## MEMORANDUM

TO: Jonathan Shaw, Chief of Police

FROM: Ryan McCarthy, Lieutenant *RM*

DATE: May 20, 2019

### SUBJECT: Request to Purchase Off-Road Vehicle

Sergeant Alain Banatte proposed purchasing a Honda Pioneer off-road vehicle in February of 2018. Funds for this purchase were approved to be utilized out of the forfeiture in FY 2019. The purchase was put on hold as the Administrative Services Division explored funding this vehicle through a grant. The grant was recently denied; therefore I reviewed the purchase information and moving forward with funding this item out of forfeiture with Sergeant Banatte and the current Police Fleet Manager, Sergeant Kevin Stranksy.

Sergeant Banatte advised that he preferred that the Department purchase the 2019 Polaris Ranger through the Florida Sheriffs Association Bid. He provided me with the options that would be most suitable for the vehicle and they are itemized below:

2019 Polaris Ranger 570 EFI (R19RMA57B1)	\$9,064.00

Back Up Beeper	\$177.00

## MEMORANDUM

TO: Paul Fix, Lieutenant, Community Services Division

FROM: Alain Banatte, Sergeant, Community Services Division

DATE: February 5, 2018

SUBJECT: Request to purchase off-road vehicle

The Community Services Division is respectfully requesting the purchase of an off-road vehicle for the purposes of travel and transport during city events. The duties of this vehicle will be to assist officers assigned to events such as Winterfest, National Night Out, etc., drive through areas that a police vehicle isn't suitable for. These events are held in large areas that occupied by pedestrians, equipment and barricades. If there is an emergency, it's not practical for an officer to run or attempt to drive to the area. An off-road vehicle is compact enough to traverse through tight areas and get multiple officers to an area in a reasonable amount of time.

The off-road vehicle that appears to best suit the needs of the Community Services Division is a 2019 Honda Pioneer 700. This vehicle was selected for its seating, power and maneuverability. Repairs and routine maintenance would be handled by Public Works small engine Mechanics.

The estimated cost associated with the purchase of the vehicle, necessary emergency lighting equipment, and decals are outlined below.

- Honda Pioneer 700- \$10,182
- Emergency Lighting Equipment/Siren- \$1,000
- Decal Wrap- \$115

*This vehicle will have multiple uses at all of the city and police events.*

The Polaris Ranger 570 EFI (R19RMA57B1) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★ Western	Northern	★ Central	★ Southern
BASE PRICE:	\$9,565.00	\$9,433.00	\$9,064.00	\$9,064.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order.
