**Subject:** Thompson Additional Pricing

Wylene – as requested I am providing you with optional hourly pricing. Please let me know if you have additional requirements or if you would like the information in an alternative format. Thank you.

## ALTERNATIVE PRICE PROPOSAL

Thompson is pleased to provide the City of Margate (City) with the following hourly rates to perform disaster debris monitoring and grant consulting services. The hourly labor rates proposed bellow include all applicable overhead and profit. All non-labor related project costs will be billed to the City at cost without mark-up.

### Disaster Debris Monitoring Services

| Positions                  | Hourly Rates |
|----------------------------|--------------|
| Project Manager            | \$62.50      |
| Operations Managers        | \$60.00      |
| Data Manager               | \$55.00      |
| GIS Analyst                | \$46.50      |
| Field Supervisor           | \$46.50      |
| Debris Site/Tower Monitors | \$35.00      |
| Collection Monitor         | \$35.00      |
| Data Entry Clerk/Clerical  | \$28.00      |
| Billing/Invoice Analyst    | \$50.00      |

### Other Optional Rates

Thompson is pleased to provide the following optional rates and positions.

| Positions/Products                                                       | Hourly Rates |
|--------------------------------------------------------------------------|--------------|
| Automated Debris Management System (ADMS) Device (handheld with printer) | \$7.00       |
| Grant Management Consultant                                              | \$105.00     |
| Grant Management Analyst                                                 | \$75.00      |
