide the following information:

3 (1) Gross billing for each nonresidential customer in the
4 city;

5 (2) Gross receipts for each nonresidential customer in the
6 city; and

7 (3) Franchise fee due the city for each nonresidential
8 customer.

9
10 The Hauler shall provide to the city the monthly accounting as
11 well as a yearly audit, certified by an officer of the company
12 and notarized, and shall permit the city to inspect its
13 records respecting the nonresidential accounts within the city
14 at any reasonable time. Failure to provide the required
15 monthly information and payments and yearly audit shall be
16 grounds for cancellation of the franchise and forfeiture of
17 the bond provided in subsection (e).

18 (d) Liability insurance. The Hauler shall maintain liability
19 insurance on all equipment operated in the City for bodily
20 injury and property damage in amounts not less than two
21 hundred fifty thousand/five hundred thousand dollars
22 (\$250,000.00/\$500,000.00) bodily injury in any one accident,

1 the latter figure for accidents involving more than one
2 person; and property damage insurance in an amount of not less
3 than twenty-five thousand dollars (\$25,000.00) for one
4 accident. Further, the Hauler shall provide worker's
5 compensation insurance for its employees in the form and
6 amount prescribed by law. The aforesaid liability insurance
7 shall include a ten-day notice of cancellation in favor of the
8 city. The Hauler shall furnish to the city a copy of the
9 aforesaid insurance policies. The city shall be an additional
10 named insured in such policies.

11 (e) Franchise agreements. All franchise agreements as provided
12 in subsection (a) above shall conform to the franchise
13 agreement filed in the city clerk's office of the city, and
14 the mayor and city manager are hereby authorized to enter into
15 agreements with independent refuse Haulers without further
16 authorization.

17 (f) Bond required. To guarantee performance by the Hauler under
18 the franchise, the Hauler shall post with the city two
19 thousand five hundred dollars (\$2,500.00) in cash or the
20 estimated amount of franchise fees for a three-month period,
21 whichever sum is greater. Such sum may be applied by the city
22 to any default by the Hauler in the performance of the
23 franchise. Upon the completion of the terms of the franchise

1 and compliance with all terms and conditions hereof, a Hauler
2 shall be entitled to the return of such bond.

3 **Sec. 19-5. - Subscription to Collection service required.**

4 The owners and/or occupants of all buildings, structures and
5 lands located within the City shall subscribe to Garbage and
6 Trash Collection services with the Contractor through the
7 exclusive franchise described in Section 19-3 or a Hauler through
8 a non-exclusive franchise described in Section 19-4, as
9 appropriate. Residential Dwelling Units shall subscribe to Bulky
10 Waste, Yard Waste and Recyclable Materials Collection service
11 with the Contractor.

12 **Sec. 19-6 Hours and days of Collection**

13 Collection services shall be provided between the hours of 7:00
14 a.m. and 7:00 p.m., Monday through Saturday, with no collections
15 on Sunday. The City Manager may modify times and days for
16 Collection in certain areas due to noise or other concerns.

17 **Sec. 19-7. - Collection of Garbage and Trash from Residential**
18 **Dwelling Unit and Commercial Establishments**

19 (a) The City's Contractor, through the exclusive franchise
20 agreement, is required to provide Single Family Dwelling
21 Units with Garbage Carts.

1 (b) Single Family Dwelling Units with Garbage Carts shall
2 place all of their Garbage and Trash inside the Contractor
3 provided Garbage Carts so that the lids may completely
4 close.

5 (c) The Garbage Carts shall be placed Curbside by 7:00 a.m.
6 on their scheduled Collection day with the attachment bar
7 facing the street and at least three (3) feet from other
8 objects on all sides of the Garbage Cart. Residential
9 Dwelling Units shall also ensure that there are no objects
10 or obstructions in front of the Garbage Cart and no items
11 placed on top of the Garbage Cart when placed Curbside.
12 Full Garbage Carts shall, at maximum, contain the lesser of
13 one hundred fifty (150) pounds of materials or the maximum
14 capacity of the Garbage Cart.

