

DEP AGREEMENT NO. LW675

**STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
LAND AND WATER CONSERVATION FUND PROGRAM
ACQUISITION OR DEVELOPMENT OF LAND FOR PUBLIC RECREATION PURPOSES
AGREEMENT FOR FISCAL YEAR 2017-2018**

THIS AGREEMENT is entered into pursuant to Section 215.971, Florida Statutes (“F.S.”) between the **STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION**, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the “Department”), and **CITY OF MARGATE**, whose address is 6199 NW 10th Street, Margate, Florida, 33063-2420 (hereinafter referred to as “Grantee”), a local governmental entity, to provide financial assistance in furtherance of an approved public outdoor recreation project known as **Firefighters Park**, (hereinafter referred to as the “Project”). Collectively, the Department and the Grantee shall be referred to as “Parties” or individually as a “Party.” For purposes of this Agreement, the terms “Grantee” and “Recipient” may be used interchangeably.

WHEREAS, the Department is authorized to administer the Land and Water Conservation Fund (“LWCF”) State Assistance Program, pursuant to the Land and Water Conservation Fund Act of 1965, as amended; Public Law 88-578, Title 54, U.S.C. Chapter 2003 and Section 375.021(4), F.S.; and,

WHEREAS, the Department received federal financial assistance through the Land and Water Conservation Fund Project Agreement No. **12-00675** from the United States Department of the Interior, National Park Service (hereinafter referred to as “USDOI” or “NPS”) for the purposes of administering LWCF Program Funds for public outdoor recreation projects; and,

WHEREAS, pursuant to subsections 62D-5.069(16) and 62D-5.070(4), Florida Administrative Code (“F.A.C.”), the Grantee, as an approved applicant following a competitive evaluation of eligible program applications, has been determined to be a subrecipient of the LWCF Program Funds being administered and monitored by the Department. Thus, the Grantee and Department are additionally responsible for complying with the appropriate federal guidelines in performance of the Project activities pursuant to this Agreement.

NOW THEREFORE, in consideration of the mutual covenants contained herein and pursuant to Section 375.021(4), F.S. and Rules 62D-5.068 through 62D-5.074, F.A.C., as may be amended from time to time, the Parties hereto agree as follows:

1. ENTIRE AGREEMENT.

This Grant Agreement, including any Attachments and Exhibits referred to herein and attached hereto (Agreement), constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any preprinted terms and conditions included on Grantee’s form or invoices shall be null and void.

2. TERMS OF AGREEMENT.

The Grantee hereby agrees to perform in accordance with the terms and conditions set forth in this Agreement, additionally described in **Attachment A, Project Work Plan**, including all attachments, guidelines, forms, and exhibits that are attached hereto or incorporated by reference. The Grantee acknowledges that receipt of this grant does not imply or guarantee that a federal, state, or local permit will be issued for a particular activity to complete the Project. Further, the Grantee agrees to ensure that all necessary permits are obtained prior to implementation of any **Project Work Plan** activity that may fall under applicable federal, state, or local laws.

Administrative Forms, Reimbursement Forms, and Guidelines referenced in this Agreement may be found at the following website:

<https://floridadep.gov/ooo/land-and-recreation-grants/content/land-and-water-conservation-fund-program>, or by contacting the Department’s Grant Manager, listed in paragraph 3 of this Agreement.

Prior to commencement of the Project, the Grantee shall submit to the Department all documentation and completion of responsibilities listed on **Attachment B, Commencement Documentation Checklist, DRP-122**, available online and incorporated herein by reference. Upon approval by the Department, the Department will issue a written "Notice to Commence" to the Grantee. Unless and until the Department issues the "Notice to Commence" authorizing Grantee to commence the Project, the Department is not obligated to pay or reimburse Grantee for fees, costs, or general expenses of any kind incurred after the effective date of the Agreement but prior to the "Notice to Commence."

Project site facilities shall be attractive for public use, and generally consistent and compatible with the environment. Plans and specifications for Project site improvements and facilities shall be in accordance with current and established engineering and architectural standards and practices. Emphasis should be given to the health and safety of users, accessibility to the general public, and the protection of the recreational and natural values of the area. **Any conceptual site plan may be altered by the Grantee only after written approval by the Department and NPS.** All utility lines installed within the Project site shall be placed underground.

