

**Subject:** Avaya Telephone System

**Proposal submitted to:** NW Focal Point Senior Center/Karin Diaz

**Overview:** NW Focal Point Senior Center is currently using an Avaya Partner system. This system is showing signs of failure and is manufacturer discontinued. CCS will furnish and install a new AVAYA IP Office system to replace this Partner.

CCS will bring down cost of current AT&T monthly bill by 40%. We will equip the AVAYA system to receive the new digital phone service with carrier. There will be no extra charge for this, it is included in our SOW.

**Scope of work to include:**

- Site Survey
- Furnish and install (17) 9508 series telephones
- Furnish and install (1) Main Control Unit- AVAYA IP500V2
- Furnish and install all necessary licensing for system- AVAYA Essential
- Furnish and install (1) overhead paging adapter- Bogen
- Furnish and install (1) side cars for reception phone- Side Car for Reception
- All programming and installation included
- All end user and admin training included
- First day of business support included
- Two year warranty

**Assumptions:**

- All work to be completed during regular business hours
- 

**All of the above mentioned work will be completed in a professional manner for the sum of:**

Total one time- \$12,329.20

Hi Karin-

It was a pleasure meeting you Friday and seeing your facility and the important work you do.  
Here is the information you requested:  
I have prepared the quote with two options:

### **OPTION 1: (11 lines on system)**

Telecom South will:  
Install **Toshiba CIX 40** system equipped for up to 11) AT&T lines  
CIX40 cabinet with power supply  
CIX40 processor  
3) 20 button liquid crystal display speakerphones  
13) 10 button liquid crystal display speakerphones  
1) 4 port Auto attendant/Voicemail system-I will do all recordings, if you like  
Installation using existing cable in place  
Set up, programming, training  
Two year warranty on new equipment  
System price is \$5,295.00 + tax  
Terms are 50% down and balance on completion

If you prefer a **lease**, a 36 month lease is \$169.60+ tax/month.  
There is a **\$1.00 buy out** at the end of the lease

### **OPTION 2: (7 lines on system)**

Telecom South will:  
Install **Toshiba CIX 40** system equipped for up to 7) AT&T lines  
CIX40 cabinet with power supply  
CIX40 processor  
3) 20 button liquid crystal display speakerphones  
13) 10 button liquid crystal display speakerphones  
1) 4 port Auto attendant/Voicemail system-I will do all recordings, if you like  
Installation using existing cable in place  
Set up, programming, training  
Two year warranty on new equipment  
System price is \$4,985.00 + tax  
Terms are 50% down and balance on completion

If you prefer a **lease**, a 36 month lease is \$163.21+ tax/month.  
There is a **\$1.00 buy out** at the end of the lease
