GENERAL TERMS

Holiday Lighting 2018

City of Margate

- Lighting may be installed beginning the second week of September with other jobs in the area. Please have tree trimming completed by the first week in September.
- All visual decorations will be installed when lighting is turned on or no later than December 1st of each season under contract unless other arrangements have been made.
- All Visual decorations will be removed no later than January 15th of each season under contract.
- All lighting will be disconnected the first week of January of each season under contract. **(This does not mean actual removal of the lights)**
- Removal of holiday lighting will begin the second week of January and be completed by the second week of February.
- All lighting will be serviced throughout the season from “turn on” through December 31th each season.
- All lighting will be turned off within the week after Three Kings, January 6th 2019, **EXCEPT** all Oak Tree’s that will remain lit until March 1st.

Area 1 – Margate Blvd Center Median	\$ 15,058.00
Area 2 – Roundabout	\$ 8,290.00
Area 3 – West Roundabout	\$ 13,392.00
<i>Service of Lights – Light up through December 31st per season</i>	<u>NO CHARGE</u>
TOTAL CITY OF MARGATE RENTAL PER SEASON	\$ 35,638.00

Contract Term is one (1) season commencing August 15, 2018 and ending December 31, 2018.

One-year agreement payments to be made as follows: 50% payment due with acceptance of contract, to be placed on installation schedule. Final 50% payment due upon completion of installation. Balances over 30 days will incur a 1.5% finance charge per month. Use of Payment Services will incur related surcharges. Use of any Credit Card will incur 3.5% surcharge.

ACCEPTANCE: All material is guaranteed to be as specified. All work to be completed in a workman like manner according to standard practices. Any alteration or deviation from the above specifications involving extra costs will be executed only upon written orders and will become an extra charge over and above this contract. All agreements contingent upon strikes, accidents, any acts of God or delays beyond our control. Owner will carry fire, tornado, hurricane (wind) and other necessary insurance. Our workers are fully covered by Worker's Compensation.

The above prices, specifications, terms and conditions are satisfactory and hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above. Once this Lease Agreement is signed by both parties it becomes a contract. ****By signing this agreement customer is acknowledging receipt of Customer Awareness Information Sheet and Electrical Specifications. Please see "General Terms" for important installation and takedown information. **This proposal may be withdrawn if not accepted in 20 days.**

****Sales Tax is calculated to the best of proposer's knowledge. Unless a Tax-Exempt Certificate is provided beforehand, Christmas Designers uses AvaTax to apply correct Sales Tax and/or County Tax on Final Invoice.**

Proposal City of Margate

Pompano Beach, FL

CUSTOMER AWARENESS INFORMATION SHEET

The following is a list of items that Christmas Designers has compiled to make our customers aware of some very important information regarding your holiday program.

Tree/Hedge Trimming

In order for Christmas Designers to be able to install all of our customers' program in a timely manner, it is necessary that our customers have their trees trimmed prior to our being in their area to install the holiday program. It will be necessary to have your tree trimming completed by the first week of September. If there are holiday lights being installed in your hedges, they must be trimmed by November 1st.

Electrical Specifications

Christmas Designers provides electrical specifications with every proposal for your holiday program to let you know what the electrical requirements are for the program that is being quoted. While electrical outlets may be visible in the area that is being quoted, there is no way to tell what else may be on the same circuit as those outlets. Your electrician is the only one that would be able to verify that there is sufficient power for the holiday program that is being quoted. Please have your electrician verify that there is enough power available for the holiday program. Christmas Designers would be happy to discuss any questions your electricians may have.

Servicing of Holiday Lights/Decor

At Christmas Designers, we pride ourselves on our service to our customers. Service is provided from the time of "turn on" until December 31st. We have crews dedicated solely to the service of our holiday lights/decor. Even though our service crews are out on a regular basis, should a need for service arise, please call or e-mail us.

**E-mail to: service@christmasdesigners.com
Service phone number (954) 973-4225, ext. 101**

Trouble Shooting Guide:

Bubble Covers on Electrical Outlets

We recommend oversized bubble covers on all electrical outlets being used for your holiday program. Bubble covers aid in preventing the outlets from getting wet, which will cause the GFI to trip. Oversized bubble covers, rather than regular size, are used to accommodate extension cords.

GFIs (Ground Fault Interrupters)

A GFI, or ground fault circuit interrupter, is an automatic device that offers personal protection against electrical shock. The GFI will trip when the receptacle and/or holiday lights become wet, which will cause your lights to go out. To reset the GFI, simply press the red "reset" button. ****Customer is responsible for resetting GFI outlets.**

****Remember GFI's will not operate in rain or when sprinklers are running. GFI's will only reset when the entire electrical system is dry and the power / timer is on.**

Lights are on 24 hours a day

Some customers experience a situation where their holiday lights are remaining lit 24 hours a day. The main cause is the electrical infrastructure not being hooked up to a permanent timer or photocell.

Disconnecting/Removal of Holiday Lights

All holiday lights will be disconnected the first week of January unless otherwise agreed to. **(This does not mean actual removal of the lights)**

Removal of holiday lighting will begin the second week of January and be completed by the second week of February.

If you have any questions or need further clarification on this information, please call us at (800) 432-5139.