The Grantee shall have final site plans (site, engineering, and architectural) prepared for the proper and full completion of the Project and sealed by a registered architect or engineer licensed in accordance with the laws of the State of Florida (collectively the "Project Plans"). The Grantee must deliver a complete original, signed and sealed set of the Project Plans to the Department as a condition of and prior to commencement of any Development.

Pursuant to the LWCF Act and general requirements of the LWCF Program, land owned by the Grantee that is developed or acquired with LWCF Program Funds shall be dedicated in perpetuity as an outdoor recreation site for the use and benefit of the public in accordance with Rule 62D-5.074, F.A.C. Land that is leased from the federal government or another public agency by Grantee must include safeguards to ensure the perpetual use requirement contained in the LWCF Act.

Safeguards include such things as joint sponsorship of the Project or an agreement between the Parties that the lessor will assume compliance responsibility for the Project site in the event of default by the lessee (Grantee) or termination or expiration of the lease. Execution of this Agreement by the Department constitutes an acceptance of a Project site(s) dedication on behalf of the public of the State of Florida. These dedications must be recorded in the county's public property records by the Grantee in accordance with subsection 62D-5.074(1), F.A.C. The Project site(s) shall be open at reasonable times and shall be managed in a safe and attractive manner. Facilities shall be kept in reasonable repair for a minimum of twenty-five (25) years from the date set forth on the Project Completion Certification to prevent undue deterioration. This Agreement is not transferable.

3. **GRANT ADMINISTRATION.**

All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient.

If a different Grant Manager is designated by either Party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other Party and maintained in the respective Parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

C. The Department, and in certain circumstances the NPS, must approve any changes to this Agreement. The Grantee shall submit any request for an amendment to the Department's Grant Manager, who will determine whether the request requires NPS approval. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both Parties. A formal amendment to this Agreement is required for changes which cause any of the following: an increase or decrease in the Agreement funding amount; a change in the Grantee's match requirements; a change in the expiration date of the Agreement; and/or changes to the cumulative amount of funding transfers between approved budget categories that exceeds or is expected to exceed ten percent (10%) of the total budget as last approved by the Department. A change order to this Agreement may be used when task timelines within the current authorized Agreement period change, and/or when the cumulative transfer of funds between approved budget categories are less than ten percent (10%) of the total budget as last approved by the Department, or without limitation to changes to approved fund transfers between budget categories for the purchases of meeting match requirements. This Agreement may be amended to provide for additional services if additional funding is made available by USDOJ, NPS and the Florida Legislature.

D. All days in this Agreement are calendar days unless otherwise specified.

4. PERIOD OF AGREEMENT.

This agreement shall be effective **September 22, 2017** ("Effective Date"), through **September 30, 2020** ("Expiration Date"). However, all work under this Agreement must be completed no later than **May 31, 2020**, which shall also be the "Project Completion Date."

5. FUNDING.

The Grantee, pursuant to LWCF Guidelines, shall be eligible for authorized reimbursement of costs through the Project Completion Date of this Agreement. The costs must meet all requirements and financial reporting of the LWCF Program and rules and regulations applicable to expenditures of federal and state funds. These rules and regulations are hereby adopted and incorporated by reference.

A. If the Grantee's approved Project includes the acquisition of land, the Grantee shall purchase the Project site according to mandates of the LWCF Program, as more particularly described in the LWCF Federal Financial Assistance Manual (Manual) (<https://www.nps.gov/subjects/lwcf/lwcf-manual.htm>). The Department determines the total Grant Award based on the Project cost, negotiated purchase price, or approved appraised value, whichever is lowest. All Grant Awards are subject to annual appropriations by USDOJ, NPS, and the Florida Legislature. If the negotiated purchase price or approved appraised value is greater than the annual appropriation by USDOJ, NPS and the Florida Legislature, the Grantee must pay the additional cost.

B. As consideration for the Grantee's satisfactory completion of the approved Project under LWCF Guidelines and the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of **\$200,000.00** towards the total estimated approved Project cost of **\$400,000.00**. The Parties understand and agree that this Agreement requires at least a fifty percent

(50%) non-federal match from the Grantee towards the work funded under this Agreement. Therefore, the Grantee is responsible for providing **\$200,000.00** towards the Project funded under this Agreement. It is understood that any additional funds necessary for the completion of this Project are the responsibility of the Grantee. It is further understood that Grant Awards may be revised by the Department due to the availability of LWCF Program Funds. Grant Awards are contingent upon appropriation by the USDOJ, NPS, and the Florida Legislature.

