

City of Margate Police Department

ACCREDITED LAW ENFORCEMENT AGENCY

MEMORANDUM

TO: Ryan McCarthy, Lieutenant

FROM: Kevin Stransky, Sergeant

DATE: September 3, 2019

SUBJECT: Additional Equipment for UAS Unit

I respectfully request the purchase of the below listed equipment for use by the UAS Unit. Currently we utilize 1 drone, purchased in 2016, that has limited function ability for what the UAS Unit would need for any drone operation. After some research, I have determined that the 2 listed drones would greatly enhance our ability during drone operations while using the same software and flight functionality of our current drone, making the operation of these new drones easy for the remote pilots.

The 2 drones that I am suggestion we purchase are the DJI Mavic 2 Enterprise Zoom and the DJI Mavic 2 Enterprise Dual Thermal. Both of these drones utilize the same flying platform, however, have different capabilities. The Zoom has a 6X digital camera zoom capability allowing the drone camera to focus in closer on objects without having to maneuver the drone near possible obstructions. The Dual Thermal has a FLIR infrared thermal camera making this ideal for search and rescue operations during low or no light conditions.

The Enterprise line from DJI is public safety focused, therefore each drone includes an attachable spotlight, signal beacon and one way speaker. These attachments connect directly to the drone via micro USB and can only be used one at a time. I have also included in the attached quotes, an additional lighting system and signal beacon for each drone, therefore we would be able to utilize all options at one time instead of being limited to one.

Of the three quotes obtained, I recommend we purchase from Drone Nerds located in Dania Beach. Drone Nerds provided the best price for the equipment but are also local in case of any needed repairs. I have also included a quote for a multiple battery charging hub from Amazon.com which was not offered from any drone retailer. There is also a quote from Best Buy for the purchase of 2 additional Ipads, 2 additional SD cards and 2 additional 8" Lightning cords.

<u>Drone Nerds-</u> 1 DJI Mavic 2 Enterprise Zoom with all listed equipment-	\$3,127.99
1 DJI Mavic 2 Enterprise Dual Thermal with all listed equipment-	\$3,877.99
<u>TOTAL-</u>	<u>\$7,005.98</u>

<u>Amazon.com-</u> 2 Mavic 2 Pro Battery Charging Hub-	<u>TOTAL-</u> \$87.98
--	-----------------------

<u>Best Buy-</u> 2 Apple Ipad- 32G-	\$659.98
2 Polar Pro 8" Lightning USB Cable-	\$39.98
2 San Disk Extreme 64GB Micro Memory Card	\$49.98
<u>TOTAL-</u>	<u>\$749.94</u>

Total requested amount for the purchase of all related equipment-	<u>TOTAL- \$7,843.90</u>
---	---------------------------------

REC'D LT. R. Mearthy 9/4/19

THIS IS A REASONABLE REQUEST AND WILL ENHANCE THE CAPABILITIES
OF THE UAS UNIT.

TOT Chief Shaw

Approved.

Chief J. Shaw 10/21/19