15 (d) Multifamily Communities using Mechanical Containers and
16 Commercial Establishments shall execute a standard service
17 agreement, which conforms to the terms of the exclusive
18 franchise agreement, with the Contractor. Multifamily
19 Communities using Mechanical Containers and Commercial
20 Establishment shall place all of their Garbage and Trash
21 inside the Mechanical Containers so that the lids may
22 completely close. Property owners shall ensure that the

1 Contractor's vehicles are able to access the Mechanical
2 Containers on scheduled collection days.

3 (e) Use of Containers by any Person other than the owners
4 or occupants intended to use said Containers, without the
5 knowledge and consent of the owner or occupants intended to
6 use said Container, shall be deemed a violation of this
7 chapter.

8 (f) The City Manager is hereby granted full power and
9 authority to designate the location of said Containers and
10 the number of Containers to be kept in each location.

11 (g) Collections of Garbage and Trash from Single Family
12 Dwelling Units shall be made at least twice a week by the
13 City's Contractor, with Curbside Collections occurring at
14 least 72 hours apart for each Single Family Dwelling Unit,
15 unless otherwise determined by the City Manager. Collection
16 of Garbage and Trash from Multifamily Communities shall be
17 made at least twice a week by the City's Contractor, unless
18 an enclosed compactor Container is in use, in which case
19 Collection may occur less frequently, but shall occur as
20 necessary. Collections of Garbage from Commercial
21 Establishments shall be made at least twice a week by the
22 City's Contractor, unless an enclosed compactor Container

1 is in use, in which case Collection may occur less
2 frequently, but shall occur as necessary. For Commercial
3 Establishments generating only Trash, Collection may occur
4 once per week.

5 (h) The placement time of Garbage Carts shall be not
6 earlier than 5:00 p.m. the evening prior to the scheduled
7 collection day of Garbage, Trash or rubbish. Garbage Carts
8 shall be removed from the Curbside within twelve (12) hours
9 after Collection.

10 **Sec. 19-8. - Collection of Bulky Waste and Yard Waste for**
11 **Residential Dwelling Units .**

12 (a) For Single Family Dwelling Units, all Bulky Waste that
13 cannot be placed properly, whether due to size or weight,
14 in Garbage Carts shall be placed Curbside, where it will be
15 easily accessible to the Contractor's Bulky Waste
16 Collection vehicles. Single Family Dwelling Units shall
17 place their Bulky Waste Curbside by 7:00 a.m. on their
18 scheduled Collection day. Bulky Waste shall be collected
19 once per month on a scheduled Collection day. The
20 Contractor may offer supplemental Bulky Waste Collection,
21 which can be arranged directly with the Contractor. Single
22 Family Dwelling Units shall not place Garbage, Trash,

1 Construction Waste, tires, Yard Waste, or Unacceptable
2 Waste with this waste stream.

3 (b) For Multifamily Dwelling Units receiving Mechanical
4 Container service, all Bulky Waste shall be placed in an
5 area as determined by the property manager that shall reach
6 a mutual agreement with the Contractor on a location where
7 Bulk Waste shall be placed for Collection. Bulky Waste
8 shall be collected once per month on a scheduled Collection
9 day. The Contractor may offer supplemental Bulky Waste
10 Collection, which can be arranged directly with the
11 Contractor. Holiday trees must be free from any lights,
12 wiring, ornaments, etc. Residential Dwelling Units shall
13 not place Garbage, Trash, Construction Waste, tires, Yard
14 Waste, or Unacceptable Waste with this waste stream.

15 (c) For Single Family Dwelling Units, all Yard Waste shall
16 be placed Curbside, where it will be easily accessible to
17 the Contractor's Yard Waste collection vehicles. Single
18 Family Dwelling Units shall place their Yard Waste Curbside
19 by 7:00 a.m. on their scheduled Collection day. Yard Waste
20 shall be no larger than eight (8) inches in diameter and no
21 longer than six (6) feet in length at its longest point.
22 Bundling of large Yard Waste items is not required;
23 however, small Yard Waste items shall be placed in a

1 Garbage Can or clear plastic bag. Yard Waste shall be
2 collected once per week on a scheduled Collection day.
3 Residential Dwelling Units shall not place Garbage, Trash,
4 Construction Waste, tires, Bulky Waste, or Unacceptable
5 Waste with this waste stream.

6 **Sec. 19-9 - City not responsible for collection of building**
7 **materials.**

8 The city shall not be responsible for the collecting or hauling
9 of discarded building material, dirt, rock, plaster, iron or
10 other like material originating from private property, and this
11 material is to be removed by the owner or occupant of said
12 property.