- C. All required matching funds shall meet the federal requirements established in 2 CFR § 200.306 and other federal statutory requirements, as applicable. Grantee acknowledges and agrees to provide eligible match types as set forth in the Manual. Grantee acknowledges and agrees not to provide ineligible match sources, including real property acquired or funds obtained from any of the following sources:
- i. Florida Recreation Development Assistance Program (FRDAP), Recreation Trails Program (RTP), and Land and Water Conservation Fund (LWCF);
 - ii. Donated value of real property acquired prior to Department approval or through Land and Water Conservation Fund; and
 - iii. Other state or federal grant or land acquisition programs such as: legislative special interest projects, Save Our Coast Program, Preservation 2000, Florida Forever, Conservation and Recreation Lands Program, Save Our Rivers Program, and Land Acquisition Trust Fund.

Real property donated as all or part of the Grantee's required match must be appraised prior to commencement of the Project. Pursuant to subsection 62D-5.071(9), F.A.C., the Grantee shall submit appraisal(s), obtained at its own expense and prepared in accordance with the Uniform Appraisal Standards for Federal Land Acquisitions ("UASFLA"). The appraisal must establish the fair market value of the Project site. Property appraised at \$500,000 or less requires one (1) appraisal. Property exceeding \$500,000 in appraised value requires a second appraisal. The appraisal(s) shall be dated no earlier than six (6) months prior to the closing date of the LWCF application submission period. The appraisal must be prepared by an appraiser on the list of approved appraisers maintained by the Department's Division of State Lands under the provisions of Sections 253.025(6)(b), 259.041(7)(c), F.S., and Rule 18-1.007, F.A.C. Project cost is based on the purchase price or appraised value, whichever is lower; if two (2) appraisals are required, the Project cost is lowest of the two appraisals or the purchase price. Appraisal costs shall not be reimbursed under the terms and conditions of this Agreement.

6. DELIVERABLES.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment A, Project Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and in accordance with LWCF Guidelines. Deliverables may be comprised of activities that must be completed prior to the Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all Attachments and Exhibits incorporated herein.

7. PERFORMANCE MEASURES.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Project Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or sub-grantees shall comply with any security and safety requirements and processes, if provided by the Department, for work done at the Project site. The Department reserves the right to investigate or inspect at any time whether the services or qualifications offered by the Grantee meet the Agreement requirements. Notwithstanding any provisions to the contrary, written acceptance of a particular deliverable/minimum requirement does not foreclose the Department's remedies in the event those performance standards that cannot be readily measured at the time of delivery are not met.

8. ACCEPTANCE OF DELIVERABLES.

- A. Acceptance Process. All deliverables must be received and accepted in writing by the Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at the Grantee's expense. If the

Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

- B. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Project Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to the Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at the Grantee's sole expense. The Grantee shall only invoice the Department for deliverables that are completed in accordance with the Project Work Plan. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Project Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to the Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which the Grantee may remedy the objections noted by the Department. The Grantee's failure to make adequate or acceptable said deliverables after a reasonable opportunity to do so may constitute an event of default.

9. FINANCIAL CONSEQUENCES FOR NONPERFORMANCE.

- A. Withholding Payment. In addition to the specific consequences explained in the Project Work Plan, the State of Florida reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. These consequences for nonperformance shall not be considered penalties.
- B. Corrective Action Plan. If the Grantee fails to correct all deficiencies in a rejected deliverable within the specified timeframe, the Department may, in its sole discretion, request that a Corrective Action Plan (CAP) be submitted by the Grantee to the Department. The Department shall provide the Grantee with a written request for a CAP that specifies the outstanding deficiencies. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.
- i. The Grantee shall submit a CAP within ten (10) calendar days of the date of the written request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
 - ii. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.
 - iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by this Agreement.

