Re: *Dominion Self Storage – Easement Vacation Request*
SDA Project No. 0761

Dear Mr. Chitepu,

We would like to request the partial vacation of the existing utility easement recorded in O.R.B. 37935, PG. 1864, B.C.R. The watermain that utilized the portion of the easement to be vacated has been removed, and relocated with a new easement.

Please find enclosed a sketch and legal showing the portion of the existing easement to be vacated, along with a fee check in the amount of \$100.00. Should you require anything further, or have any questions please do not hesitate to contact me.

Yours truly,

Michael F. Giani, E.I.
