CORPORATE REAL ESTATE LAND USE AGREEMENT APPLICATION

Rules and Regulations:

- You must submit a fully completed application. Applications will not be considered for approval until complete. Retain a copy of your application for your records and send the original to FPL Corporate Real Estate via mail to 700 Universe Blvd, Juno Beach, FL 33408.
- An application fee of **\$500.00** must be paid at the time you submit your application. All application fees are non-refundable. Please make checks payable to: "Florida Power & Light Company" or "FPL". If your application is approved, a deposit equal to 25% of the proposed annual rental rate will be required prior to execution of the agreement.
- You must attach a site sketch or proposed plans. This sketch should include dimensions where possible and must show all existing FPL structures or facilities if applicable. Applications will not be considered without a site sketch.
- Applicants are required to obtain, at their sole cost and expense, General Liability Insurance coverage of at least \$3,000,000.00 per occurrence. Proof of this coverage will be required prior to agreement execution.
- For agricultural applications, the following rules apply: "Licensee shall not at any time, plant in the ground any trees, brush, plants, or any other foliage that is capable of exceeding a height of fourteen feet (14') above existing grade within fifty feet (50') of any FPL facility, including but not limited to structures and overhead circuits. Licensee may plant and keep vegetation capable of reaching any height within fifty feet (50') of FPL facilities as long as it is in containers of twenty-five (25) gallons or less in size and the vegetation is at all times kept under fourteen feet (14') in height."
- The property on which you are submitting the application must be carefully considered and reviewed by various departments and personnel. Because of this, the initial application process can take from 60-120 days depending on the type of application. Because the application process is complex and sometimes lengthy, we ask that you be patient and FPL will contact you with updates on the status of your application as they are available.
- If your request is denied, you will be notified in writing. If your request is approved, you will be contacted to provide additional information and informed of the next step(s) in the process.
