ADDENDUM NO. 2

BID NO. 2020-009

BLUEWAY TRAIL IMPROVEMENTS

Wednesday, May 13, 2020

TO ALL BIDDERS:

Please incorporate the following information/clarifications, changes, additions, and/or deletions into the specification packet for the above-referenced project:

QUESTIONS AND CLARIFICATIONS:

1. Please confirm that there are twelve (12) proposed signs that will read "MARGATE BLUEWAY TRAIL" only and will be detailed per the Waterway Trail Sign Detail on Sheet #6.

Answer: Confirmed

2. Please confirm that there will be four (4) proposed signs with park names and directional arrows as shown in the legend and detailed per Sheet #6.

Answer: Confirmed

3. What is the proposed sign board material specification?

Answer: Aluminum, .08" minimum thickness or manufacturer's recommended.

4. What is the size specification for the sign lettering as it pertains to all the signs and all the lettering?

Answer: Lettering size may vary. Submit shop drawing prior to installation.

5. What is the size specification, (other than Note #2) for the four (4) park directional signs and is there any size limitation?

Answer: 3' x 4', larger if needed to display content.

6. Sheet #6, Note #1: please clarify "markers must display name of municipality....". Is this to be a logo? If so, please provide logo artwork; If lettering, specify size, font, location on sign and any artwork to be followed.

Answer: Logo artwork will be provided upon award.

7. Sheet #6, Note #5: please clarify "Brown Crossed Paddles": size, style, placement on sign, provide artwork.

Answer: Crossed Oars are background on signs. See Attachment Crossed Oars.

Addition: Add Crossed Oars page to Technical Specifications following Sheet 6, Winfield Park Improvements Blueway Trail Sign Map.

8. How will access be made available to the locations identified for each of the sign installations, for the equipment necessary to drive 10" x 18' pilings at the water's edge or in the water? Landside is mostly residential backyards with fences and structures, and waterway is non-navigable for equipment.

Answer: Contractors will have access to all City boat ramps (upon reasonable notice). Refer to City Boat Ramp Map attached for identification of ramp locations.

Addition: Add City Boat Ramps Map page to Technical Specifications following the above addition of the Crossed Oars page.

9. What is the budget and/or engineers estimate for this project?

Answer: Total engineers estimate for both park projects is \$198,000.

10. Sheet #6: please confirm that the arrows with Margate Blueway Trail in the legend are informational only and do not represent a bid item.

Answer: Confirmed.

11. Will all inspections be made by the City, or will a Special Inspector be required, and if so, who will pay for the Special Inspector.

Answer: No, a special inspector will not be required. Inspections will be made by City.

12. Please confirm that Builders Risk insurance IS required.

Answer: Builder's Risk insurance is not required.

13. The Lemon Tree Park site has a bid item calling Conc class IV, Substructure concrete. The drawing section on sheet 9 depicts 4000 psi concrete. Which is the concrete spec for which we need to price? FDOT certified concrete would not be able to be combined with other concrete mixes to pour.

Answer: The contractor should submit a 4,000 psi concrete mix for approval. All other concrete must be FDOT certified concrete.