13 **Sec. 19-10. - Collection of Source Separated Recyclable**
14 **Materials.**

15 (a) Single Family Dwelling Units.

16 (1) All Single Family Dwelling Units shall receive
17 Collection service from the City's Contractor for Source
18 Separated Recyclable Materials once per week on one of the
19 scheduled Garbage collection days. The manner in which the
20 Source Separated Recyclable Materials are collected shall
21 be as described in the City's exclusive franchise
22 agreement, which requires the Contractor to provide
23 dwelling units with Recycling Carts. Single Family Dwelling

1 Units shall store their Source Separated Recyclable
2 Materials in the Contractor-provided Recycling Carts. All
3 Recyclable Materials shall be placed in the same cart.

4 (2) The placement time of Recycling Carts shall be not
5 earlier than 5:00 p.m. the evening prior to the scheduled
6 collection day of Recyclable Materials. Recycling Carts
7 shall be removed from Curbside within twelve (12) hours
8 after Collection. The Contractor-provided Cart shall be
9 placed immediately behind the curblane. In the event there
10 is no curb, Contractor-provided Cart shall be placed within
11 the swale area, unless a different location is agreed upon
12 between the property owner and the Contractor.

13 (3) Recyclable Materials shall be Source Separated by the
14 resident and collected by the Contractor.

15 (b) Multifamily Community Collection.

16 (1) All Multifamily Communities shall receive Collection
17 service from the City's Contractor for Source Separated
18 Recyclable Materials at least once per week. The manner in
19 which the Source Separated Recyclable Materials are
20 collected shall be as described in the City's exclusive
21 franchise agreement, which requires the Contractor to
22 provide 95-gallon Recycling Carts such that there is a

1 minimum of one Recycling Cart for every eight (8) units in
2 the community, or provide equivalent capacity using
3 Mechanical Containers or more frequent collections of
4 Recycling Carts. Residents of Multifamily Communities shall
5 place their Source Separated Recyclable Materials in the
6 appropriate Contractor-provided Containers. All Recyclable
7 Materials may be placed in the same Container.

8 (2) Recyclable Materials shall be Source Separated by the
9 residents and collected by the Contractor.

10 (c) Unauthorized collection. It shall be a violation of this
11 section for any person, firm or corporation not authorized by
12 the city to collect or remove any Recyclable Material as
13 provided for above which has been specifically placed for
14 Collection in any recycling Container in any Residential
15 Dwelling Unit area of the city.

16 (d) The Contractor shall offer and make available its Source
17 Separated Recyclable Materials Collection service to all Owner
18 Occupied Multifamily Communities and Commercial
19 Establishments. Owner Occupied Multifamily Communities and
20 Commercial Establishments are not required to subscribe to
21 Recyclable Materials Collection with the Contractor. Owner
22 Occupied Multifamily Communities shall, and Commercial

1 Establishments may, contract with a Certified Recovered
2 Materials Dealer, which shall be registered with the city as
3 described in Section 19-12, for Collection of Recovered
4 Materials.

5 (e) Violations of section. Penalties for any unauthorized
6 collection of recycling material or the lack of compliance in
7 the recycling program shall be as provided in section 1-8 of
8 the City Code.

9 **Sec. 19-11. - Required Subscription and Compulsory service.**

10 (a) Every owner, tenant, or resident of a Residential Dwelling
11 Unit shall use the services of the Contractor, and it shall be
12 the responsibility of the owner to pay for such services. Such
13 compulsory service shall include a minimum of two (2) pickups
14 per week for Garbage, one (1) pickup per week of Source
15 Separated Recyclable Materials, regularly scheduled pickup of
16 monthly Bulky Waste, and regularly scheduled pickup of weekly
17 Yard Trash, as designated in the City's exclusive franchise
18 agreement. It is not the intent of this section to prohibit
19 any nonprofit organization from soliciting recyclable
20 materials for the purpose of resource recovery and recycling.

21 (b) Every owner or tenant of a Commercial Establishment shall
22 use the services of the Contractor, and it shall be the

responsibility of the owner to pay for such services. Such compulsory service shall include a minimum of two (2) pickups per week if waste includes Garbage as defined herein. Collections of Garbage from Commercial Establishments using an enclosed compactor Container may occur less frequently, but shall occur as necessary. For Commercial Establishments generating only Trash, Collection shall occur a minimum of once per week.

