SERVICES	
Cooler unit replacement Thank you for allowing us to provide you with an estimate to replace your walk in cooler refrigeration system. The replacement of the packaged refrigeration system includes all parts and labor and includes a new liquid line filter drier, virgin refrigerant, start up, testing and a follow up visit. Please allow 2 weeks for shipping and aprx 6 hrs for installation.	\$3,385.00

TOTAL **\$3,385.00**

Good morning Karen,
I apologize for how long it took to get this to you. The holidays caused delays in getting the prices from our vendor. Please let me know how to proceed as I am confident this price is reasonable and our proposal is responsive to your needs.
Gene Senay
