AN
INTERLOCAL AGREEMENT
BETWEEN
BROWARD COUNTY
AND
PARTICIPATING COMMUNITIES
FOR
SOLID WASTE DISPOSAL SUPPORT SERVICES

AGREEMENT

This Interlocal Agreement ("Agreement") dated for convenience September 1, 2012 between BROWARD COUNTY, a political subdivision of the State of Florida, its successors and assigns, by and through its Board of County Commissioners, hereinafter referred to as "COUNTY":

AND

The municipalities whose names appear in Exhibit "A" attached hereto and made a part hereof, their successors and assigns, hereinafter referred to as "PARTICIPATING COMMUNITY or COMMUNITIES". It is expected that Broward municipalities may elect to execute this Agreement and become a PARTICIPATING COMMUNITY at different times and throughout the term of this Agreement. At such time as a municipality executes this Agreement or subsequently terminates this Agreement, County is authorized to add or delete the municipality as a PARTICIPATING COMMUNITY to Exhibit A. Upon adding or deleting a PARTICIPATING COMMUNITY to Exhibit A, written notice containing the amended Exhibit A shall be sent to all parties to this Agreement.

ARTICLE 1 **BACKGROUND**

- 1.1 In order to establish the background, context and frame of reference for this Agreement and to provide a general background regarding the objectives and intentions of the COUNTY and the PARTICIPATING COMMUNITIES, the following statements, representations and explanations are predicates for the undertaking and commitments included within the provisions which follow and shall be construed as essential elements of the mutual considerations upon which this Agreement is based.
- 1.2 The County and the Contract Communities (as such term is defined in the Prior Interlocal Agreement) have previously entered into a Prior Interlocal Agreement dated November 25, 1986, as amended, ("Prior Interlocal Agreement") which authorizes and requires the County to provide for the disposal of solid waste delivered by or on behalf of the Contract Communities through July 2, 2013.

- 1.3 In order to provide for the continuous disposal of all Contract Community solid waste throughout the term of the Prior Interlocal Agreement, the County has entered into an agreement with Wheelabrator South Broward Inc. and Wheelabrator North Broward Inc. dated June 28, 2011 pursuant to which the County will deliver or cause to be delivered, solid waste generated within the Contract Communities, and the above companies will accept responsibility and dispose of such solid waste at its facilities until July 2, 2013.
- 1.4 In order to continue to make available to all Broward municipalities a regional, economic and environmentally sound method of solid waste disposal after July 2, 2013, the Broward County Board of County Commissioners approved on June 26, 2012: (i) an agreement between County and Sun-Bergeron Solid Waste, J.V. ("Sun-Bergeron" or "Contractor") dated June 26, 2012 for solid waste disposal services, and (ii) an agreement between County and Wheelabrator Environmental Systems Inc., a Delaware corporation ("Wheelabrator" or "Contractor") dated June 26, 2012 for solid waste disposal services (collectively referred to as the Solid Waste Agreement(s)). The terms of the Solid Waste Agreements require, among other things, Sun-Bergeron and Wheelabrator, for a five year initial term, to accept PARTICIPATING COMMUNITIES' waste and commence disposal operations on July 3, 2013.
- 1.5 In addition to approving the Solid Waste Agreements on June 26, 2012, the Broward County Board of County Commissioners further approved a "Side Letter" dated June 19, 2012 from Wheelabrator Technologies Inc. to Broward County whereby the County and company agreed to waive, for a limited period of time, the County's right to preferential pricing based on certain third party agreements, in exchange for the company making payments to County for its exclusive use and benefit. The County agrees to contribute the company payments to its solid waste programs, administration and operations.
- 1.6 It is the intent of this Agreement to offer to all Broward municipalities the option to execute this Interlocal Agreement and elect to become a PARTICIPATING COMMUNITY subject to the terms of this Agreement and the applicable Solid Waste Agreement(s). By electing to become a PARTICIPATING COMMUNITY a municipality has the discretion to select either or both Contractor(s) as its solid waste disposal company and select among the multiple price and waste options contained in the applicable Solid Waste Agreement(s). Participating Communities have the further right, pursuant to this Agreement, to additional optional County services as provided for herein.
- 1.7 It is further recognized by PARTICIPATING COMMUNITIES and COUNTY that the COUNTY is entering into this Agreement both representing the unincorporated County, a waste generation area with solid waste requiring disposal, and as the party that has the ultimate responsibility for disposal of solid waste within Broward County pursuant to Section 403.706(b)(1), Florida Statutes.

