Mr. James Messick, PE
Project Manager
Calvin, Giordano & Associates, Inc.
1800 Eller Drive, Suite 600
Fort Lauderdale, FL 33316

Re: RFQ 2018-012 – Civil Engineering Services

Dear Mr. Messick,

The Selection and Evaluation Committee (SEC) for the City of Margate met and performed the final ranking of the shortlisted firms for the above referenced Request for Qualifications (RFQ). Following are the rankings:

<u>FIRM</u>	<u>TOTAL POINTS</u>
Carnahan, Proctor and Cross, Inc.	474
Chen Moore and Associates, Inc.	472
Kimley-Horn and Associates, Inc.	453
RJ Behar & Company, Inc.	435
Calvin, Giordano & Associates, Inc.	422
Lakdas/Yohalem Engineering, Inc.	409

The SEC will recommend the top two (2) ranked firms to the Margate City Commission and request authorization to negotiate individual continuing services agreements for the multiple award of RFQ No. 2018-012 to those firms.

In addition, the SEC determined that the firm Lakdas/Yohalem possesses an extremely high caliber of expertise specifically related to the structural engineering discipline of civil engineering. Given that finding, and in accordance with the Final Selection criteria stipulated on page seven of the RFP document, the SEC members unanimously agree that it best meets the interests of the City to request that the City Commission also approve negotiations with Lakdas/Yohalem in order facilitate the utilization of that firm by the City for structural engineering.

The Committee's recommendations and requests will be placed on a future City Commission meeting agenda.

Thank you for your interest in providing civil engineering services to the City of Margate. I can be reached at (954) 935-5341 should you have any questions or require additional information.

Sincerely,

Spencer L. Shambray, CPPB
