

## Your long term partner

TriSource is a full-service staffing agency that specializes in the recruitment of candidates per industry. Our goal is to establish professional, long term relationships with clients and assist with finding the ideal candidates for their opportunities in these areas of business.

We pride ourselves in developing strong relationships with both our clients and candidates, providing superior customer service while making ideal, long lasting placements.

**TriSource is a leader in the staffing industry providing temporary, temporary to permanent and direct hire placements to a variety of industries.**

### History

TriSource is a privately-owned company that was established in 2008. TriSource was created to raise the standards in recruiting and offering our employees, clients and candidates a set of core values that would add value and exceed expectations.

Your solution for the highest  
quality staffing solutions.

“

TriSource is always professional and responsive to our needs. They understand our requirements and present quality candidates in a timely fashion. Their candidates are truly a representation of their company.

Connecting Top  
Professionals with  
Clients

We are a staffing firm that focuses on sourcing and placing the most qualified applicants in the area. Our goal is to establish professional relationships with companies to assist with finding the ideal candidates for their opportunities.

We work with our clients to achieve their staffing goals whether it is on a temporary, temporary-to-hire, or direct-hire basis.

Our reputation is based on our track record of placing fully screened, dependable, qualified, reliable, skilled, and motivated people.

## We offer temporary, temporary to permanent and direct hire placement.

TriSource is committed to supporting your staffing needs, and will work hard to earn your satisfaction. TriSource is committed to its mission of exceeding the needs and expectations of our clients. Our tenured recruiters review all your needs and recruit qualified professionals. We adhere to a thorough screening process which includes: an in-person interview, skill testing, drug testing, criminal background check, references and degree verification. This enables us to select well qualified, and experienced candidates suitable for your most demanding requirements. We take pride in providing excellent customer service to both candidates and clients.

**TriSource's reputation is based on our track record of placing fully screened, dependable, qualified, hardworking, skilled, and motivated people. Working with TriSource will allow you to find the perfect candidates for your opportunities.**

### Temporary

TriSource offers temporary staffing to cover vacation, medical leave, projects, newly created roles and urgent vacancies. We offer a quick turnaround with highly qualified candidates who are able to hit the ground running.

### Temporary to Permanent

TriSource offers temporary to permanent placement to provide an evaluation period for both the employer and candidate to ensure a lasting fit. TriSource goes through an extensive screening process to find candidates, saving organizations time and resources. During this period, we remain in close contact with both the candidate and employer to make sure the skills are being properly showcased prior to offering employment.

### Direct Hire

TriSource offers direct hire placements for our clients for all levels of positions. Our candidates are thoroughly screened and vetted by our recruitment team to ensure our clients expectations are met. Our recruiters spend dedicated time and resources taking the stress off of our clients by finding solid employees for their openings.
