Department of Environmental and Engineering Services  
901 NW 66th Avenue, Suite A  
Margate, FL, 33063

**Re: Recommendation for Award  
Bid No. 2018-006  
West WWTP Injection Well MIT  
City of Margate WWTP**

Dear Mr. Eyma:

Hazen and Sawyer has reviewed the proposal documents for the West Wastewater Treatment Plant (WWTP) Injection Well Mechanical Integrity Testing (MIT) project opened on November 22, 2017. The City provided Hazen and Sawyer with a copy of the Bid Tabulation and copies of the proposals. The proposal of the lowest bidder, All Webb's Enterprises, Inc., was evaluated for their overall technical ability to perform the work. Our review did not include a determination of bidder responsiveness.

We have reviewed references identified by the bidder and their submitted proposal documents. Based on our review, and our experience administering other recent contracts by this bidder, we consider this bidder to be responsible and qualified to perform the work described in the contract documents. As such, we recommend that the contract be awarded to All Webb's Enterprises, Inc. in the amount of \$78,096.00.

If there are any questions, please contact our office.

Very Truly Yours,

Michael W. Wengrenovich, PE  
Senior Associate
