Subject: Inquiry - Margate Waterway Cleanup March 7th

Hi all,

Please let us know if the City of Margate and/or the MCRA is interested in sponsoring this year's waterway cleanup in partnership with Broward County. The Margate Waterfront Foundation will once again be acting as site coordinator, so no manpower is required other than those wishing to volunteer. The MWF has signed on for a \$500 sponsorship.

Find sponsorship opportunities <http://waterwaycleanup.org/wp-content/uploads/2019/09/Sponsorship-Package-2020.pdf>

And more information at <http://margatewaterfront.com/2nd-annual-margate-waterway-cleanup-march-7th-calling-all-volunteers!-p468-194.htm>

Let us know as soon as possible so we can include you in outreach if you choose to participate.

Thanks for your time and consideration,

- Mitch
