FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

FULL SIZE 4-DOOR UTILITY VEHICLES - 4X2 SPECIFICATION #31

2019 Dodge Durango SXT RWD (WDDL75)

The Dodge Durango SXT RWD (WDDL75) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★ Western	★ Northern	★ Central	★ Southern
BASE PRICE:	\$24,707.00	\$24,622.00	\$24,682.00	\$24,682.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Subject: Re: stuff

Hey Steve, I am trying to finish up my purchase requisitions for the 2019 Admin Dodge Charger SXT RWD (LDDM48). Once again, I don't see the code for the extra key fobs or the tire relocation bracket. I know on the charger pursuit the codes are GQX FOB and TBH Tire Bracket. Can you please advise. TY