- C. If the Grantee materially fails to comply with the terms and conditions of this Agreement, including any federal or state statutes, rules, or regulations the Department may take one or more of the following actions, as appropriate for the circumstances.
- i. Temporarily withhold cash payments pending correction of the deficiency by the Grantee.
 - ii. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

- iii. Wholly or partly suspend or terminate this Agreement.
- iv. Withhold further awards for the Project or LWCF Program.
- v. Take other remedies that may be legally available.
- vi. If the Grantee incurs any financial obligations during a suspension or after termination of this Agreement they are not reimbursable unless the Department expressly authorizes them in the notice of suspension or termination. If the Grantee can demonstrate that the costs incurred during suspension or after termination were necessary and not reasonably avoidable, the Department may reimburse those costs if the following apply:
 - a. The costs result from obligations that were properly incurred by the Grantee before the effective date of suspension or termination, were not in anticipation of it, and in the case of termination, are noncancelable, and;
 - b. The cost would be allowable if the Agreement were not suspended or expired normally at the end of the funding period in which the termination takes place.

The remedies identified above do not preclude the Grantee from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689.

- D. If the Grantee materially fails to comply with the terms stated in this Agreement or with any provisions of Chapter 62D-5, F.A.C., the Department shall terminate this Agreement and demand return of the LWCF Program Funds. Furthermore, the Department shall declare the Grantee ineligible for further participation in LWCF until the Grantee is in compliance pursuant to subsection 62D-5.074(4), F.A.C.

10. **PAYMENT.**

- A. **Payment Process.** Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Project Work Plan, and the billing procedures established by the Department, the Department agrees to pay the Grantee for services rendered in accordance with Section 215.422, F.S. To obtain the applicable interest rate, please refer to: <http://www.myfloridacfo.com/Division/AA/Vendors/default.htm>.
- B. **Taxes.** The Department is exempted from payment of State sales and use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by the Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with the Department. The Grantee shall not use the Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.
- C. **Maximum Amount of Agreement.** The maximum amount of compensation under this Agreement, without an amendment, is outlined in paragraph 5.B. of this Agreement. Any additional funds necessary for the completion of this Project are the responsibility of the Grantee.
- D. **Reimbursement for Costs.** The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Project Work Plan. The Grantee shall request reimbursement using **Attachment C, Payment Request Summary Form, DRP-115**, available online and incorporated herein by reference. To be eligible for reimbursement, Project costs must comply with the laws, rules, and regulations applicable to expenditures of state funds, including, but not limited to, the LWCF Manual and Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. The Grantee shall comply with the minimum requirements set forth in **Attachment D, Contract Payment Requirements**, available online and incorporated herein by reference.
- E. **Project Costs and Cost Limits:**
 - i. **Project Costs.** The Department will reimburse Project costs pursuant to paragraph 62D-5.073(2)(a), F.A.C., and as provided herein. The Grantee must incur all reimbursable Project costs between the Effective Date of the Agreement and the Project Completion Date as set forth in the Project Completion Certification. If the total cost of the Project exceeds the grant amount and the required match the Grantee must pay the excess cost.
 - ii. **Cost Limits.** Pursuant to paragraph 62D-5.073(2)(b), F.A.C., project planning expenses for

Development Projects, such as architectural and engineering costs, permitting fees, and project inspection fees, are eligible Project costs provided that such costs do not exceed fifteen percent (15%) of the total Project cost. These costs must be incurred between the Effective Date of this Agreement and the Project Completion Date.

- F. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by the Department pursuant to the Project Work Plan shall be submitted to the Department in sufficient detail for a proper pre-audit and post-audit to be performed.
- G. Final Payment Request. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the Project Completion Date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Project Work Plan must be performed on or before the Project Completion Date of the Agreement. The Department will not process the final payment until the Grantee has met the match requirement.
- H. Annual Appropriation Contingency. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Florida Legislature and the availability of funding and grants from the USDOJ and NPS. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of the Department if USDOJ, NPS, and/or the Florida Legislature reduces or eliminates appropriations.
- I. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration.

11. DOCUMENTATION REQUIRED FOR COST REIMBURSEMENT GRANT AGREEMENTS AND MATCH.

Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

- A. Salaries/Wages (Grantee Labor). The Grantee may be reimbursed for direct salaries or multipliers (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) for Grantee's employees, as listed on the Grantee's approved Cost Analysis to be submitted pursuant to Attachment A, Project Work Plan, Task 1.
- B. Overhead/Indirect/General and Administrative Costs. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by the Grantee exceed the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration.
 - i. Fringe Benefits (Employee Benefits) – Shall be calculated at a rate up to 40% of direct salaries.
 - ii. Indirect Cost – Shall be calculated at 15% of direct costs.
- C. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices. Subcontracts that involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest shall be charged on the excessive rate.
 - i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment A, Project Work Plan. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice.

- ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under Section 287.055, F.S. or the Brooks Act, the Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.
- D. Rental/Lease of Equipment. Match or reimbursement requests for the rental/lease of equipment must include copies of invoices or receipts to document charges.
- E. Travel. The Grantee will not be reimbursed for travel expenses under the terms and conditions of this Agreement.
- F. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of the Grantee's contract obligations to its subcontractor, the Department shall not reimburse any of the following types of charges: cell phone usage, attorney's fees or court costs, civil or administrative penalties, or handling fees, such as set percent overages associated with purchasing supplies or equipment.
- G. In addition to the invoicing requirements contained herein, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to state and federal guidelines (including cost allocation guidelines), as applicable. The Grantee must provide the requested information within thirty (30) calendar days of such request. The Department may also require the Grantee to submit a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/; and allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200 and 2 CFR 1402, at <http://www.ecfr.gov>.
- H. Because of the federal funds awarded under this Agreement, the Grantee must comply with ***The Federal Funding Accountability and Transparency Act ("FFATA") of 2006***. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov. Grant Recipients awarded a new Federal grant greater than or equal to \$25,000 awarded on or after October 1, 2010, are subject to the FFATA. The Grantee agrees to provide the information necessary, over the life of this Agreement, for the Department to comply with this requirement.

12. REPORTS.

- A. The Grantee shall utilize **Attachment E, Project Status Report, DRP-109**, available online and incorporated herein by reference, to describe the work performed during the reporting period, problems encountered, problem resolutions, schedule updates, and proposed work for the next reporting period. The Project Status Reports shall be submitted to the Department's Grant Manager no later than twenty (20) calendar days following the completion of the reporting period. It is hereby understood and agreed by the Parties that the term "reporting period" shall reflect the reporting period ending January 5, May 5, and September 5. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee. The Final Status Report is due sixty (60) days prior to the Expiration Date of this Agreement. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.
- B. Additionally, the Grantee shall comply with the reporting and inventory requirements set forth in the Statewide Comprehensive Outdoor Recreation Plan (SCORP), available online: <https://floridadep.gov/parks/florida-scorp-outdoor-recreation-florida> and hereby incorporated by reference, by updating the Florida Outdoor Recreation Inventory (FORI) system (<https://floridadep.gov/parks/florida-outdoor-recreation-inventory>).

13. RETAINAGE.

- A. For Development Projects only, the Department shall retain ten percent (10%) of the Grant Award until the Grantee completes the Project and the Department approves the completion documentation set forth in paragraph 62D-5.073(2)(c) and subparagraph 62D-5.073(7)(e)2., F.A.C.
- B. The Department reserves the right to withhold payment of retainage for Grantee's failure to respond to or correct identified deficiencies within the timeframe stipulated in the Project Work Plan. The Department shall provide written notification to Grantee of identified deficiencies and the Department's intent to withhold retainage. Grantee's failure to rectify the identified deficiency within the timeframe stated in the Department's notice will result in forfeiture of retainage by Grantee.
- C. If Grantee fails to perform the requested work, or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment for the work and the retainage called for under the entire Project Work Plan. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed.
- D. No retainage shall be released or paid for incomplete work while this Agreement is suspended.
- E. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.
- F. The Department may perform an on-site inspection of the Project site to ensure compliance with the Project Agreement prior to release of the final grant payment. Any deficiencies must be corrected by Grantee prior to disbursement of final payment.

14. PROJECT COMPLETION CERTIFICATION.

Project completion means the Project is open and available for use by the public. To certify completion, the Grantee shall submit to the Department **Attachment F, Project Completion Certification Form, DRP-126**, available online and incorporated herein by reference. The Project must be designated complete prior to release of final reimbursement.

15. SIGNAGE.

Grantee must erect a permanent information sign on the Project site that credits funding, or a portion thereof, to the Florida Department of Environmental Protection and the Land and Water Conservation Fund Program. Use of the LWCF Logo on the permanent Project signs is required. Grantee is encouraged to position signage acknowledging LWCF assistance at entrances to outdoor recreation sites, at other appropriate on-site locations, and in folders and park literature. The acknowledgement of LWCF assistance will be checked during compliance inspections. The sign must be installed on the Project site and approved by the Department before the final Project reimbursement request is processed. The required LWCF Logo, LWCF Terms of Use, and sample sign are available online: <https://floridadep.gov/ooo/land-and-recreation-grants/content/land-and-water-conservation-fund-program>.

