Alexia,
the number of people that we expect is 3500 and the set up will be done Tuesday and Wednesday before Thursday the 30th. We will call the city for the inspection scheduled on Thursday, April 30th the day before.

Regards,
Fr. Matthew

Dear Father Matthew,

Upon reviewing the application, there are some inconsistencies that need to be clarified. The application it states that an anticipated attendance of 4,000 people. However, the letter to the mayor is highlighting to expect around 3,000 people to attend. Can you please clarify the number of people expected to attend. Additionally, the application does not mention the date of setting up. The building department is requesting final inspections to be done the Thursday prior to the event. In order to satisfy the request, can you please confirm the date you will start setting up.

Thank you.

Sincerely,

The Building Department will require permits for the tents with engineered drawings. All inspections must be completed the Thursday prior to event. If overtime inspections are required overtime inspection fees will be the responsibility of the event organizer.

Thank you for the layout. It is very blurry to read the description of the layout. Is there another way of showing the location and what is being proposed? I've attached what we received last year. If the layout is changing from last year please provide the new layout.

Thank you!

Hello,

I am in receipt of the Temporary Use Permit for the Annual Brazilian Festival. I am missing the layout plan of how the site will be set up. Can you please send via email a layout plan and I will attach with the application to start the review.

Thank you!
