1. **DEFINED TERMS:** Terms used in these Instructions to Bidders and the Notice Inviting Bids which are defined in the General Conditions, have the meaning assigned to them in the General Conditions. The term “bidder” means one who submits a bid directly to City, as distinct from a sub-bidder, who submits a bid to a bidder.
2. **COMPETENCY OF BIDDER:** In selecting the bid which best meets the interests of the City, consideration will be given not only to the financial standing, but also to the general competency of the bidder for the performance of the Work covered by the bid. To this end, each bid shall be supported by a statement of the bidder’s experience as of recent date on the form entitled “**Reference Sheet**” herein. A “NO BID” for the Work will be accepted from a contractor who does not hold a valid contractor’s license in the State and County where the Work is to be performed (if required by State or County) applicable to the type of Work bid upon at the time of opening bids.
3. **DISQUALIFICATION OF BIDDER:** More than one bid from an individual firm, partnership, corporation, or association under the same or different names will not be considered. If the City believes that any bidder is interested in more than one bid for the Work contemplated, all bids in which such bidder is interested will be rejected. If the City believes that collusion exists among the bidders, all bids will be rejected.
4. **BIDDER’S EXAMINATION OF BID DOCUMENTS AND SITE:**
 - 4.1 It is the responsibility of each bidder before submitting a bid, to:
 - (a) Examine the Bid Documents thoroughly,
 - (b) Visit the site to become familiar with local conditions that may affect cost, progress, or performance of Work,

 - (d) Study and carefully correlate the bidder’s observations with the Bid Documents, and,
 - (e) Notify the City or the City’s Representative of all conflicts, errors, or discrepancies in the Bid Documents.

4.2 The submission of a Bid will constitute an incontrovertible representation by the bidder that the bidder has complied with every requirement of “Bidders Examination of Bid Documents and Site” contained herein, that without exception the bid is premised upon performing the Work required by the Bid Documents and such means, methods, techniques, sequences or procedures as may be indicated in or required by the Bid Documents, and that the Bid Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance of the Work.

- 5. INTERPRETATIONS:** All questions about the meaning or intent of the Bid Documents are to be directed to the City or the City’s Representative in writing. Interpretations or clarifications considered necessary in response to such questions will be issued by written Addenda to all parties recorded by the City or the City’s Representative as having received the Bid Documents. Questions received less than 7 days prior to the date for opening of bids may not be answered. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect. It is the Contractor’s responsibility to contact the City prior to the bid opening to determine if any addenda have been issued on the project.

- 10. DISCREPANCIES IN BIDS:** In the event there is more than one bid item in a bidding schedule, the bidder shall furnish a price for all bid items in the schedule, and failure to do so will render the bid non-responsive and may cause its rejection. In the event there are unit price bid items in a bidding schedule and the "amount" indicated for a unit price bid item does not equal the product of the unit price and quantity, the unit price shall govern and the amount will be corrected accordingly, and the Contractor shall be bound by said correction. If the bidder who has been awarded the bid pursuant to Paragraph 15 refuses or fails to execute the agreement, the City may award the Contract to whichever bidder it determines next best serves its interest. Nothing in the Bid Documents shall create any Contractual relationship between City and any such subcontractor, supplier or other person or organization, nor shall it create any obligation on the part of City to pay or to see to the payment of any moneys due any such subcontractor, supplier or other person or organization except as may otherwise be required by laws and regulations.

All Work performed for Contractor by a subcontractor will be pursuant to an appropriate agreement between Contractor and the subcontractor which specifically binds the subcontractor to the applicable terms and conditions of the Bid Documents for the benefit of City.

the extent caused by the negligence, recklessness or intentional wrongful misconduct of the Contractor and persons employed or utilized by the Contractor in the performance of this agreement. 44. SURVIVAL OF OBLIGATIONS: All representations, indemnification, warranties and guarantees made in, required by, or given in accordance with this Agreement, as well as all continuing obligations indicated in the Bid Documents, shall survive final payment, completion and acceptance of the Work and termination or completion of the Agreement.

When the above conditions are removed or resolved or the Contractor provides a surety bond or a consent of surety satisfactory to the City which will protect the City in the amount withheld, payment may be made in whole or in part.