(c) Every property owner, Person, firm or corporation of a Commercial Establishment shall use the services of a Hauler awarded a non-exclusive franchise by the City, or cause such services to be used, for the Collection and removal of Nonresidential Non-Municipal Solid Waste. It shall be the responsibility of the owner to arrange and pay for such services.

(d) All removal, transport or hauling of Trash, Garbage and Residential Dwelling Unit Source Separated Recyclable Materials within the City of Margate not inconsistent with other provisions of this chapter shall be the responsibility of the Contractor. Any such removals, transport or hauling not done by Contractor shall be deemed a violation of this chapter.

(e) The City may require an increase in the frequency of Collections and/or the size of Containers for Residential Dwelling Unit and Commercial Establishments Garbage Collection when the service being provided becomes insufficient in the City's judgment to handle the quantity of waste generated or becomes a detriment to the health, safety, or welfare of the community. This does not preclude the City from requiring a special Collection where Garbage and Trash is placed at Curbside earlier than 5:00 p.m. of the day preceding scheduled Collection. The owner shall be responsible for payment for such services.

Sec. 19-12 - Private collection services for recovered materials at commercial establishments.

(1) Intent. It is the intent of the City and the purpose of this subsection to promote the public health, safety and general welfare by authorizing a registration program within the City of Margate for the Collection of Recovered Materials.

(2) Registration and application.

(a) Registration and application. Any Person who engages in the purchasing, transporting and processing of Recovered Materials at Commercial Establishments shall register with the City in accordance with the requirements of this section. The Registrant shall submit an original and one copy of all

1 required information to the City of Margate Department of
2 Environmental and Engineering Services. The registration
3 required by this section shall be in addition to and not
4 satisfied by any occupational license which may be required.
5 Applications for registration required by this section shall
6 be made to the City upon such form and in such manner as
7 prescribed by the city. The application shall be in such form
8 to elicit the following information and such other information
9 as may be required from time to time:

10 1. Registration fee. To be acceptable for filing, an
11 application for registration shall be accompanied by a
12 registration fee in the following amount, as appropriate:

13 Initial registration application or re-application
14\$200.00

15 Annual renewal of registration200.00

16 Transfer of registration100.00

17 2. Name and address of the dealer/Registrant, including
18 the identification of the owner or operator for the
19 dealer; if the applicant is a business entity, its
20 general partner or limited partners, its corporate
21 officers and directors. Any applicant that operates under
22 a fictitious name shall submit information that such

1 fictitious name is registered in the State of Florida and
2 held by the applicant.

3 3. Its permanent place of business, and mailing address,
4 if different;

5 4. A copy of the Registrant's Recovered Materials
6 certification under section 403.7046, F.S.;

7 5. Certification that the Recovered Materials will be
8 processed at a recovered materials processing facility
9 satisfying the requirements of section 403.7046, Florida
10 Statutes, as amended from time to time;

11 (b) Signatures; submission.

12 1. The registration and application for hauling Recovered
13 Materials shall be signed by the individual submitting
14 the application or, in the case of a corporation, by a
15 corporate officer thereof or, in the case of a
16 partnership or other association, by a member of the
17 partnership or association. Provided, however, that for a
18 publicly held corporation which has twenty-five (25) or
19 more shareholders, the signatures of the local managing
20 officer shall be sufficient. The completed registration
21 shall be submitted to the director of the Department of
22 Environmental and Engineering Services.

1 2. An affidavit or declaration of the applicant or
2 authorized officer certifying the truth and accuracy of
3 the information in the application, acknowledging the
4 enforceability of application commitments, and certifying
5 that the application meets all federal, state, and local
6 law requirements.

7 3. A signed statement by the applicant as part of the
8 process that it is understood that the mixing of
9 Recovered Materials with Garbage or Trash in excess of
10 10% contaminates the product and renders it Garbage or
11 Trash. In other words, Garbage and Trash shall not be
12 mixed with Recovered Materials and shall be Source
13 Separated.

14 (c) Once it has been determined by the director of the
15 Department of Environmental and Engineering Services, or
16 his/her designee, that the registration application is
17 complete and approved, Registrants shall be entitled to
18 operate for a period of up to one (1) year from the date of
19 issuance; provided, however, the registration shall be for the
20 period of October 1 through September 30 of each fiscal year.

