The City of Margate is applying for a Land Water Conservation Fund grant. One of the requirements of the grant is for it to be publicly discussed and supported at an advisory board of the City of Margate.

The City of Margate has many capital improvement projects in our five (5) year plan. Some of these projects are eligible for grant funding, and we have identified that Oriole Park Improvement Project is eligible for grant funding as indicated above.

I am requesting that your board have a discussion of the 2021 LWCF grant application for \$1,000,000 1:1 match for the Oriole Park capital improvement project.

Sincerely,

Michael A. Jones, CPRP
