Please see the information below from WastePro confirming that the firm will not participate in the BAFO opportunity. If you are keeping track or creating a spreadsheet of the price submission information, please use WastePro's initially submitted prices but utilize the submitted BAFO pricing already forwarded you for Republic Services and Coastal Waste and Recycling.

Thanks.

Subject: RFP 2021-004 - Best and Final Offer Package

Dear Proposer,

As indicated in a prior email communication sent on Monday, the City has elected to issue the attached Best and Final Offer (BAFO) package to all three Proposers for our RFP 2021-004. The City identified areas within each of the three submitted RFP responses that may indicate that specific conditions/requirements related to the RFP were not taken into consideration. These areas were revealed to Proposers by means of the questions that were provided for the upcoming interview session. Therefore, due to the complexity of this solicitation and to ensure there is accuracy and consistency amongst the submissions, this BAFO package has been issued. Participation in the BAFO process is completely voluntary. If any Proposer elects not to participate in the BAFO process or fails to submit a BAFO within the period and in the manner stipulated therein, that Proposer's initially submitted RFP 2021-004 pricing shall prevail and shall be final.

Please feel free to contact me if you have questions.