21 (d) In addition to the above, the Registrant shall meet the
22 following requirements:

1 1. Registrant must provide to the City a copy of the
2 Recovered Materials reporting forms, as submitted to the
3 State of Florida Department of Environmental Protection.

4 2. The reporting format, and reporting frequency shall be
5 established by the City pursuant to section 403.7046,
6 which shall, at a minimum, include requiring the
7 Registrant to identify the types and approximate amount
8 of Recovered Materials collected, recycled, or reused
9 during the reporting period for all the Registrant's
10 accounts within the geographic boundaries of the City;
11 the approximate percentage of Recovered Materials reused,
12 stored, or delivered to a recovered materials processing
13 facility or disposed of in a Solid Waste disposal
14 facility; and the locations where any Recovered Materials
15 were disposed of as Solid Waste. Information reported
16 under this subsection which, if disclosed, would reveal a
17 trade secret, as defined in section 812.081(1)(c), is
18 confidential and exempt from the provisions of section
19 24(a), Article I of the State Constitution and section
20 119.07(1). The above notwithstanding, any and all
21 required reports shall be in accordance with Rule Chapter
22 62-722, Florida Administrative Code, as amended from time
23 to time.

1 3. Source-separate all Recovered Material, provided,
2 however, that Containers of mixed types of Recovered
3 Materials which contain more than ten (10) percent Solid
4 Waste, by weight or volume, shall not be deemed to be
5 Source Separated.

6 4. Vehicles used to transport Recovered Materials shall
7 meet all applicable regulations of the Florida Department
8 of Transportation and shall be capable of preventing
9 spillage or accidental release of Recovered Materials
10 during transport.

11 5. The registrant shall comply with all applicable
12 federal, state and local laws, regulations and
13 ordinances.

14 6. Registrant shall conduct all Collection, handling and
15 processing of Recovered Materials in accordance with the
16 requirements of this section and the certification issued
17 pursuant to Rule 62-722, Florida Administrative Code, as
18 amended from time to time.

19 7. In no event shall the Registrant perform Commercial
20 Establishment Solid Waste Collection services under the
21 guise of collecting, transporting, processing, or
22 disposing of Recovered Materials.

1 8. Registrant shall not deliver Recovered Materials to a
2 facility which is permitted as a Solid Waste management
3 facility and not permitted for processing of Recovered
4 Material unless the Registrant has given prior
5 notification to the City Manager, and Registrant has
6 received authorization to utilize such facility.

7 9. Registrant shall provide a copy of its certification
8 and registration to any commercial generator of Recovered
9 Materials, the Registrant's agents and contractors, or to
10 customers who request such proof of registration.

11 10. Registrant shall collect the same materials as is
12 included in the City's exclusive franchise agreement,
13 which shall include the following: office paper,
14 cardboard, newspaper, magazines, metal cans and lids,
15 plastic containers numbered 1-7, aseptic and paperboard
16 containers, glass food and beverage containers and any
17 other Recyclable Material that may be added to the City's
18 exclusive franchise agreement.

19 (e) If any of the registration information submitted by the
20 Registrant changes during the term of the registration, the
21 Registrant shall report those changes to the City within
22 thirty (30) calendar days of the change.

1 (f) The Registrant shall pay the City the required annual
2 renewal of the registration fee between September 1 and
3 October 1 of each fiscal year.

4 (3) Transferability. No registration issued pursuant to this
5 section may be assigned or transferred without the prior
6 written approval of the City.

7 (4) Inspection of books and records. The City shall have the
8 right at all times upon reasonable notice to inspect the
9 relevant books and records of Registrant. The inspection shall
10 be for the purpose of verifying that the Registrant is in
11 compliance with the requirements of this section. The books
12 and records of the Registrant shall be maintained at a
13 location within Broward County, Florida, or produced at such
14 location upon request of the city.

15 (5) Violation; penalty.

16 (a) Violation. Each violation of this section or any of its
17 subsections is deemed a separate and distinct infraction of
18 this Code; however, for the first violation of operating
19 without a registration the Hauler or dealer shall be given a
20 written warning and allowed ten (10) calendar days to apply
21 for and receive the required registration.

