Re: H. Bert Gonzalez

Dear Recruiter or Business Owner:

I am delighted to write this letter of recommendation on behalf of H. Bert Gonzalez in support of his application for a position with your company. Bert was employed by me as City Commissioner for about 12 years and held the title of "Business Affairs Liaison and Deputy Director Omni CRA."

Bert was a dedicated employee and have personally witnessed him complete many undertakings on time and on budget during his position with the City of Miami, including the completion of the Miami Port tunnel, Miami Entertainment complex and Bicentennial/Museum Park.

As a proven professional with an excellent work ethic, I have no doubt Bert will achieve to be an invaluable member of your company.

If I can provide any additional information, please do not hesitate to contact me at (786) 303-5966.

Sincerely,

A handwritten signature in blue ink, appearing to read "Marc David Sarnoff". The signature is fluid and cursive, with the first name "Marc" being the most prominent.

RE: H. Bert Gonzalez

To whom it my concern:

It's my pleasure to provide this letter of recommendation for Bert Gonzalez. I've worked closely with him for close to a decade, sharing the same concerns and activism to include the community in all aspects of the construction and operation of the Miami Tunnel. Bert showed excellent communication skills and consistently exceeded our desires to involve the local neighborhoods.

On a personal level, he's charismatic and well-spoken, both qualities that have served him well in his role as Deputy Director of the Omni CRA. Bert is passionate about connecting with people across cultures, whether that means exploring new ideas through reaching out to new entrepreneurial ideas or facilitating meetings to bring people together. His vast experience and understanding of government was a great help to our endeavor as we used Bert as our "point person" that many of us go to with questions. Whenever we needed advice or a helping hand with the political and governmental leadership Bert stepped up to help out.

Bert has been the person that was the government lead in not only the Miami Tunnel but also the Miami Entertainment Complex as well as other intensive projects. He's not afraid to take risks and often suggests new directions to explore. Bert was instrumental in introducing our project platform for training, for instance, a direction that has proven to be very fruitful. He's committed to quality, growth, and progress, and he inspires his team members to strive for the same. In short, Bert is a person with vision.

Bert would be a tremendous asset to any organization and I recommend him to you without reservation. I am confident that he will establish productive relationships with your staff and constituents. Please let me know if you have need for additional information about this outstanding and qualified leader. Please feel free to contact me directly at 786-999-2197 if you need any further information.

Re: H. Bert Gonzalez

To whom it may concern:

It is my pleasure to write this letter in support of H. Bert Gonzalez's application for employment in your company. I have known Bert for over thirty five years when we were neighbors in Miami Beach. While we have both moved on to other houses we have kept in close touch and see each other regularly for social events and family gatherings. Bert is a family man and has always been a great provider for his wife and children.

Bert is a proven professional at every task that he has undertaken during his various jobs in the City of Miami and I know him to have personally completed many undertakings. Many of these.....such as the Miami Port Tunnel, Miami Entertainment Complex and Bicentennial/Museum Park were of tremendous public benefit and great professional challenges, but most of all he delivered on time and on budget.

Based upon his accomplishments and work ethic, I believe Bert would be an asset and make an excellent addition to your company's work force.

Please feel free to contact the undersigned if any further information is desired at 305-349-7049.