- 1.8 This Agreement is an interlocal agreement entered into pursuant to Section 163.01, Florida Statutes, and the Florida Interlocal Cooperation Act of 1969, as amended.

Prior to the effectiveness of any provision of this Agreement and subsequent Amendments hereto, this Agreement and any such subsequent amendments shall be filed with the Broward County Clerk of the Circuit Court as provided by Section 163.01(11), Florida Statutes.

- 1.9 The word "shall" as used in this Agreement shall in all cases be construed to be mandatory and to require the action so modified by the word "shall" to be taken without regard to the exercise of discretion.

- 4.3 If the PARTICIPATING COMMUNITY does not select centralized billing services pursuant to Article 6, it shall require the Licensed Commercial Waste Hauler(s) to provide a performance bond (in a form and from an issuer reasonably acceptable to Contractor) in favor of Contractor in an amount that covers a ninety (90) day Disposal Services Fee payment period for Commercial Waste Disposal Services for the PARTICIPATING COMMUNITY, calculated pursuant to terms of the Solid Waste Agreement and based on the 60 day average tonnage of Commercial Waste delivered by the Licensed Commercial Waste Hauler(s) to Contractor during the twelve (12) month period immediately preceding the execution of the license agreement between the PARTICIPATING COMMUNITY and the Licensed Commercial Waste Hauler(s) entered into after the Effective Date of the Solid Waste Agreement. The sufficiency of the value of the performance bond shall be reviewed on an annual basis and the required bond value may be increased or decreased based on an increase or decrease in a Licensed Commercial Waste Haulers' Commercial Waste delivery obligations. A Licensed Commercial Waste Hauler providing services for multiple Municipalities which do not select centralized billing services may provide one aggregate bond meeting the requirements set forth herein.
- 4.4 If a PARTICIPATING COMMUNITY does not select centralized billing services pursuant to Article 6, it shall pay the Contractor within thirty (30) days of receipt of a monthly invoice issued by Contractor for Residential Waste Disposal Services. If the PARTICIPATING COMMUNITY disagrees with the amount stated in the invoice, the PARTICIPATING COMMUNITY shall notify the Contractor of such dispute. The PARTICIPATING COMMUNITY shall make payment to Contractor of undisputed invoiced amounts within thirty days after receipt of the invoice. In the event of a disputed amount, the parties shall reasonably attempt to discover the cause of any discrepancy between the parties, and if a resolution is not reached within forty-five (45) days of receipt of the invoice, the parties agree to work in good faith to settle the dispute (for amounts greater than \$25,000) by mediation by a mutually acceptable mediator. In the event the parties are not able to resolve the dispute through mediation within forty-five (45) days, then the parties may resolve the dispute by availing themselves to litigation. The existence of a dispute shall not delay payment of undisputed amounts to the Contractor, or relieve Contractor of its obligations under this Agreement.

- 4.5 If the PARTICIPATING COMMUNITY selects centralized billing services pursuant to Article 6, the PARTICIPATING COMMUNITY agrees to include in any contracts or contract amendments with haulers for residential waste a provision that the hauler shall comply with the following: (1) [insurance and credit requirements as may be required by County]; (2) Pay County the full amount of each invoice within thirty days of receipt; (3) Agree to pay interest at the rate consistent with the Florida Prompt Payment Act, Sections 218.70-218.80, Florida Statutes for late payments; (4) Failure to timely pay is an event of default which if not timely cured within 15 days is an event of termination; (5) In the event the hauler disputes an invoice from County, the hauler shall first pay the full amount of the disputes charges when due, and shall, within thirty (30) days from the date of the receipt of the disputed invoice, give written notice of the dispute to County. The notice of dispute shall identify the disputed invoice, state the amount in dispute and set forth a full statement of grounds on which such dispute is based. The parties agree to work in good faith to settle the dispute. In the event the parties cannot settle the dispute within sixty (60) days from the date of the receipt of the disputed invoice, the hauler may pursue any remedy available at law except withholding payment.
- 4.6 If a Participating Community collects its Residential Waste and hauls the Residential Waste to the Contractor, the PARTICIPATING COMMUNITY shall be responsible for all costs, including removal, transportation and disposal of the Unacceptable Waste brought to a Designated Facility.
