

INTRODUCTION

To the selection board of the city of Margate,

We would like to begin by thanking you for the opportunity to submit this proposal bid for the City of Margate, Public Works Department-Fleet Services.

Joey Accardi Automotive Group has the experience to handle your fleet service needs. We are a large automotive group based in Broward County, Florida. Joey Accardi is a factory authorized dealer of Chrysler, Jeep, Dodge, Ram, and Subaru. As a factory authorized dealer, we have the ability to perform factory warranty service repairs, and have an excellent buying power with these factories to purchase OEM parts. In addition, we are staffed with highly skilled and trained body shop managers, service writers, and body shop technicians. We have extensive experience and fleet maintenance, including fleet maintenance of the Broward Sheriff's Office. As a matter of background, Joey Accardi was awarded the BSO fleet maintenance contract from 1991-1994 and again in 2013. Joey Accardi has been under contract for BSO fleet body shop repair since 2004. In addition, in 2011, Joey Accardi was awarded the contract for repair and maintenance of the BSO motorcycle fleet. Our stellar reputation has prompted other municipalities to enlist our services to maintain their fleets in both service and body shop repair throughout the years.

If we are awarded the City of Margate Body Shop contract, you can rest assure that the service site will be staffed with seasoned administrative employees and ASE and I CAR certified technicians. In addition, we will be able to provide cost savings on parts with our factory buying power and with our purchasing agreements with our outside suppliers to buy parts at jobber rate (which is less than wholesale).

We are committed to continuing education and skill, as such our service technicians will continue to receive updated training through manufacturing programs as well as ASE and I CAR certifications and other industry programs.

We look forward to the opportunity to save the city money and downtime over the course of the initial three-year proposal. We are excited for the opportunity to build our relationship with the City of Margate.

Thank you for your consideration,

Joseph Accardi

PROFILE

The Accardi Family has been in business in Broward County for over 35 years in Pompano Beach. Originally owned and operated by Eddie Accardi, starting as a Jeep, AMC, Renault dealer to grow to a multi-dealer company today. It is now passed on to Joey Accardi to carry on the legacy since 2010.

We developed a flat rate program for fleet accounts, which allows them to be more cost effective and timely, which we installed with the Broward Sheriff's Office.

We also are one of the top dealers in customer service (CSI). For Jeep, Chrysler, Dodge, and Subaru in our zone. Being a family owned company makes it so easy to make decisions on site for any issue, rather than dealing in a corporate maze. We give our department managers decision making authority to speed up any process to do things quicker and more efficiently for our customers.

Our body shop has done BSO body work and other fleets for over 30 years, and our managers have been here for years to maintain stability in the departments for our customers and our fleet accounts.

In all, we are a full line automotive group with parts, service, sales, and body shop for our community and customers, and we are willing to do anything it takes to complete any task at hand.

APPROACH

Collision and body shop repair is one of the most critical elements in optimizing and maintaining a fleet, especially for a municipality servicing their community. By implementing a priority turn-around plan for fleet vehicles and equipment we can maximize the efficiency of the fleet, extend the life of vehicles and equipment, and minimize disruption to the fleet. In addition to implementing the plan, we will be properly purchasing parts inventory to maximize the efficiency of the repair, and minimize downtime of the fleet vehicle when it is in the shop.

The fleet repair shop will be appropriately staffed to meet the demands of the fleet. The repair shop will be equipped with the necessary state of the art tools to perform body shop repairs. Joey Accardi strives to keep the repair facility up to date with advanced technology and state of the art tools.

The City of Margate is a major fleet and we will place our best efforts for parts and repair to be done as a priority, and get the vehicle back on the job with a quality repair.

Attention: Joey Accardi

To Whom It May Concern:

The Broward Sheriff's Office entered into a new contract for fleet maintenance with Joey Accardi and Pompano Automotive Group, in January of 2014. After 20 years with a previous vendor, I had concerns about the transition to a new vendor and a new staff. I was pleasantly surprised that the transition was seamless. The Pompano Automotive Group is a professional organization, and is dedicated to the successful forming of a partnership with their clients. There were some bumps in the road as expected, but the Pompano Automotive Group Management team worked swiftly to get them resolved.

I would strongly recommend Joey Accardi and the Pompano Automotive Group to any agency looking for fleet maintenance.

Sincerely,

To whom it may concern:

It is my pleasure to recommend Billy Vaccaro and Joey Accardi CJDS as a service provider. As the General Manager of EF Tire and Auto Repair, I know first-hand how important it is to be able to depend on and refer my customers to equally professional and reliable local shops. Billy and I did business for more than 4 years while he worked at Dealers Certified Collision. Based on Billy's work ethic and excellent service, when he relocated to Joey Accardi, I felt it was in EF's best interest to continue working with him. As a result, we regularly exchange business with Joey Accardi.

Please contact me at your earliest convenience if I can be of further assistance.