16. SITE DEDICATION.

The interest in land developed or acquired by the Grantee with LWCF Program Funds shall be subject to the site dedication requirements set forth in Chapter 62D-5, F.A.C. and of the LWCF Act, specifically Section 6(f)(3), as codified in 36 CFR § 59.3. Pursuant to the LWCF Act and general requirements of the LWCF Program, land owned by the Grantee that is developed or acquired with LWCF Program Funds shall be dedicated in perpetuity as an outdoor recreation site for the use and benefit of the public. Land that is leased from the federal government or another public agency by Grantee must include safeguards to ensure the perpetual use requirement contained in the LWCF Act. Safeguards include such things as joint sponsorship of the Project or an agreement between the Parties that the lessor will assume compliance responsibility for the Project site in the event of default by the lessee (Grantee) or termination or expiration of the lease. These dedications must be recorded in the county's public property records by the Grantee.

17. LAND ACQUISITION.

- A. Reimbursement. For Acquisition Projects, reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following:
- i. Uniform Appraisal Standards for Federal Land Acquisitions (“UASFLA”) standard appraisal; and
 - ii. A signed and sealed survey of the Project site prepared pursuant to subparagraph 62D-5.058(6)(f)2., F.A.C.; and
 - iii. Title Opinion prepared by a member of the Florida Bar or a licensed title insurer covering the prior thirty (30) year period; and
 - iv. An Environmental Assessment (see 43 CFR § 46(D)); and
 - v. Conduct a Section 106 Review and provide the State Historic Preservation Officer’s findings; and
 - vi. Resubmit the PD/ESF valuation certification after the UASFLA appraisal.
- B. Site Development. The Grantee shall have three (3) years from completion date set forth in the Project Completion Certification to develop the property, unless extended by staff upon written request of the Grantee for good cause, as outlined in paragraph 62D-5.073(6)(f), F.A.C.

18. CONVERSION.

This Project site acquired and/or developed with LWCF assistance shall be retained and used for public outdoor recreation. This Project site so acquired and/or developed shall not be wholly or partly converted to other than public outdoor recreation uses without the written approval of the NPS pursuant to the conversion provisions of Section 6(f)(3) of the LWCF Act, 36 CFR Part 59, the LWCF Manual and all other applicable regulations. All conversion provisions and guidelines apply to each area or facility for which LWCF assistance is obtained, regardless of the extent of participation of the Project in the assisted area or facility and consistent with the contractual agreement between USDOJ, NPS, and the State of Florida.

Should Grantee convert all or part of the Project site to other than public outdoor recreational uses, the Grantee shall replace the area, facilities, resource, or Project site at its own expense with an acceptable project of comparable or greater value, scope, and quality pursuant to LWCF mandates. All conversions require amendments to the original Project agreement (36 CFR § 59.3(c)). Therefore, amendment requests should be submitted concurrently with conversion requests. Project boundary maps shall be submitted with the amendment request to identify the changes to the original area caused by the proposed conversion and to establish a new Project area pursuant to the substitution. Once conversion has been approved, replacement property should be immediately acquired. When it is not possible for replacement property to be acquired immediately, an express commitment to satisfy Section 6(f)(3) substitution requirements with a specified period, normally not to exceed one (1) year following conversion approval, is required. This commitment will be in the form of an amendment to the original Agreement.

19. INSURANCE.

- A. Required Coverage. At all times during this Agreement the Grantee, at its sole expense, shall maintain insurance coverage of the types and with the terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee’s liability and obligations under this Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:
- i. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during this Agreement. The Department of Environmental Protection, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be \$200,000 each individual’s claim and \$300,000 each occurrence.

i. Workers' Compensation and Employer's Liability Coverage.

The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S., and employer's liability insurance with minimum limits of \$100,000 per accident, \$100,000 per person, and \$500,000 policy aggregate. Such policies shall cover all employees engaged in any work under this Agreement.

ii. Commercial Automobile Insurance.