22 (b) Penalty. Any person who violates any provision of this
23 section shall be punished as provided herein:

1 1. Fine. Each violation of this section shall be
2 punishable by a minimum civil penalty of two hundred
3 fifty dollars (\$250.00). A maximum civil penalty of five
4 hundred dollars (\$500.00) may be assessed plus the costs
5 associated with investigation and prosecution together
6 with any equitable remedies deemed reasonable and proper
7 by the court.

8 2. Revocation. The violation of the terms and conditions
9 of this section may be cause for revocation of the
10 registration. The City Manager may, upon repeated
11 violations of this section, revoke a registration for a
12 violation as aforementioned and may immediately declare
13 such registration null and void, and, upon such
14 declaration, the hauler issued the registration shall
15 immediately cease all operations and shall be considered
16 to have forfeited such registration and the rights
17 acquired thereunder. Should the City Manager decide to
18 revoke a registration, he/she shall provide the Hauler
19 with notice of such revocation and the reasons therefore.
20 Such notice shall be sent certified mail, return receipt
21 requested. Upon receipt of such notice, the Hauler may
22 appeal such revocation to the City of Margate Code
23 Enforcement Special Magistrate (Special Magistrate), and

1 the appeal and hearing thereon shall be conducted in
2 accordance with the following procedures:

3 a. Should a Hauler seek appeal from the revocation of
4 the registration, the applicant shall furnish notice
5 of such request for appeal to the City Clerk no later
6 than twenty (20) calendar days after the date of
7 receipt of the certified letter advising applicant of
8 revocation of the registration.

9 b. Upon receipt of a request for appeal, the City
10 Clerk shall thereupon fix the date and time at which
11 the Special Magistrate shall hear the appeal, such
12 hearing to be held not less than ten (10), nor more
13 than thirty (30) calendar days subsequent to the date
14 upon which such request for appeal was filed with the
15 City Clerk. Upon setting the matter for hearing, the
16 City Clerk shall notify the applicant of the date and
17 time of such hearing. At the conclusion of the
18 hearing, the Special Magistrate shall either sustain
19 the decision of the City Manager or direct the City
20 Manager to issue a registration.

21 3. Other enforcement. Nothing in this section shall
22 prohibit the city from enforcing this section by other
23 means.

(6) Exemptions. The registration requirements required of this section shall not be required by Persons exempt pursuant to Rule Chapter 62-722, Florida Administrative Code, as amended from time to time.

(7) Effective March 1, 2016, an approved registration as described herein must be held by all Haulers who provide Collection services for Recovered Materials within the city.

Sec. 19-14. - Violations.

It is hereby declared to be unlawful for any Person to do or to perform any of the following acts or practices:

(a) To deposit on or bury in or cause to be deposited on or buried in any land, public square, street, alley, vacant or unoccupied lot, the waters of any waterway, or of any creek or watercourse, any noxious filth, malodorous or offensive liquid or solid material or Garbage, or to place or keep such material or Garbage anywhere within the limits of the City in any vessel or receptacle other than in a standard, approved Container from which regular Collections are to be made.

(b) To deposit or cause to be deposited in any street, gutter or in any storm water inlet or basin within the city limits any sweepings, hair, paper, chips, bones, glass, peelings, straw or any solid or liquid matter whatsoever

1 from any stores, dwellings, offices, shops or other
2 business establishments.

3 (c) To remove or convey or cause or permit to be removed or
4 conveyed any Garbage or other offensive material, Trash,
5 paper or material of like nature upon or along any public
6 street or alley, except when a special permit for removing
7 or conveying same shall be granted by the City Manager, and
8 such permit may be revoked by said City Manager at any time
9 for cause.

10 (d) To place or cause to be placed upon or in any public
11 street or alley discarded building material, dirt, rock,
12 glass or scrap iron for Collection.

13 (e) To place or cause to be placed in Containers any
14 Unacceptable Waste.

15 (f) To molest, remove, handle or otherwise disturb the
16 Containers which have been placed on city property for
17 servicing by the Contractor; provided that this subsection
18 does not apply to the occupant of the residence, dwelling
19 or business establishment from which the Container and
20 contents are removed.

21 (g) To place or cause to be placed in the public streets or
22 alleys, or on the sidewalks or parkways, or on the edge of

lots adjacent to the sidewalks, or in vacant lots any grass clippings, leaves or other small rubbish that could be properly disposed of by being placed in Containers that will meet the approval of the city manager.

Sec. 19-15. - Penalty for violations.

