

I know you are thinking "My fire Department is the best". Well, you are wrong. Margate Fire Department is the best. It Deserves more respect! They are giving caring and they keep us safe.

First, Margate Fire Department is giving. This year they gave out gifts to the young kids in the neighborhood. They also work on holidays and go to schools teaching kids about fire safety. They make sure we are all educated about it!

Next, the Margate Firemen are caring. They help injured people. They do that because they care and they also save people from fire. The Margate fire department also make sure they are OK before they leave.

My last reason, is that they keep us safe. They put out fire at any time and they are working on the Dot! If any one is in trouble,