If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department of Environmental Protection, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

\$200,000/\$300,000 Automobile Liability for Company-Owned Vehicles, if applicable

\$200,000/\$300,000 Hired and Non-Owned Automobile Liability Coverage

iii. Other Insurance.

Additional insurance may be required by federal law, where applicable, if any work proceeds over or adjacent to water, including but not limited to Jones Act, Longshoreman's and Harbor Worker's, or the inclusion of any applicable rider to worker's compensation insurance, and any necessary watercraft insurance, with limits of not less than \$300,000 each. Questions concerning required coverage should be directed to the U.S. Department of Labor (<https://www.dol.gov/owcp/dlhwc/lcontac.htm>) or to the parties' insurance carrier.

- B. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of the types and with the terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.
- C. Exceptions to Additional Insured Requirements. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere this Agreement requires them to be added as an additional insured. Further, notwithstanding the requirements above, if Grantee is self-insured, then the Department of Environmental Protection, its employees, and officers do not need to be listed as additional insureds.
- D. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.
- E. Proof of Insurance. Upon execution of this Agreement, the Grantee shall provide the Department documentation demonstrating the existence and amount for each type of applicable insurance coverage **prior to** performance of any work under this Agreement. Upon receipt of written request from the Department, the Grantee shall furnish the Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.
- F. Failure to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, the Grantee shall immediately notify the Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) calendar days after cancellation of the coverage.

20. TERMINATION.

- A. Termination for Convenience. The Department may terminate the Agreement in whole or in part by giving thirty (30) days' written notice to the Grantee, when the Department determines, in its sole

discretion, that it is in the State's interest to do so. The Department shall notify the Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee shall not furnish any service or deliverable after it receives the notice of termination, unless otherwise instructed in the notice. The Grantee shall not be entitled to recover any cancellation charges or lost profits. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.

- B. Termination for Cause. The Department may terminate this Agreement if any of the events of default described below occur or in the event that the Grantee fails to fulfill any of its other obligations under this Agreement. The Grantee shall continue work on any portion of the Agreement not terminated. If, after termination, it is determined that the Grantee was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.
- C. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination, and except as otherwise directed by the Department, the Grantee shall stop performing services on the date, and to the extent specified, in the notice.

21. NOTICE OF DEFAULT.

If the Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, without limitation, any of the events of default listed below, the Department shall provide notice to the Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, the Grantee will be found in default, and the Department may terminate the Agreement effective as of the date of receipt of the default notice.

22. EVENTS OF DEFAULT.

Provided such failure is not the fault of the Department or outside the reasonable control of the Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

- A. The commitment of any material breach of this Agreement by the Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement.
- B. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding.
- C. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information.
- D. Failure to honor any term of the Agreement.
- E. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority.
- F. Failure to pay any and all entities, individuals, and the like furnishing labor or materials, or failure to make payment to any other entities as required herein in connection with the Agreement.
- G. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act.
- H. Failure to maintain the insurance required by this Agreement.

- I. One or more of the following circumstances, uncorrected for more than thirty (30) calendar days unless, within the specified 30-day period, the Grantee (including its receiver or trustee in bankruptcy) provides to the Department adequate assurances, reasonably acceptable to the Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
 - i. Entry of an order for relief under Title 11 of the United States Code;
 - ii. The making by the Grantee of a general assignment for the benefit of creditors;
 - iii. The appointment of a general receiver or trustee in bankruptcy of the Grantee's business or property; and/or
 - iv. An action by the Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

23. SUSPENSION OF WORK.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide the Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Grantee shall comply with the notice. Within ninety (90) days, or any longer period agreed to by the Parties, the Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after thirty (30) days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle the Grantee to any additional compensation.

24. FORCE MAJEURE.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Grantee. In case of any delay the Grantee believes is excusable, the Grantee shall notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if the Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date the Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against the Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Grantee shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Department, in which case the Department may (1) accept allocated performance or deliveries from the Grantee, provided that the Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by the Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

25. INDEMNIFICATION.

- A. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
 - i. Personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that the Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the Department;

- ii. The Grantee's breach of this Agreement or the negligent acts or omissions of the Grantee.
- B. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon the Department giving the Grantee (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by the Department in any legal action without the Grantee's prior written consent, which shall not be unreasonably withheld.
- C. Notwithstanding paragraphs 25.A. and 25.B. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each Party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either Party of its sovereign immunity or the provisions of Section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.
- D. No provision in this Agreement shall require the Department to hold harmless or indemnify the Grantee, insure or assume liability for the Grantee's negligence, waive the Department's sovereign immunity under the laws of Florida, or otherwise impose liability on the Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

26. LIMITATION OF LIABILITY.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of this Agreement. Such liability is further limited to a cap of \$100,000.