Violations of this chapter shall subject the violator to enforcement and penalties as provided in Section 1-8 of this Code.

Sec. 19-16. - Removal of unauthorized debris; removal by city; deposit.

All Trash and rubbish not contained in approved Containers shall be declared a potential fire hazard and shall be removed at the expense of the owner. To this end, the owner will be served with a written notice to remove said Trash or rubbish within three (3) days, or to deposit with the City Manager an amount of money therein stated by the City Manager as sufficient to cover the cost of such Trash or rubbish removal if removed by the City, either with its own facilities or those of others specifically employed for this purpose. If failure to adequately provide for garbage collection in accordance with this article shall result in an unsanitary condition or create a nuisance, the city shall have the right to enter upon the premises, remove garbage, trash or construction waste and charge the owner the cost to the city

1 for such services. Billing for collection shall be on a per
2 pickup basis. The city shall forward to the owner at his last
3 known address a copy of the charges for such collection,
4 including any delinquency charges, and, if same is not paid
5 within thirty (30) days after such notice is mailed, the same
6 shall be and constitutes a lien upon the property in question.

7 **Sec. 19-17. - Littering.**

8 (a) Depositing of litter prohibited. It shall be unlawful for
9 any person, firm or corporation, in person or by his agent,
10 employee or servant, to cast, throw, sweep, sift or deposit in
11 any manner in or upon any public way or street or other public
12 place in the City or any river, canal, public water, drain,
13 sewer or receiving basin within the jurisdiction of the City,
14 any kind of dirt, rubbish, waste article, thing or substance
15 whatsoever, whether liquid or solid. Nor shall any person,
16 firm or corporation, cast, throw, sweep, sift or deposit any
17 of the aforementioned items anywhere within the jurisdiction
18 of the City in such manner that it may be carried or deposited
19 in whole or in part, by the action of the sun, wind or rain
20 into any of the aforementioned places.

21 Provided that this section shall not apply to the deposit of
22 material under a permit authorized by any ordinance of the City;
23 or to goods, wares or merchandise deposited upon any public way

1 or other public place temporarily in the necessary course of
2 trade; and removed therefrom within ten (10) hours after being so
3 deposited; or to articles or things deposited in or conducted
4 into the City sewer system through lawful drains in accordance
5 with the ordinances of the City relating thereto.

6 Provided, further, that this section shall not apply to the
7 deposit of material or other Garbage or Trash placed for normal
8 Collection service within seventy-two (72) hours after being so
9 deposited.

10 (b) Vehicles to be covered. It shall be unlawful for any person,
11 firm or corporation, in person or by his or its agent,
12 employee or servant, to use any vehicle to haul any kind of
13 dirt, rubbish, waste articles or things or substance, whether
14 liquid or solid, unless such vehicle is covered to prevent any
15 part of its load from spilling or dropping at all times while
16 such vehicle is in motion on any street or alley in the
17 municipality; except that while such vehicle is on State Road
18 441, it shall be covered at all times except while actually
19 being loaded or unloaded. Provided, however, that the
20 requirements herein for covering such vehicles shall not apply
21 to vehicles carrying brush cuttings, tree trimmings, branches,
22 logs and similar waste material, or fill or sand if such

1 matter is securely lashed or loaded on such vehicle to prevent
2 spilling or dropping as aforesaid.

3 (c) Penalty. Any Person, firm or corporation violating any of
4 the provisions of this section shall be punished as provided
5 by section 1-8 of this Code; and a separate offense shall be
6 deemed committed on each day during or on which a violation
7 occurs or continues.

8
9 SECTION 2: All ordinances or parts of ordinances in
10 conflict herewith are and the same is hereby repealed to
11 the extent of such conflict.
12

13 SECTION 3: If any section, sentence, clause, or phrase
14 of this ordinance is held to be invalid or unconstitutional
15 by a court of competent jurisdiction, then said holding
16 shall in no way affect the validity of the remaining
17 portions of this ordinance.
18

19 SECTION 4: It is the intention of the City Commission
20 that the provisions of this ordinance shall become and be
21 made a part of the City of Margate Code, and that the
22 sections of this ordinance may be renumbered or relettered
23 and the word "ordinance" may be changed to "section",
24 "article" or such other appropriate word or phrase in order
25 to accomplish such intentions.
26

27 SECTION 5: This ordinance shall become effective
28 immediately upon adoption at its second reading.