27. REMEDIES.

Nothing in this Agreement shall be construed to make the Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit the Department's right to pursue its remedies for other types of damages under this Agreement, at law or in equity. The Department may, in addition to other remedies available to it at law or in equity and upon notice to the Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy claim for damages, penalties, costs and the like asserted by or against it.

28. WAIVER.

The delay or failure by the Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of the Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

29. STATUTORY NOTICES RELATING TO UNAUTHORIZED EMPLOYMENT AND SUBCONTRACTS.

- A. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.
- B. Pursuant to Sections 287.133 and 287.134, F.S., the following restrictions apply to persons placed on the convicted vendor list or the discriminatory vendor list:
 - i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant

- ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.
 - iii. Notification. The Grantee shall notify the Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list or the discriminatory vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and posts the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

30. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS.

- A. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

To facilitate and document the NEPA process, the LWCF Proposal Description and Environmental Screening Form (PD/ESF) was completed and submitted as part of the approved LWCF application to the NPS. The ESF administratively documents a Categorical Exclusion (CE) recommendation or the necessity of further environmental review through an Environmental Assessment (EA) or Environmental Impact Statement (EIS), as necessary. NPS will conduct an independent review of the PD/ESF and determine the appropriate action. When applicable, the Grantee will coordinate with the Department to ensure the Project's compliance with NEPA, and appropriate documentation of such compliance will be maintained by both Parties.
- C. Pursuant to 36 CFR § 59.4, Section 6(f)(8) of the Land and Water Conservation Fund Act prohibits discrimination based on residence, including preferential reservation or membership systems, except to the extent that reasonable differences in admission and other fees may be maintained on such basis. This prohibition applies to both regularly scheduled and special events. Fees charged to nonresidents cannot exceed twice that charged to residents. When there is no charge for residents but a fee is charged to nonresidents, nonresident fees cannot exceed fees charged for residents at comparable state or local facilities. Reservation, membership, or annual permit systems available to residents must also be available to nonresidents and the period of availability must be the same for both residents and nonresidents. The Grantee is prohibited from providing residents the option of purchasing annual or daily permits while at the same time restricting nonresidents to the purchase of annual permits only. Nonresident fishing and hunting license fees are excluded from these requirements.
- D. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

The Department, the State, or their authorized representatives shall have access to

such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of the Department's Inspector General, or other authorized State official, the Grantee shall provide any type of information the Inspector General deems relevant to the Grantee's integrity or responsibility. Such information may include, but shall not be limited to, the Grantee's business or financial records, documents, or files of any type or form that refer to or relate to the Agreement. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment G. If the Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, the Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment G, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, the Grantee shall utilize the guidance provided under 2 CFR § 200.330 for determining whether the relationship represents that of a subrecipient or vendor. - C. The Department may, for cause, deny access to the Department's secure information or any facility by any Grantee employee, subcontractor, or agent.
- D. The Department's actions under paragraphs 38.B. or 38.C. shall not relieve the Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.
- E. The Department will not deny the Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of the Department's denial is safety or security considerations.
- F. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
- G. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for the Grantee to meet the required delivery schedule.

39. GUARANTEE OF PARENT COMPANY:

If the Grantee is a subsidiary of another corporation or other business entity, the Grantee asserts that its parent company will guarantee all of the obligations of the Grantee for purposes of fulfilling the obligations of the Agreement. 41. THIRD PARTIES:

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of the Grantee, its agents, servants, and employees, nor shall the Grantee disclaim its own negligence to the Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If the Department consents to a subcontract, the Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

42. SEVERABILITY:

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

The term includes, but is not limited to, a county; a city, town, or other municipality; or a department, commission, authority, school district, taxing district, water management district, board, public corporation, institution of higher education, or other public agency or body thereof authorized to expend public funds for construction, maintenance, repair or improvement of public works.

 - ii. Provide employees a specified type, amount, or rate of employee benefits;
 - iii. Control, limit, or expand staffing; or
